THE EXHIBITION SECRETARY'S OFFICE is now opened at the Exhibition Building, and is connected by telephone to the Charlottetown Central Telephone Office. 3 i.

EX VOTO.—The Rev. Father Burke, of Alberton gratefully acknowledges receipt of a beautiful and costly chalice, an ex voto offered from an unknown benefactress in Montreal.

ENGINEERS, ATTENTION.—The Charlottetown Engineers will hold their annual target practice on Saturday next. The members of the corps are requested to meet at the Drill Shed on Friday evening to receive their drill pay.

SUICIDE.—Peter Stewart, a well to do farmer of Commercial Cross, hung himself yesterday forenoon, while the rest of the family were away at church. The reason of his fatal act is not known. There was no inquest.

FUR GOODS.—The show of fur goods in Beer Bros. window is very fine. Persian Lamb, South Sea Seal, Astrachan, Beaver, Nutria, Alaska Sable, Opossum, Bear, Baltic Seal, Lynx, Wolf, Wombat, Raccoon, Hare and several fancy furs are all shown.

THE schooner Davy Crockett now under seizure for violation of the treaty of 1818 was brought to Charlottetown this afternoon by the Government steamer Acadia and placed in charge of F. W. Hyndman Esq., Marshall of the Vice-Admiralty Court.

H. B. C.—A special meeting of the Hillsborough Boating Club will held at the Boatouse this evening, at 8 o'clock. As several matters in connection with the coming regatta are to be considered, a full attendance of members is respectfully requested.

SHOWAWAYS ON THE CARROLL.—On the arrival of the steamer Carroll at Halifax on Friday morning two young men, who gave their names as Andrew Cleary and Patrick McKie, were handed over to the police charged with being showaways. Shortly after the steamer left Boston they appeared on deck and gave themselves up.

MUTTON FOR THE STATES.—The Times says: Five carloads of sheep, owned by Messrs. John McDonald and Joseph Hayes, passed through Moncton yesterday on their way to Watertown, Mass. Three carloads came from Antigonish, N. S., and two came from Prince Edward Island. There were 1,020 sheep and lambs in the consignment.

EXHIBITION TICKETS.—Tickets for the exhibition and races are for sale at Reddin Bros. drug store, Medical Hall, Apothecaries' Hall, and C. D. Rankin's drug store. It would be advisable to purchase tickets at these places at once in order to avoid the crush at the grounds, as a large attendance is expected.

HOME FOR INTERNMENT.—The lifeless body of Mr. Thomas Keenan, of Murray Harbor, was brought home from Boston in the Carroll on Saturday afternoon. Mr. Keenan was a passenger to Boston in the Worcester on her second last trip, and was apparently in good health when he purchased his ticket—a round trip one. We have not heard the cause of his death.

A CHEAP TRIP.—The Steamship Winthrop, of the New York, Maine and New Brunswick steamship company, will sell excursion tickets from St. John and Eastport to New York and return for the small sum of seven dollars on October 8th, 15th and 29th, good to return until November 1st. These excursions ought to prove very popular, as it affords an ocean voyage of 1100 miles. The Winthrop, besides the usual regular staterooms, has a number of free berths.

THE leading tenor of Bruce & Patrick's Balmoral Choir is Mr. George Fulton, who is a native of Paisley, a town in Scotland that has produced more high-class poets and really good vocalists to the square yard than any other city in the world. He has sung all over Scotland and won great popularity. The present is his first visit to America, but his pleasing voice and artistic style will soon make him a general favourite everywhere he appears. The Balmoral Choir is at the Lyceum here Friday evening October 3.

EXHIBITION CONCERT.—In connection with the concert of the Philharmonic Society, which is to form a special feature of the forthcoming Exhibition, it is interesting to observe that the ladies of Charlottetown are following the example set them by the ladies of Toronto who gave an amateur concert at the Hamilton Exhibition forty years ago. The leading vocalist on that occasion was Mrs. Beverley Robinson, wife of the ex-Governor of Ontario, and her singing charmed everybody. The concert will take place in the Exhibition Building, on Wednesday evening. That it is given by the Philharmonic Society, is a sufficiently good recommendation. Without a doubt, there will be some of the finest choruses that people have ever heard in Charlottetown. The Director will see that the audience is comfortably provided with places, and will insist on order being kept while the concert is taking place. We would suggest to people not to talk or make any noise during the performance, as very often some beautiful song or chorus is entirely spoiled for some listeners by the thoughtless talking and laughing of others in the audience.

TELEGRAPHIC NEWS

SPECIAL DESPATCHES TO THE EXAMINER.

The Burchall Case.

WOODSTOCK, Ont., Sept. 29.

The defence brought the case to a close to-day. Monday will be occupied by the lawyers. The addresses will probably take five hours and the judges two hours, after which the jury will go out to deliberate upon the guilt of R. Birchall, accused, of the murder of his friend Bonwell, in February last. The defence may be summed up as follows, 1st, That the witness who swore to seeing the prisoner and the deceased in the near neighborhood of the swamp that day were liable to make a mistake in the matter of description of both men and the deceased which they were.

2nd, That Birchall and Benwell did not walk into the swamp and that the murder was not done there.

3rd, That it would be impossible for Birchall, if he had committed the murder, to carry the body any distance through the swamp.

4th, That on the morning before the body was found two men were drunk and going around the locality in a buggy, and that fact taken in connection with certain tracks through the snow, leading from the road to the swamp, ought to leave a reasonable doubt in the minds of the jurors.

On the eve of his departure from Souris he was waited on by the members of his class in connection with the Presbyterian Sunday School and presented with an address and a silver-headed cane, bearing an appropriate inscription. The same evening the citizens of Souris also presented him with an address for which we regret we cannot find space to-day. Cod Liver Oil.

THIS IS THE FINEST COD LIVER OIL EVER BROUGHT OUT. Cod Liver Oil usually has such a disagreeable taste, and is to many so difficult of digestion, that its excellent nutritive and medicinal qualities are not experienced. The Skrei Oil is free from these objections, being beautifully clear, pale and bright, almost tasteless, and readily assimilated by children and the most delicate invalids. Sold by
