

In Versailles Court Martial, argument for prosecution concluded, and the accused counsel began to speak in defence. Efforts were made to read a printed defence, in which he declares that he looks to future rehabilitation of France for vengeance, but the court would not allow him to proceed.

**CLOTHING EMPORIUM,**  
BROADWAY.

**CHAPTER III.**

To the Gentlemen of P. E. Island, Greeting:

GENTLEMEN;

THE summer of peace and plenty, of clouds and sunshine, of pleasure and pain is drawing to a close, and Autumn's chilly winds, rainy weather, muddy roads and streets, are next coming out on nature's programme, independent of the Road Commissioner or City Corporation. Next, Winter, grim king Winter, with his frosts and snows, will blow his Arctic breath across our little Isle, freeze the Straits of Northumberland, and complete the isolation of P. E. Island.

Notwithstanding that your yards, barns, granaries, cellars, greenhouses and dairies are stocked, stuffed, filled, stored, crammed, crooked and firkin'd with the fat of the land, the fruits of the vine and products of your stock, you call this "the winter of your discontent." While you have plenty to eat and drink, your discontentment comes from "wherewith are you to be clothed." Come into Broadway and be a contented people.

**NOW, GENTLEMEN, FOR THE RAILWAY!**

I, D. H. MACKINNON, of Broadway, bear good will to you all, and malice toward none; and now demand the immediate commencement and speedy completion of the aforesaid Railroad for the benefit of the travelling public; and as passing events cast their shadows before, I am taking time by the forelock, and preparing for you all. Accordingly, as fast as our European goods arrive, we are busily making every kind of warm cloth into fashionable and comfortable garments, suitable for the season, good, cheap and durable, so that you may travel with comfort on the Railroad or in your own private conveyance, without fearing the frowns of grim king Winter, or any mortal man who might wish to make you afraid.

Remember BROADWAY has the following

**GARMENTS!**

REEFING JACKETS, Of every kind.  
OVER COATS, Of every kind.  
WALKING COATS, Of every kind.  
SACK COATS, Of every kind.

**The Continental LIFE INSURANCE CO. OF NEW YORK.**

Has decided on establishing branches in this place, thus completing its line of branches from California to P. E. Island.

As the reputation of the CONTINENTAL is now WORLD-WIDE, to adduce any argument in support of its ability, and of its claims to public confidence, would be a work of supererogation. The simple fact that it, last year, issued

**12,537 POLICIES,**  
the largest number issued by any company in the world! is the best guaranty that can be offered of its ability and popularity, and of the public confidence.

The following are a few of the advantages offered by the Continental:

**PERFECT SECURITY.**—The assets of the Company are

**\$5,475,850!**  
securely invested.

ONE-THIRD THE PREMIUM may remain unpaid, as a loan on the Policy, (without Note), until cancelled by the dividend or otherwise.

THE COMPANY BEING PURELY MUTUAL all the profits of the business are annually divided among the Policy-holders.

THIRTY DAYS' GRACE allowed on the payments of premiums, and the Policy holds good during that time.

SHOULD ANY PERSON DESIRE to discontinue his Policy, after two years, the Company will take it off his hands, and give a paid-up Policy for the entire amount paid.

ALL POLICIES NON-FORFEITING. No Charge for Policy, Medical Examination, or Stamps.

ALL CLAIMS IN PRINCE EDWARD ISLAND paid in the Island without the claimant having to go to New York.

EVERY POLICY-HOLDER is entitled to vote at the Annual Election of Officers, and all are eligible to office.

As the great importance of Life Insurance TO ALL, whether rich or poor, is now universally admitted, any arguments to point out its advantages would be superfluous. The patronage of the Public of P. E. Island is therefore respectfully solicited.

JUSTUS LAWRENCE, President.  
J. P. ROGERS, Secretary.
