The *Post* to-day has editorial on Canadian matters. It says the consideration and development of Canada are at hand. People and money are the great desiderata. Let Canada show that these can safely and profitably be sent there, and the old country will be found supporting and invigorating the new in a better manner than with inadequate garrisons.

WORTH KNOWING!

Kind reader; would you see your foot
Inside a neatly finished Boot,
And feel you may without disgrace
Look even Princes in the face?
Well, if you would, just call on me,
And you will very shortly see,
That I can do the work so neat,
And make the finish so complete,
That you would wonder from your heart
You came so late to GEORGE MUTTART!

Is any man without a Sole?
The truth must now be plainly told,
That such there are, and I would say
To such an one, make no delay,
For if you come, I've heard it told.
You will and *you will not* be soled!
For you can get *for Money down,*
The best and cheapest work in Town.
So come and act a wiseman's part,
And get your Boots from
GEORGE MUTTART.
