It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the inflamed gums, allays all pain, relieves wind, regulates the bowels, and is the best-known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind. 1yr

It is beyond all doubt that "Myrtle Navy" is the favorite tobacco with the smokers of Canada. They obtain more enjoyment from it than from any other tobacco made, and those of them who have used it long enough to test its merits never abandon it for any other brand. The reason for this preference is that the "Myrtle Navy" is made of the very finest leaf which is grown, and that in every process of its manufacture the most vigilant care is exercised to preserve the genuine aroma of the leaf.
