Major League Clubs Pick 13 Men From The Minors

By JACK HAND

NEW YORK (AP) — Catcher Mickey Grasso, who played for Cleveland in the 1954 world series, was drafted Monday by New York Giants as the major league clubs picked 13 men from the minor league poll for $122,000.

Grasso began his career in the Giants' farm system and played seven games for them in 1946. He became eligible for the draft when he was sold to the Indians' Indianapolis farm club 11 days after Cleveland had lost the series in four straight to the Giants.

It was Grasso's bouncing peg that let Willie Mays steal second base just before Dusty Rhodes hit his winning homer in the 10th inning of the opener.

Eight pitchers, three outfielders, a shortstop and a catcher were picked from the minors, most from leagues of the higher classes.

NO. 1 SELECTION

Roberto Clemente, a speedy outfielder who hit .257 with Brooklyn's Montreal farm, was the No. 1 selection. Pittsburgh, with the first pick, got Clemente at a bargain $4,000 because he was a "bonus" player who had received more than $4,000 (a reported $20,000) to sign with the Dodgers out of Puerto Rico. At last reports Clemente was hitting .380 in the Puerto Rican winter league, second only to Mays.

The new Kansas City club, drafting a a major league team for the first time, ironically picked left-handed pitcher Art Ceccarelli from the Kansas City roster in the American Association.

Parke Carroll, Kansas City business manager, also selected Bob Spicer, a righthanded knuckleball pitcher, who had a 13-16 record at Los Angeles. In a delayed draft he picked Lloyd Boyer, ex-St. Louis Card righthanded pitcher from Rochester.

GRAB OUTFIELDER

Chicago Cubs grabbed outfielder Jim King from St. Louis Cards' Rochester club and righthanded pitcher Vincente Amor from Oklahoma City.

Cincinnati drafted outfielder Glenn Gorbous of Montreal and lefthanded pitcher Jerry Dean of Buffalo. Gorbous performed on the Dodgers' Fort Worth farm in the Texas League, hitting .283, before he was moved up to Montreal.

Cal Griffith, Washington executive vice-president, and Chuck Dressen, his new manager, teamed up to take shorastop John Robert Kline from Toronto. Like most of the others, Kline played with some other club during the '54 season and his name on the Toronto roster was strictly a paper move. Kline batted .319 and drove in 84 runs for Birmingham in the Southern Association.

PITCHER FOR BOSTON

Joe Trimble was picked off the Williamsport roster of the Eastern League by Boston Red Sox. Trimble, a righthanded pitcher, had a 9-12 record at Burlington, N.C.

Milwaukee grabbed lefthanded pitcher Roberto Vargas, a Puerto Rican, from Cleveland's Indianapolis farm.

Ben Flowers, 27-year-old right-handed pitcher who had several trials with Boston Red Sox, was taken by Detroit from Louisville.

Ray Powell Takes Lead In QHL Scoring

MONTREAL, (CP)—Quebec Aces Ray Powell picked up four goals in Quebec Hockey League play last week to overtake Orval Tessier of Montreal Royals for the lead in the senior loop scoring race, official statistics showed Monday.

Powell and Tessier have been having a see-saw battle for the scoring lead since the scheduled season opened about seven weeks ago. Powell now holds a two-point edge over Tessier with 13 goals and 17 assists for a total 30 points.

Tessier's scoring last week was limited to one assist. He now has 14 goals and the same number of assists for 28 points.

Royals' Kelly Burnett so far has registered 11 goals and 16 assists for 27 points to qualify for third place in the league scoring. Michel Labadie of Aces is in fourth spot on four goals and 20 assists for 24 points.

Others among the leaders with goals, assists, and totals shown, are: Lulu Denis, Montreal, 6-17-23; Gary Blaine, Montreal, 10-12-22; Gilles Dube, Chicoutimi, 9-13-22; Jim Uniac, Quebec, 10-11-21; Rollie Leclerc, Valleyfield, 7-11-18; Jacques Locas, Chicoutimi, 8-8-16; Ray Laplante, Montreal, 6-10-16.

Islanders Take League Lead

Score Smashing 9-2 Victory Over Capitals

The red-hot Prince Edward Islanders made it four wins in a row as they dumped the Fredericton Capitals 9-2 to take over the league lead in a fast and furious encounter at the Forum last night. After a scoreless first period, the Islanders exploded for four goals in the middle frame and outscored the visitors 5-2 in the penalty-free finale. A total of 8 penalties were handed out, including two majors to each team and a game misconduct to Lloyd Hinchberger of the Islanders.

It is the first time that the Islanders have had the league-lead in two seasons of play. In their last four appearances, they have scored a total of 32 goals with only 6 going by their sensational goal-tender Jim Shirley. Jim exhibited the same amazing performance in last night's game that won him a shut-out over the Hawks Saturday night and turned aside 34 shots. Plumber Craig in the Caps' net made 35 saves.

The league's leading point-getter, Buck Whitlock, was the best marksmen of the night banging in four goals while defenceman Danny O'Connor was high set-up man with four assists. Orin Carver in keeping the record of scoring the first goal in every home game since he joined the Islanders made the red light blink twice and assisted on another marker. Copper Leyte, Wimpy Jones and Vip Palladino scored the rest of the Islanders' goals.

LOSE DEFENCEMEN

The Islanders found themselves with only two regular defencemen to finish the game at 18:55 of the first period as referee Jack Kane waved Lloyd Hinchberger to the dressing room for hitting Caps' coach Joe McIntosh after the two had broken holds during a minor tussle at center-ice. Both men were awarded majors with Lloyd receiving the extra game misconduct. Coach Brylacich moved Copper Leyte back on the blue-line at which position the rangy Islander turned in a standout performance.

At 6:25 of the second period, Wally Kullman and Jackie Heon tangled in the Islanders zone and were awarded the only two penalties of the session with Wally getting a major for fighting and Heon receiving a major and a minor.

During the first period the Caps outshot the Islanders 13-12 but were unable to get the puck by Shirley. Early in this period, Danny O'Connor dished out one of the hardest checks of the game as he thumped Ralph Miles at the Fredericton blue line while the Caps' forward attempted to clear the puck. Doug Hewey roared in alone on Shirley at 8.15 on a pass from centreman Doug McPhee but missed the net with his shot. Seconds later the play returned to Caps' territory with Whitlock, Gray and Hennessey storming Plumber Craig in the visitors nets. Leduc, Jones and Kullman had several chances at 11.00. The Caps recovered towards the end of the period as Islanders Jim Shirley again rising to dizzy heights at 16:30 while stopping a close-in drive of the stick of Nick Nicolle.

CARVER OPENS SCORING

As the middle session started both teams played two men short. Orin Carver opened the scoring at 1.20, banging Vip Palladino's rebound in the far corner of the net while the teams played five men aside. At 7.53 Buck Whitlock got the first of his four goals on a pass in front of the net from Carver and Gray. Eleven seconds later Buck picked up a loose puck during a scramble to the side of Craig and made the light blink again. Copper Leyte was the next man on the list to score as he carried up to Caps' line all alone, went around defencemen Pat Powers and John Mosgrave and gave the Islanders a 4-0 lead to close out the second period scoring.

THIRD PERIOD

In the wide-open finale, Islanders' right winger, Orin Carver again opened the scoring parade as he banged in a puck centered out from the corner by Vip Palladino. At 7:47 Buck Whitlock scored from about 10 feet out on the second of two penalty shots which have been awarded in the league this year, both to the Islanders. Copper Leyte scored on the other one against Nick Pidsodny early in the season.

The Caps finally got on the scoring sheet at 8:32 with Hewey, McPhee and Heon combining to beat Jim Shirley during a scramble in front of the Island cage. Less than a minute later Wimpy Jones put the Islanders ahead 7-1 on a nice drop-pass inside the line from Ray Leduc. Plumbe. Craig never saw Wimpy's 20-foot angle drive until he looked in the net. Whitlock was back at 13:32 as he tipped Boy Gray's drive past Craig. At 17:49 Vip Palladino scored on Carver's short rebound and seconds later Tim Bliss ended the scoring assisted by Ralph Miles and Bessie MacDonald.

The Islanders play three games in a row this week, going to Fredericton for a game tonigh' and meeting the much improved Ramblers in the Bailey Arena on Wednesday. They play the Moncton Hawks here on Friday night.

Five Islanders At Top Of ACSHL Scoring Ladder

MONCTON (Special)—Charlottetown Islanders sudden rise to top spot in the Atlantic Coast Senior Hockey League is reflected in the scoring statistics released Monday night by league secretary-treasurer Robert (Bob) Chandler.

The figures do not include Monday night's action in the four-team circuit.

The Islanders dominate the scoring race as they occupy the first five spots, among the group. Figures show that Roy (Buck) Whitlock still heads the pack in the five-week-old ACSHL with 31 points, made up of 21 assists—tops in the circuit—and 10 goals.

Ray LeDuc, also of the Islanders, holds down second slot with 26 points — five less than Whitlock. LeDuc is the top goal-getter in the league with 13. The Island players have spent a total of 324 minutes in the penalty box.

Badman honors in the league belong to Charlottetown's Danny O'Connor who has spent a total of 73 minutes in the cooler.

Despite a mediocre week, Moncton's Nick Pidsodny still maintained the best goaltenders' average with a 3.17 mark. Jim Shirley of the Islanders is next with 3.39.

Strong Man Levels Blast At Vancouver

MONTREAL (CP) — Doug Hepburn, the strong man heavyweight from Vancouver who holds the world and British Empire Games weightlifting titles, unburdened himself Monday of a mighty blast against his native city.

Following a weightlifting show here, where he made his professional debut Sunday the 300-pound mustachioed Hepburn told reporters he wished he hadn't been born in Vancouver.

The big man's big beef resulted from what he claimed was failure of mayor Fred Hume of the west coast city to carry through a promise to help him set up a gymnasium.

"Before the British Empire Games the mayor told me in front of his secretary that if I competed in the games he would see that I was looked after in my ambition to set up a business for myself," said Hepburn.

"But once the Games were over they dropped me like a hot potato and told me they couldn't do anything to help me."

At Vancouver Mayor Fred Hume said Monday he was shocked to learn weightlifter Doug Hepburn had expressed disgust over his treatment acorded him by his home city.

The mayor was commenting on statements made in Montreal by Hepburn following his professional debut in a weightlifting show there Sunday. Hepburn told reporters he wished he hadn't been born in Vancouver and that Mayor Hume had failed to carry through a promise to help him set up a gymnasium.

"I can't understand Hepburn making statements like that," said the mayor. "I made no such promise."

The mayor said he had personally financed Hepburn to the extent of $1,500 by carrying him on the payroll of his electrical firm here.

"And I certainly didn't promise to set him up in business for himself nor did I commit the city to such action. To do so would have been outside my authority."

Above are three of the Prince Edward Island Hockey team, all of whom have made excellent showings in the past week of league play with the team winning all four games they played. At left is Islanders' 24 year old goalie, Jim Shirley who in the last three games played 133 minutes and 21 seconds of shut-out hockey against the two, then first division teams of the ACSHL. Jim has turned in sensational work for the Islanders since making his first appearance in the Maritimes this fall. At right is right winger Wimpy Jones who joined the team two weeks ago from the Windsor Bulldogs. Wimpy has been very effective on a line centered by Red Leduc with aggressive Wally Kullman on left wing. At center is the Islanders' coach Steve Brklacich who took over with the team when in the cellar and who has brought in players to strengthen the local entry to the extent that it now has the top spot in he four team circuit. Steve takes his regular turn at defence and is a valuable man to the Islanders in that position.
