Nats Knock Us For A Loop

By NORMAN MACDONALD

The fact that the Borden Nationals, without DONNIE MacWILLIAMS, JIM MacLEOD, and ARMAND TAYLOR, were able to defeat the Summerside Pope Motor Aces 8-5 is, to say the least, rather surprising. To say the most, it knocks us for a couple of loops. We had the impression that both teams were watered-down versions of last year's aggregations, but that Summerside was a bit more diluted than Borden. We'll know more about this when Sandy's Dandies take on the Aces at Civic Stadium tonight.

day night, as did GERALD CUTCLIFFE and JOHN NOONAN. ELTON ELLIS, a newcomer to Civic Stadium, had the fans talking. He spearheaded many of Borden's attacks, and finished with a goal and three assists.

DAVE MARTIN, who played in Newfoundland last year, got the hat trick in a losing cause, and also come up with 2 assists, thus figuring in all but one of Summerside's goals. Dave is the shiftest, most dazzling stickier in these parts. He's not very big, and this probably detracts a little from his potential, but if you're back of the blueline alone, and this stick-wizard is bearing down on you, the odds are 10 to 1 against your feeling anything except a slight breeze as he goes by.

Summerside had some new boys on the ice. A big defenceman from the Sydney Juniors who beat Summerside two years ago, a chap named HAMELIN — and we believe another fellow whose name escapes us. They missed badly the casey GREG DEIGHAN, and we don't know whether Greg is calling it the end of his career or not. VANCE HARRIS would have added a lot of go-go to the attack, and there were other capable performers missing. Considering the Aces were ahead 3-1 at the close of the first period, and were outscored, 7-2 in the last two frames would seem to indicate that the Summerside boys ran out of gas. They played short-handed twice as often — 10 to 5 — as Borden did, and this time of year, before the boys get into shape, extra chores take a lot of steam out of the boys. The chances are that both those teams will be strengthened before the season is much older.

We expect that a large crowd of fans will be at Civic Stadium tonight to see SANDY FRIZZELL'S charges strut their stuff against the Pope Motor Aces. There was always a keen rivalry between the two centres, and no doubt it will make its appearance again so on. We have a feeling that the Aces will be strengthened for this one, and that Sandy will bring a team here that will give the fans their money's worth in exciting hockey. See you there, folks.
