

[Written for The Examiner.]
To My Mother.

Ah mother, blest mother, how the years
Have come and gone, since last thy face I
saw,
How often have I dreamed and waked with
tears
At finding that thou wert no longer near.
How often do I think I feel thee near,
And wonder if thou canst behold thy
child,
Couldst thou be pleased in heaven, mother
dear
To see me try to follow what is right.
They tell me that my face resembles thine,
If but my life could be so pure and good,
At sorrow even I could not repine
If God would give me strength to bear it
through.
Ah! mother, that I could be brave like you,
That I might work and suffer and be
strong,
And though it all be wofully and true,
Ah then I might rejoice that I had lived.
E. L. F.

Will Wonders Ever Cease?

It has been discovered that by means of
the circulating blood any organ of an animal
can be paralyzed or stimulated into renewed
activity if the proper material is adminis-
tered. Cocaine, which has revolutionized
delicate delicate surgical operations, is only
one of the results of this discovery. The use
of Atropine by oculists is a remarkable
example. For it matters not how adminis-
tered (even if injected into the big toe), the
first effect seen is the enlarging of the
pupil of the eye. Another application of
this discovery, as practical as any, was the
idea that the great loss suffered by poultry
raisers, owing to the fact that hens stop
laying during cold weather, could be over-
come, if the ovaries of the hen could be
reached and stimulated to egg-producing
activity. The experiment was crowned with
success, and the chemical compounds
deficient in the ovaries of the hens at this
season are now very important components
of Sheridan's Condition Powder to make
hens lay. And with its aid some of our
most successful egg-raisers believe it is as
easy to obtain plenty of eggs in mid-winter
as to raise early vegetables. Last December
the poultry editor of the N. E. Farmer
said to a subscriber: "The office of Sheri-
dan's Condition Powder is to animate the
ovaries. A hen to lay profitably must be
in condition. I use Sheridan's Powder
because I believe that hens can be made to
lay even in winter by using it, and fully
twice as much profit can be made in a year
from a flock of fowls where it is used." Is
not that good evidence? Then force your
hens to laying now, or later you will reflect.
"How wise we are when the chance is gone,
And a glance we backward glance!
We know just the thing we should have done,
When the time for doing it's past."
For 50 cents I. S. Johnson & Co., Boston,
Mass., will send two 25 cent packs;
five packs for \$1.00; or for \$1.20, one large
24 pound can of Sheridan's Powder, post-
paid; six cans for \$5.00, express pre-paid.
The best poultry paper, Farm Poultry, one
year and a can of Powder for \$1.50. Sam-
ple copy of paper 5 cents.

On the Use of Campbell's Wine of
Beech-Tree Creosote, in Diseases of
the Lungs and Throat.

IN the South of France, where all persons
threatened by Phthisis go to be treated; where
Doctors Bouchard and Gilmert, the two special-
ists so highly recommended by public opinion,
have experimented with all the proposed medi-
cines against Pulmonary Tuberculosis, it is the
one prepared to-day, and that which for ten
years past they have finally adopted, after many
comparative experiences, based upon the anti-
septic method, having specially in view the
destruction of the Bacilli.
After a few days' use of the remedy, the expecto-
ration diminishes, and very soon one is pleased
to witness the gradual disappearance of the
Bacilli, the breaking off of the fever, and the
rapid recovery of appetite and strength.
When instead of confirmed Phthisis, Catarrh
or Chronic Bronchitis have to be dealt with, the
different forms of which may sometimes give
rise to an uncertain diagnosis, they have always
been cured. Those excellent results need not
astonish us, if we consider the lucky natural
associations of complete antiseptic and Balsamic
principles in the compound we now describe.
When one Wine shall have restored health, it
will be well not to discontinue its use at once,
and at all events to use it again about a fortnight
before winter sets in, and at every change of
season followed by damp weather.
DIRECTIONS.—A small dessert spoonful three
times a day, after each meal, gradually increased
to a large dessert spoonful.
N. B.—The use of Cod Liver Oil, as a powerful
resistant to the remedial properties of the Wine,
is recommended. Campbell's "Coke" Oil being
the best, is the kind which should be taken.

AT LAST!
A Wonderful Vegetable Discovery That
Removes the Terrible Results
of Overwork.
A True Invigorator.

Weakness and prostration of the nervous
system surely follow that overwork and
worry which brings sorrow and suffering to
so many Canadian homes. The terrible
results of nervous weakness, are seen on
every hand. Pains in the back, poor and
unrefreshing sleep, lack of appetite dys-
pepsia, and lost energy and strength, are the
first symptoms of more serious and danger-
ous trouble. This is the way that Paralysis,
Paresis and Insanity begin. Do not delay
a moment longer, for some time it will be
too late to regain your lost health and
vitality. Use Paine's Celery Compound
now, and the dull eyes will regain their
brilliance, the cheeks will grow rosy, the
brain become clear, the nerves strong and
steady, your sleep restful and refreshing,
appetite good, and health and happiness
will take the place of misery and suffering.
A. Sabiston, the well known lithographer
of Montreal, writes: "In the summer of
1888 I had to work very hard, and was
troubled considerably with insomnia (sleep-
lessness). I resolved to try your Paine's
Celery Compound, and after taking the
contents of two bottles, felt like a new
man. A good night's rest gave me strength
for the duties of the day, and instead of
starting out to business in the morning
feeling as if I had completed a day's work
instead of being about to commence one
I started out in good spirits, feeling fresh
and strong. My wife and various friends,
to whom I recommended the medicine,
have been benefited greatly, and in fact
Paine's Celery Compound is a household
word in our family."

success, and in every instance a perfect cure

WHAT
WALS
YOU?

Do you feel dull, languid, low-spirited, life-
less, and indescribably miserable, both physi-
cally and mentally; experience a sense of
fullness or bloating after eating, or of "grou-
diness," or emptiness of stomach in the morn-
ing, tongue coated, bitter or bad taste in
mouth, irregular appetite, dizziness, frequent
headaches, blurring of vision, "floating specks"
before the eyes, nervous prostration or ex-
haustion, irritability of temper, hot flushes,
alternating with chilly sensations, sharp,
biting, transient pains here and there, cold
feet, drowsiness after meals, wakefulness, or
disturbed and unrefreshing sleep, constant
indigestible feeling of dread, or of impend-
ing calamity?
If you have all, or any considerable number
of these symptoms, you are suffering from
that most common of American maladies—
Bilious Dyspepsia, or Torpid Liver, associated
with Dropsy, or Indigestion. The more
complicated your disease has become, the
greater the number and diversity of sym-
ptoms. No matter what stage it has reached,
Dr. Pierce's Golden Medical Discovery will
subdue it, if taken according to direc-
tions for a reasonable length of time. If not
cured, complicated multiple and Consump-
tion of the Lungs, Skin Diseases, Heart Disease,
Rheumatism, Kidney Disease, or other grave
conditions are liable to result, and, sooner
or later, induce a fatal termination.
Dr. Pierce's Golden Medical Dis-
covery acts powerfully upon the Liver, and
through that great blood-purifying organ,
cleanses the system of all blood-taints and im-
purities, from whatever cause arising. It is
equally efficacious in acting upon the Kid-
neys, and other excretory organs, cleansing,
strengthening, and healing their diseases. As
an appetizing, restorative tonic, it promotes
digestion and nutrition, thereby building up
both flesh and strength. In malarial districts,
this wonderful medicine has gained great
celebrity in curing Fever, Chills, and
Fever, Dumb Ague, and kindred diseases.
Dr. Pierce's Golden Medical Dis-
covery
CURES ALL HUMORS,
from a common Itch, or Eruption, to the
worst Scrofula, "Fever sores,"
Scaly or Rough Skin, in short, all diseases
caused by bad blood are conquered by this
powerful, purifying and invigorating medi-
cine. Great Relief given rapidly and un-
der its benign influence. Especially has it
manifested its potency in curing Tetter, Eczema,
Erysipelas, Boils, Carbuncles, Scrofulous
Ulcers and Swellings, Hip-Joint Disease,
"White Swellings," Gout, or Thick Neck,
and Enlarged Glands. Send ten cents in
stamps for a large Treatise, with colored
plates, on Skin Diseases, or the same amount
for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE."
Thoroughly cleanse it by using DR. PIERCE'S
Golden Medical Discovery, and good
effects, it is an efficient means of
strength and bodily health will be established.
CONSUMPTION,
which is Scrofula of the Lungs, is arrested
and cured by this remedy. It is taken in the
earliest stages of the disease. From its mar-
velous power over this terribly fatal disease,
when first offering this new world-famed reme-
dy to the public, Dr. Pierce thought seriously
of calling it his "CONSUMPTION CURE," but
abandoned that name as too restrictive for
a medicine which, from its wonderful com-
bination of tonic, or strengthening, alterative,
or blood-cleansing, anti-bilious, pectoral, and
nutritive properties, is unequalled, not only
as a remedy for Consumption, but for all
Chronic Diseases of the
Liver, Blood, and Lungs.
For Weak Lungs, Spitting of Blood, Short-
ness of Breath, Chronic Nasal Catarrh, Bron-
chitis, Asthma, Severe Coughs, and kindred
affections, it is an efficient remedy.
Sold by Druggists, at \$1.00, or Six Bottles
for \$5.00.
For ten cents in stamps for Dr. Pierce's
book on Consumption. Address,
World's Dispensary Medical Association,
608 Main St., BUFFALO, N. Y.
