ATTENTION STUDENTS

From: Bruce Holbrook, Chairman, Senate Research Committee

On behalf of the Senate Research Committee, I would like to call for applications from students for Senate Research Grants for the academic year 1979-80. The deadline for applications is March 1st. Application forms are available in the Student Union Office; additional forms are available in my box in the Sociology-Anthropology Lounge, 3rd floor of Dalton Hall.

Applications from students will be accepted on the recommendation of a faculty member who is prepared to act as the student's research director. The official recipient of each grant for a student will be the chairman of the academic department involved. Interested students are therefore encouraged to approach potentially research-directing professors in this regard.

Thank you kindly for your attention.

ATTENTION GRADS

The Yearbook wants your PORTRAIT, not BLACK TYPE. If you have not had your Grad Photo taken please contact Diane McQuiric (Editor NEXUS 79) or Lee Donnelly (Photog NEXUS 79) at 892 4121- ext 376 for an appointment. We will arrange for gown and hood. These Portraits will be done in Black and White only. For Yearbook purposes. Sorry no reprints.

SOC/ANTHRO CLUB

The Soc/Anthro Club is planning a full slate of activities this semester. We intend to have a few parties in the Barn with live and recorded music. These parties are open to all students so why not drop down? In conjunction with the Library we will run weekly films which will cover topics of value to all departments at UPEI, as well as the Soc/Anthro majors. Keep an eye out for the announcements. We will keep you posted on all activities within the club through the SUN. The next club meeting will be on Wednesday, February 7 at 2 p.m. at the 3rd Floor Dalton Hall Lounge.

DON'T FORGET OUR NEXT PARTY--FEB 23 AT THE BARN.

CAMPUS COMMENT

Student Union fees went up from \$45 to \$55.-
What is your opinion?

Greg MacLean--Soph
"The increase seems difficult to justify. There will have to be an increase in service as well. I'd like to see a breakdown for the extra costs."

Darlene Doiron--Senior
"With everything else going up, I have nothing against it. Everything has to go up with the increasing rate of inflation. No one wants to see their money go, but we have to be realistic."

Larry Arsenault--Education
"Everything else is going up. It's necessary as students get lots of benefits. An extra \$10 wouldn't hurt compared to other things. I think students could live with that."

Corinne Hardy--Frosh
"They seem to be going out of their way to increase everything. A lot of students don't have money as there is not the access to jobs on PEI as there is elsewhere. Why raise everything? No one will come to university. They will seek some other kind of training."

Dave Newport--Frosh
"It's only \$10, that's not excessive compared to what they propose for tuition. It's not a large problem for the majority of students. The costs are a fair size amount right now. \$55 is the limit of what they should be."

Robert O'Hanley--Junior
"What? And tuition went up too! I won't pay!!!"

Lynda McInnis--Junior
"All fees are going up so student fees have to go up as well."
