

FOR THE AGED.

[The following hymn was composed by the late Charlotte Elliott, author of "Just as I am," during a night of great suffering in her eightieth year! She gave it the night after she wrote it to a relative, who found the hymn proved a comfort to so many aged Christians that she desires its publication.]

In life's evening long and dreary,
From the treasures once possessed,
Is thy spirit faint and weary?
Dost thou long to be at rest?
On this sweet promise fix thy sight:
"At even time it shall be light."

"Light is sown" for thee in gladness,
Even in this vale of tears;
Soon will pass the night of sadness,
Grief will fly when morn appears;
Still to Faith's strong illum'd sight,
"At even time it shall be light."

Look not on the ills around thee,
Earth grows darker every hour;
Let not crime's increase confound thee,
Limited is Satan's power,
Look on the regions pure and bright,
"At even time it shall be light."

Dwell not on the growing weakness
That preceds thy frames decay;
Rise above depressing sickness,
Catch the dawns approaching ray,
Faith can discern the day-star bright,
"At evening time it shall be light."

See thy Saviour bending o'er thee,
Even to old age the same;
See life's one chief end before thee,
Still to glorify His name.
While on Himself is fixed thy sight,
"At evening time it shall be light."

Business Laws.

Ignorance of the law excuses no one.
It is a fraud to conceal a fraud.
The law compels no one to do an impossibility.

Signatures made with a lead pencil are good in law.
An agreement without consideration is void.

A receipt for money paid is not legally conclusive.
The acts of one partner bind all the others.

Contracts made on Sunday cannot be enforced.

A contract made with a minor is void.

Principals are responsible for the acts of their agents.
Agents are responsible to their principals for errors.

Each individual in a partnership is responsible for the whole amount of the debts of the firm.

A note given by a minor is void.
Notes bear interest only when so stated.

It is not legally necessary to say on a note "for value received."

A note drawn on Sunday is void.

A note obtained by fraud, or from a person in a state of intoxication, cannot be collected.

If a note be lost or stolen it does not release the maker; he must pay it.

An endorser of a note is exempt from liability if not served with notice of its dishonor within twenty-four hours of its non-payment.—Law Reporter.

Don't Worry About Yourself.

To retain or recover health persons should be relieved from anxiety concerning disease. The mind has power over the body—for a person to think he has a disease will often produce that disease. This we see effected when the mind is intensely concentrated upon the disease of another. We have seen a person seakick in anticipation of a voyage, before reaching the vessel. We have known people to die of cancer in the stomach, when they had no cancer in the stomach or any other mortal disease. A blind-folded man, slightly pierced in the arm, has fainted and died from believing he was bleeding to death. Therefore persons should have their minds diverted as much as possible from themselves. It is by their faith that men are saved, and it is by their faith that they die. As a man thinketh, so is he. If he wills not to die, he can often live in spite of disease; and, if he has little or no attachment to life, he will slip away as easily as a child will fall asleep. Men live by their minds as well as by their bodies. Their bodies have no life of themselves; they are only receptacles of life—tenements for their minds, and the will has much to do in continuing the physical occupancy or giving it up.

The People Want Proof.

There is no medicine prescribed by physicians, or sold by Druggists, that carries such evidence of its success and superior virtues as BOSCHER'S GERMAN SYRUP for severe Coughs, Colds settled on the breast, Consumption, or any disease of the Throat and Lungs. A proof of that fact is that any person afflicted, can get a Sample Bottle for 10 cents and try its superior effect before buying the regular size at 75 cents. It has lately been introduced in this country from Germany, and its wonderful cures are astonishing everyone that use it. Three doses will relieve any case. Try it Sold by all Druggists on the Western Continent

The Greatest Medical Discovery since the Creation of Man, or since the Commencement of the Christian Era.

There never has been a time when the healing of so many different diseases has been caused by outward application as the present. It is an undisputed fact that over half of the entire population of the globe resort to the use of ordinary plasters. Dr. MELVIN'S CAPSICUM POROUS PLASTERS are acknowledged by all who have used them, to act quicker than any other plaster they ever before tried, and that one of these plasters will do more real service than a hundred of the ordinary kind. All other plasters are slow of action, and require to be worn continually to effect a cure; but with these it is entirely different: the instant one is applied the patient will feel its effect. Physicians in all ages have thoroughly tested and well know the effect of Capsicum; and it has always been more or less used as a medical agent for an outward application; but it is only of very recent date that its advantages in a porous plaster have been discovered. Being, however, convinced of the wonderful cures effected by DR. MELVIN'S CAPSICUM POROUS PLASTERS, and their superiority over all other plasters, they now actually prescribe them, in their practice, for such diseases as rheumatism, pain in the side and back, and all such cases as have required the use of plasters or liniment. After you have tried other plasters and liniments, and they have failed, and you want a certain cure, ask your druggist for DR. MELVIN'S CAPSICUM POROUS PLASTER. You can hardly believe your own convictions of its wonderful effects. Although powerful and quick in its action, you can rely on its safety for the most delicate person to wear, as it is free from lead and other poisonous material commonly used in the manufacture of ordinary plasters. One trial is a sufficient guarantee of its merits, and one plaster will sell hundreds to your friends. Ask your druggist for DR. MELVIN'S CAPSICUM POROUS PLASTER, and take no other; or, on receipt of 25 cents for one, \$1 for five, or \$2 for a dozen, they will be mailed, post paid, to any address in the United States or Canada.
