FRUIT PACKING IN P. E. ISLAND.

Two years ago Messrs. Jones & McRae opened a small factory at Pownal for the preserving and packing of fruit and vegetables. The business thus begun in a small way has since been extended to the Queen Building, in this city, and bids fair to attain such proportions that the whole of that large edifice may, ere long, be occupied by it.

SCOTT ACT ENFORCEMENT.

The numbers, influence, and representative character of the delegation that waited upon the City Council last evening shows that public opinion in this city is thoroughly roused concerning the increase of drunkenness and the non-enforcement of the Canada Temperance Act.

Spain will probably find that the easiest solution of the Cuban question is to concede the demands of the rebels. Their plots have a wide scope, operating not only from the island, but also from the United States, and extending into Spain itself.

SCOTT ACT ENFORCEMENT.

A Large Delegation Wait Upon the City Council in Session. The regular monthly meeting of the City Council was held last evening, Mayor Dawson presiding. There were no absentees.

Can. He had no "deal" with anyone, and had never said anything to the prosecutors except to tell them to do their duty. Some of those who pretend to represent the temperance people are not sincere. If they were perhaps it would be better for the city.
