Murray Harbor Notes

Mr. Francis Douette of Souris visited Murray Harbor on June 9.

Mr. Lawrence Stewart of Charlottetown visited Murray Harbor during the week. While here he was the guest of Mr. and Mrs. Ernie Machon.

The dragger Murray Harbour cleared for the fishing grounds on Monday after a week-end rest at her home port. This dragger had a successful week, gathering some 57,000 tons of fish.

The lobster catches are gradually dwindling away to the vanishing point in this area and it is only the exceptionally high prices being offered that keep many of the fishermen hauling at all. For many of the fishermen, this has been a most unsatisfactory season. Fishing in general was poor and then of course to crown it all came the devastating storm of two weeks ago. Despite all this, however, there is the odd individual who has had a good year. It is reported that clams and crabs will again be canned at the Harbour this summer.

The M. V. Shirley and Aleta, with owner Capt. H. H. Cahoon in command, called at her home port on Wednesday enroute to Baddeck, C.B., with loads of potatoes. The Shirley and Aleta was loaded at Montague.

Mr. Elmer MacNeil, son of Mr. and Mrs. Angus MacNeil, has accepted a position in Charlottetown. Elmer who has just completed his course at the Vocational School in Charlottetown was an outstanding student, winning top honors.

It is pleasing to note that the condition of Mr. Carrette Beck is reported as most favorable and he is expected to return to his home from hospital this week. Mr. Beck suffered a severe and painful injury while fishing last week, when his arm got caught in the trap hauler, resulting in a compound fracture of the arm.

Mr. Frank Murdoch who started the lobster fishing season out of Clear Springs on the North side, but later had to return home when all the fishing gear was destroyed, is now fishing with Mr. Andrew MacNeil.

Mr. and Mrs. Baker who came to Canada from Holland a few years ago, have recently taken over the farm property formerly owned by Mr. Grill Hooper, at Abney. This pleasant progressive family are being cordially welcomed in this vicinity and it is hoped that they are the advance
