

On the Night before Wash Day

DO this, and you will have a pleasant, easy, work-free wash-day—with wonderfully clean sweet clothes:

For each tub of clothes take half a package of Rinso, dissolve in just enough cool water to make it as thick as cream. Then stir in two quarts of boiling water, and stir well. When the bubbles disappear you will have a clear, amber-colored liquid that is the magical Rinso washing solution. Pour it into your tub of cool or lukewarm water, and put in the clothes and soak. For extra hard water or extra dirty clothes add more Rinso solution.

In the morning rinse thoroughly and hang out to dry—the washing is done! That's why Rinso is different from all other Soaps and Washing Powders.

A CHEMIST'S OPINION IMPERIAL FOX BISCUITS

Charlottetown, P. E. I.
May 2, 1922.

To The Manager
Imperial Biscuit Co., Ltd.
Charlottetown, P. E. I.

Dear Sir:

Replying to your inquiry as to my success with Imperial Cod Liver Oil Biscuits I may say that we used them in the Vimy Ranch last year as the principal part of our fox diet. We fed them every evening broken up in milk. In the Fall we had a splendid lot of foxes, and a remarkable fact was that we had no poor foxes—all were well furred and vigorous. This I ascribe largely to the fact that your Biscuit contains medicinally pure Cod Liver Oil.

You will remember Sir, that I impressed on you the importance of getting that kind of Oil for your Biscuits. As a chemist I am acquainted with the properties of pure Cod Liver Oil, and may say that it contains a principle which has the property of causing foods to be assimilated. It also contains a small portion of iodine, which has the property of stimulating the growth of fur.

I have much pleasure in telling you that the pelts I sold Mr. McLure last Fall were admired by many Fox Ranchers who viewed them at his premises. Everyone remarked about their glossy sheen and splendid fur. The Foxes that were pelted were fed actually nothing but Biscuits and milk; and just a very small feed of meat once a day. I can, therefore, conscientiously recommend them to anyone who is raising Foxes, and can assure them that their use will result in giving them good vigorous Foxes, well furred, with splendid sheen and free from internal parasites, due to the stimulating qualities of the Cod Liver Oil on the intestines.

D. A. MacKINNON,
Manager, Vimy Fox Ranch

IN MEMORIAM
WILLIAM CROCKETT.

There passed peacefully away at his home in North Carleton on the 17th of April, 1922, an aged and respected resident in the person of William Crockett, at the age of 77 years and 4 months. Although not in robust health for the past few years, nothing serious was anticipated until the last two weeks of his life, when he rapidly sank to the end came. During his last conscious hours he was able to repeat the old familiar hymns, "The hour of my departure's home," and perfectly resigned to the will of his Heavenly Father, his spirit went home to God who gave it. He leaves to mourn one daughter, Mrs. Alder Wright, who always resided with him, and three sisters, Mrs. Ellen Platts, Alma, Mrs. Alexander Howatt, Cape Traverse, Mrs. Matilda Aiton, Sussex, N.B., and one brother, John Crockett, Carleton, besides a large circle of friends and acquaintances. The funeral was held on the 19th, and was very largely attended, the service being conducted by Rev. D. M. Lamont. Interment took place at the Church of Scotland cemetery, Cape Traverse.

MY ROSARY.
The hours I've spent with thee, dear heart,
Are as a string of pearls to me; I count them o'er, each one apart, My rosary—my rosary.
Each hour a pearl, each pearl a prayer,

To ease the heart in anguish wrung I tell them to the end but there A cross is hung—a cross is hung.
O memories that seethe and burn, O barren gain and bitter loss; I bow my head and strive to learn To kiss the cross, —to kiss the cross.

Time Has Tested It—Dr. Thomas' Electric Oil has been on the market upwards of fifty years and in that time it has proven a blessing to thousands. It is in huge favor throughout Canada and its excellence has carried its fame beyond the seas. If it were double the price it would be a cheap liniment.
