Ticats Defeat Argos 29-23

BY DICK ANCO

HAMILTON — Hamilton Tiger-Cats rebounded with a spectacular three - touchdown comeback in the second half Saturday night to defeat Toronto Argonauts 29-23 and take over first place in the eastern football conference.

Toronto jumped into a 20-0 lead on the brilliant field goal kicking of Bill Mitchell and running of Gerry McDougall.

For almost two quarters of the game it looked to 36,315 fans as if McDougall, 27-year-old halfback with Hamilton for five years before he was traded to Argonauts in July, had come back to haunt his former teammates. He scored two touchdowns, both from one yard out, in the second quarter.

But the man Ticats got for McDougall — Bobby Kuntz, turned the tables for Hamilton in the second half. He carried the ball 12 times for 58 yards in the half and went over for a touchdown.

Hamilton now has a 2-0 record in the Eastern Conference. Ottawa and Montreal are 1-1 while Toronto remains winless.

GRANT SCORES TWO

Halfback Tommy Grant, a Canadian scored two touchdowns for Ticats. Kuntz and quarterback Frank Cosentino another pair of home brews scored in the fourth qurter. Don Southerin converted all four and added a single late in the game off an attempted field goal.

Mitchell was good on his three field-goal tries and converted McDougall's two touchdowns.

The 24-year-old Cosentino took over signal calling from Faloney early in the fourth quarter after Faloney injured his right ankle.

McDougall was just about the whole story for Toronto, picking up 74 of Argos' 136 yards rushing and taking seven Rote passes for 119 yards.

Pete Hall, New York Giants quarterback signed by Argos, didn't get in to replace Rote who completed 12 of 23 passes for 187 yards.

Hamilton gained 100 yards rushing, 67 of them from 14 Kuntz carries, and 183 yards in the air. Faloney struck on 10 of 15 passes; Cosentino completed his only throw.

Macquarrie Promotion Makes P.E.I. History

BY FARMER TISSINGTON
Ottawa Bureau, The Guardian

OTTAWA — For the first time in Canadian history, Prince Edward Island is represented in Ottawa by a cabinet minister and by a parliamentary secretary.

Friday, Prime Minister Diefenbaker announced the appointment of 16 parliamentary secretaries to ministers, including that of Heath Macquarrie, MP for Queens, as secretary to External Affairs Minister Howard Green. Hon. J. Angus MacLean, the other Queens' representative in the Commons, has been minister of fisheries since the Conservative government took office in 1957.

Mr. Macquarrie's appointment was forecast in a story from this paper's Ottawa' bureau.

NOT THE FIRST

Mr. Macquarrie is not the first Island MP to be named to a parliamentary assistant post. Cyrus MacMillan of Queens was one of the first four assistants to be named by Prime Minister MacKenzie King during World War Two. He was named to aid the minister of defence for air. Later J. Watson McNaught served as parliamentary assistant to the minister of fisheries in a Liberal government.

The Macquarrie appointment is regarded here as a feather in the cap for the Island's members of parliament, in view of the fact that there are only four elected and two of them now hold cabinet and semi-cabinet rank. The other two are Mrs. Margaret Macdonald of Kings and Dr. Orville Phillips of Prince.

Mr. MacLean told this bureau Friday that he was highly pleased at Mr. Macquarrie's appointment as secretary to Mr. Green. In the last parliament, the position was held by Wallace Nesbitt, MP for Oxford in Ontario. Mr. Nesbitt was named secretary to Trade and Commerce minister George Hees.

DISTINGUISHED SERVICE

Mr. Macquarrie has distinguished himself in the Commons, particularly on foreign affairs matters. Last summer he was named as one of the five Canadian delegates to a special meeting of the Inter-American Economic and Social Council in Uruguay.

The Queen's MP has long been one of the strongest advocates of Canada joining the Organization of American States, and he wrote a post-graduate thesis on this subject. Whether he will be able to influence Mr. Green and the government to this views remains to be seen.

Mr. Macquarrie, who will be 43 years of age in mid-September, is a former professor of political science and international relations. In 1951, he founded an international relations student conference while he was lecturing at Brandon College in Manitoba. He was the principal speaker at the 10th anniversary of this conference, held at the International Peace Garden last September.

ASSISTANT TO MacLEAN

A. De B. McPhillips, member for Victoria, British Columbia, was named as parliamentary secretary to Fisheries Minister MacLean. In the last parliament, this post was held by Roland English of Gaspe, who was not re-appointed to any of the 16 positions but may be given the chairmanship of one of the common's committees.

The parliamentary secretary post is for a term of one year, with the possibility of re-appointment. It carries with it an additional $4,000 a year over and above the normal $10,000 paid to all members of parliament.

Surprised, Grateful, Says Queens Member

Heath Macquarrie, member of Parliament for Queens, said today he was "agreeably surprised" and "humbly grateful" over his appointment as parliamentary secretary to External Affairs Minister Howard Green.

Mr. Macquarrie's appointment was announced Friday by Prime Minister Diefenbaker, marking the first time in history that this Island province has been represented in the House by both a cabinet minister and a parliamentary secretary.

PERSONALLY GRATEFUL

Mr. Macquarrie said, while personally grateful, he is mindful of "the recognition which the Prime Minister has given our province".

He noted the added recognition "was in line with our Prime Minister's regard for the small provinces and is in keeping with the new recognition we have been given in other aspects of the national administration as well".

He said prior to 1957 this province "was fortunate if one of its members received a parliamentary secretaryship. At times, no such appointment was held by an Island MP".

Mr. Macquarrie said he profoundly admires Mr. Green's "magnificent efforts" for international peace and "I am honored with the opportunity of serving as his parliamentary secretary".

NO INTERFERENCE

"I should like to point out that my appointment will not in any way interfere with my duties and responsibilities to my constituents and I shall expect that, as in the past, anyone desiring my assistance on any Dominion government matter will contact me, without hesitation, whether I am at my home in Victoria, Conservative headquarters in Charlottetown or in Ottawa."

MacRae Proud

"The people of Prince Edward Island should be pleased and proud that Heath Macquarrie, MP for Queens, has been made parliamentary secretary to Hon. Howard Green," acting premier Andrew MacRae said Saturday.

"As far as I know," said Mr. MacRae, "this is the first time the province has ever had a cabinet minister and a parliamentary secretary. Even more amazing is that they are both from the same county."

Missing N.B. Man Is Found Dead

CAMPBELLTON, N.B. (CP) — The body of Charles Bain, 88, missing for nine days was found Sunday afternoon in dense woods four miles from his home at Glenlevit, west of Campbellton.

A daily search for the aged man was intensified during the weekend. He also became lost near his home last month but then found his way out while a search party was being organized.

Don Sutherin Is Top Scorer

By THE CANADIAN PRESS

Don Sutherin, Hamilton Tiger-Cats' place-kicking specialist, moved into the lead of the Eastern Football Conference scoring race Saturday night as Ticats defeated Toronto Argonauts 29-23.

Sutherin kicked four converts and added a single on a field-goal attempt to up his total points to 14. His teammate, fullback Bobby Kuntz, scored a touchdown to move into second place with 13 points.

Frobisher Bay Town Project Heads Contracts For July

OTTAWA (CP) — A $3,711,165 contract for the construction of the first phase of a modern Arctic town at Frobisher Bay in the Northwest Territories heads the list of public works contracts issued in July.

A department report here showed contracts totalling $7,-016,780 were issued during the month. The government's austerity program of spending cutbacks appeared to have had little effect on public works spending in July because the figure was about $500,000 more than in July of last year.

Most of the contracts involved, however, were in the process of being completed before the austerity plan was announced in late June.

The Frobisher Bay contract, including a hospital and a seismograph building, went to Pitts and Drake Company of Dorval, Que..

Other awards, by location, project, contractor and value in that order:

Asbestos, Que., improvements to courtyard facilities at federal building, Leo Nadeau, Asbestos, Que., $12,160.

Brion Island, Que., construction of landing, les Enterprise de Fatima Llee., Fatima (M.I.) Que., $50,977.

Fort George, Que., construction of Anglican hostel and addition to school for department of citizenship, Ron Construction, Ottawa, $930,728.

Dredging Contracts

Branch, Nfld., Avalon Construction and Engineering, St. John's, $14,000.

Catalina, Nfld., J. P. Porter Company, Montreal, $98,975.

South Side, N.S., Shelburne Contracting, Shelburne, $3,200.

Campbellton, N.B., J. P. Porter, $9,480.

Saint John Sailor Killed At Halifax

HALIFAX (CP) — The navy has identified AB Russel A. Dow, 20, of Saint John, N.B., as the fatality victim of a highway accident near suburban Bedford Saturday.

OS Grant B. Hurst, 20 of Toronto, was reported in satisfactory condition Sunday in the Armed Services Hospital at HMCS Stadacona here. AB Harry W. Christie of South Mountain, Ont., was released Saturday after treatment for lacerations.

All three were crew members of the destroyer escort St. Croix.

Island Charm Wins U.S. Army

Part of the American Army surrendered Friday to the warmth of Prince Edward Island and the province's scenic charm.

Col. L.B. Webster, assistant adjutant general for the Maine National Guard division, admitted this following the appearance of the 195th U. S. Army band from Bangor in the successful Gold Cup and Saucer Parade.

Col. Webster said his bandsmen were completely captivated by the warmth of the people and the innate charm of the province.

Several members of his band have been so impressed, that they intend to return to the Island in a couple of week's time for a few holidays. Others said they intend to return again soon.

LARGE AUDIENCES

The Army band not only appeared in the parade, but drew large audiences as they performed in a band concert on Queen Square Friday afternoon.

Their Flying Boxcar aircraft left Saturday.
