UPEI on TV

From the hillside setting of the University of Prince Edward Island on the outskirts of Charlottetown comes Ryan's Fancy On Campus, Saturday, October 23 at 8:30 p.m. Featured performers joining Denis, Fergus and Demot- Ryan's Fancy - are singer Ray Pelletier and the group Speed the Plough.

Recorded before a lively 350 members of the student body, the musical selections run from the lusty Australian sheep-shearing song, "New South Wales" to the closing tale of an Irish Highwayman, "Brennan on the Moor". Highlights include: "Good Hearted Woman" - Ray Pelletier; "Adieu Prince Edward Isle" - Speed the Plough; "The Star of Logy Bay" - Ryan's Fancy; plus a short profile of the University campus and college life on the island. As for the welcome enjoyed by Ryan's Fancy and their quests, it was enthusiastic and heart-warming to say the least.

Ryan's Fancy On Campus from UPEI, Saturday, October 23 at 8:30 p.m. on CBC Television; Monday, October 25 at 11:30 p.m. on CHSJ-TV in New Brunswick. Produced and directed by Ralph Waugh.

Egypt '83

Applications for the 1983 International Seminar to Egypt are now available on university and college campuses across Canada.

Thirty students and three faculty leaders will be selected to participate in the summer program which begins in July, 1983 and includes six weeks of travel, study, and exploration of development projects in various regions of Egypt.

WUSC seminars have been providing opportunities for cross-cultural study and travel for Canadians since the first WUSC seminar to Germany, in 1948. Research topics in the area of economics, education, and the social and health sciences lead participants into special interest fields with the help of Canadian professors and local resource people. Participation in rural develop-

ment projects and a variety of cultural events are integral parts of the program which takes members of the academic community into first-hand experiences in the developing world.

The working language of the Egyptian seminar will be English, and a familiarity with Arabic would be an asset for faculty applicants. Selected students will be required to raise a portion of program costs which will be covered by WUSC, including travel, lodging, meals, and all seminar activities, beginning with a pre-departure briefing in Ottawa and an orientation series in Cairo upon arrival.

The deadline for faculty applications is November 19, with student applications due December 3, 1982

Information and application forms can be obtained from the local WUSC committee representative on campus:
