How They Enjoy It!

JOHNSTON'S FLUID BEEF

CONTAINS ALL THE ELEMENTS THAT ARE NEEDED TO FORM

"Flesh," "Muscle" and "Bone."

OUR \$2.75 WATCH, made by the Waterbury Watch Company, will not last as long as the more expensive Watch, but is just the thing for a boy attending school or for boating or fishing parties, saving the risk and yet doing the work of the better Watches.

OUR \$4.50 WATCH, made by the same Company, only better quality, is short wind and jeweled.

OUR \$7, \$10, \$15 AND \$20 WATCHES are correspondingly better goods. You will be safer in trading with us than by sending to irresponsible parties at a distance, and who, if a misprising breaks or anything goes wrong, are too far away to send to. We are here to guarantee and stand by every Watch we sell.

H. W. TAYLOR,
