London's Milk Supply.

In Professor Sheldon's admirable manual, "The Farm and the Dairy," one of Messrs. Bell's Agricultural Series, now in course of publication, it is stated that the population of London consumes yearly 42,000,000 gallons of milk, of which the Great Western railway carries about 9,000,000 gallons, the Midland 7,000,000 gallons, the Great Northern 3,000,000 gallons, the Southwestern 6,000,000, the Northwestern 7,000,000 gallons, the Great Eastern 3,000,000 gallons, and the Southern lines 2,000,000 gallons, while the milk produced in the metropoli area is about 4,000,000 gallons. There are still 10,000 cows within the metropolitan area, and these require 1,100 sheds, and provide business for 895 cow-keepers. Assuming that each of the cows kept for the supply of London with milk yields 500 gallons per annum, a herd of 84,000 must be maintained for that purpose, requiring, at 10 cows for each milker, nine regiments of 1,000 men each to relieve them daily of their milk. The number of horses in use to convey the milk from the farms to the country railway stations is not less than 2,500, and 4,000 horses are employed in the delivery of the milk in London, with an army of people larger than that of the milkers. There are about 12,000 shops for the sale of milk in London, and these supply it to their customers twice daily instead of once as in Paris, where the consumption of milk is much smaller than in London. The counties that send the largest quantity of milk are Derbyshire, Staffordshire, Leicestershire, Warwickshire, Wilts, Berks, Oxfordshire, Bucks, Essex and Hants.

CANADIANS Work Too Hard!

The Result is Sleeplessness, Nervousness and a Broken-Down System, often

Ending in Insanity.

Thousands of overworked business men, wearied brainworkers industrious mechanics, and tried women, in all parts of the Dominion are to-day in a terrible position. Their nerves are weak, digestion poor, head aching, and they cannot sleep, work or live in comfort. This is what fills our Insane Asylums. This is the cause of that terrible Paresis. Before it is too late, use Dr. Phelps' wonderful discovery, Paine's Celery Compound. It removes the results of overwork, restores strength, renews vitality, regulates the whole system, and tones up the overworked brain and body. Do not despair, but use this wonderful remedy, and be restored to health and happiness, the same as was Mr. John L. Brodie, of Montreal, who writes: "I have great pleasure in recommending your Paine's Celery Compound. My system was run down and I was not fit for business, could not sleep well at night and was nervous. I commenced taking Paine's Celery Compound and improved immediately. I am now able to transact my business and endure any amount of excitement without bad effect."

Paine's Celery Compound can be purchased at any druggist's for one dollar a bottle. If he should not have it on hand, order direct from WELLS, RICHARDSON & Co., Montreal.

$500 REWARD

is offered by the manufacturers of **Dr. Sage's Catarrh Remedy,** for a case of Chronic Nasal Catarrh which they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acrid, at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak, watery, and inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a nasal twang; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness, with mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians.

By its mild, soothing, and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of **Catarrh, "cold in the head," Coryza,** and **Catarrhal Headache.**

Sold by druggists everywhere; 50 cents.

"Untold Agony from Catarrh."

Prof. W. HAUSNER, the famous mesmerist, of *Ithaca, N. Y.*, writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting."

THOMAS J. RUSHING, Esq., *2902 Pine Street, St. Louis, Mo.*, writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

Three Bottles Cure Catarrh.

ELI ROBBINS, *Runyan P. O., Columbia Co., Pa.*, says: "My daughter had catarrh when she was five years old, very badly. I saw Dr. Sage's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now eighteen years old and sound and hearty."
