## New York

NEW YORK (AP)—The stock market was racked by a series of rallies and reactions Tuesday and managed to close only moderately lower.

The performance represented a slowdown in the headlong fall that has been going on for more than two weeks since President Eisenhower suffered his heart attack.

At the finish, gains and losses spread over a range of around three points either way.

Strength was centred in the aircrafts with support from individual issues in the motors coppers and aluminums. Steels were unchanged to lower as were oils, chemicals and railroads.

The market opened lower, but within a matter of minutes it met buying support vigorous enough to make the tape lag briefly in reporting the course of dealings on the floor of the exchange. That rally failed to hold, however, and prices became quite mixed.

Just before the bell there was further improvement in price but the market as a whole still was down on the day.

The Associated Press average of 60 stocks was off 90 cents at $163.40.

The three components of the average all were down—industrials $1.60, rails 60 cents, and utilities 30 cents.

Lower Canadian stocks were led by McIntyre, down 2½ to 72. Hiram Walker and Distillers Seagram each fell ½ and Dome Mines eased ¼. Higher were International Nickel, up ¼, and Canadian Pacific, ahead ⅛.

Canadian stocks on the American stock exchange were quiet.

## Toronto Stocks

TORONTO, (CP) — Prices on the Toronto stock exchange suffered a sharp reverse Tuesday in reaction to Monday's decline on the New York market when Canadian exchanges were closed for Thanksgiving. The setback was the third in three weeks and was almost as extensive as the first major break of Sept. 26, set off by the announcement of President Eisenhower's illness.

Mines were headed lower by International Nickel, which was down $5.00 at one point and closed at 69½, off 3½. McIntyre also lost 3½ among the golds. Consolidated Smelting, Falconbridge and Noranda each dipped a point or more. Losses ranging from 40 to 80 cents were marked up to East Sullivan, Opemiska, Eastern Smelting, Quebec Metallurgical, Sherritt, United Asbestos and Granduc.

Helping many of the mines lower were signs that copper may be more plentiful. Custom smelters in the United announced price cuts last week and the scrap market has weakened.

Gunnar dropped 1⅝ among uraniums and the warrants eased 80 cents.

Ventures led the holding companies down, off 1½.

Western oil losses included 80 cents by Bailey-Selburn at $8.95 and 70 cents by Home Oil at $8.30. Devonian Leduc was one of the few gainers, adding 23 to $1.85.

## Grain

WINNIPEG (CP) — Most activity centred in flax in a dull session Tuesday on the Winnipeg grain exchange.

Better harvest weather on the Prairies for the late flax crop brought more liberal hedging sales. Exporters and shippers were buyers on a decline in prices. Some parcel lots were reported sold to the continent.

Closing prices:

Oats: Oct ¾ lower 76¾B; Dec ⅝ lower 71⅞-A; May ⅝ lower 71⅜A.

Barley: Oct ¾ lower 1.05⅝; Dec ⅝ lower 97¾-; May ⅛ lower 96¼-A.

Flax: Oct 5 lower 3.02¾; Dec 5¾-5½ lower 2.83¼-½; May 5¾-6½ lower 2.83¼-½.

Rye: Oct ⅜ higher 1.00¼B; Dec ⅛ lower 1.01⅜B; May unchanged-⅛ higher 1.06-1.06⅛.
