

CITY BEAUTIFICATION WEEK MAY 17 to 23rd

It is marvelous what a handful of grass seed can do, or the planting of a few flowers to improve the appearance of your home. We at the Halifax Seed Co. Ltd. heartily endorse Beautification Week and will be only too pleased to help and assist you in the selection of flowers and grass seed most suitable to your particular needs.

Community Planning Assn. Asks Citizens Co-operation

Once again Mother Nature is presenting to the City a fresh new Spring. She is doing her best to make Charlottetown attractive... not only to the people who live here but to those who visit it from time to time.
To aid Nature in her task, the Charlottetown Community Planning Association, in co-operation with His Worship, Mayor J. D. Stewart, has set aside the week of May 17-23 as "Beautify Charlottetown-Clear-Up Paint-Up Week." It is hoped that all citizens, young or old, will take note of their surroundings and do what they can to make them cleaner and more attractive.
The Community Planning Association asks that every well thinking citizen will co-operate in this matter of cleaning and beautifying the City. This applies to places of business as well as to the private homes.
Besides painting and cleaning, flowers tend to enhance the beauty of any dwelling. Maybe a new hedge has been thought of for some time? Now is the time to make these dreams a reality and perhaps your neighbor will become infected with your enthusiasm, until we can say with conviction that Charlottetown is IN-DEED a beautiful City.
The C.P.A. expresses the hope that they can count on the assistance of every citizen, not only for this week but throughout the whole year to "Beautify Charlottetown-Clear-Up-Paint-Up."

PROCLAMATION BEAUTIFICATION WEEK

We, the Mayor and Corporation of the City of Charlottetown, hereby proclaim the week beginning Monday, May 17th, as Civic Beautification Week, and, in doing so, we urge upon all our citizens to make their premises look as neat, tidy and beautiful as they can.

If your house is in need of paint now is the time to give it a coat. Even if you cannot paint your whole house at least paint the window casings, doors, and trimmings to the extent that your ability and nature of your property will permit. We are endeavouring to keep our streets clean; please help by keeping your sidewalk clear of litter and papers. Tell your children about this and get them to help too—and above all, never to drop papers or litter on the streets or sidewalks but put them in the receptacles provided for this purpose. Tell them, too, never to injure or destroy their own or any one else's flowers or shrubs. As you can see, we are beautifying our squares and public buildings. Let's all get together and put this over!

J. DAVID STEWART, Mayor.
