SPECIAL NOTICES.

Holloway's Pills and Ointment.—Acidity, Heartburn, Flatulency, Erysipelas.—This formidable array of ailments will not alarm those who have once witnessed the happy manner in which each and all of them yield to the purifying influence of these Pills. Their effect is vastly increased by rubbing the skin over the part affected with Holloway's Ointment, which passes through the skin, and acts upon every organ placed internal in the portion rubbed. It is wonderful how indigestion succumbs to such treatment, which always gives relief in a short time. Erysipelas, gout, and rheumatism are always accompanied by disordered stomach, which the same remedies readily rectify, by purifying the blood and regulating the action of the liver, kidneys, and bowels.

THE OXYGENATED BITTERS.

For years medical science had been taxed and the skill of the physician exhausted in the hope of discovering some remedy available to cure that most distressing of all diseases—DYSPEPSIA, as well as its long train of evils under their various names.

No medicine *existed* which would speedily, permanently, effectually, and radically cure and expel these diseases from the system until *Dr. Green* made known his discovery of

The Oxygenated Bitters.

Such is its remarkable power and peculiarity, that cases, which for years have baffled the most potent medicine and the highest professional skill, yield to this remedy as readily as if the disease were but of a day's standing. For all diseases of the *Stomach* and *Digestive Organs*, and for *General Debility* it is equally salutary and certain.

Typhoid Fever, Dyspepsia, and Debility.

The following letter from STEPHEN LEAVITT, Esq., a well known and worthy citizen of Lake Village, is but the testimony of thousands of like sufferers:—

LAKE VILLAGE, N. H. Nov. 4, 1859.

Messrs. S. W. FOWLE & Co., Boston,—

Gentlemen:—Eight years since I was attacked with *Typhoid Fever*, which left my digestive organs in a very feeble condition. I was totally unable to perform labor; I could eat but the lightest and most simple food without causing distress; and the various medicines which I had taken produced no favorable alteration to the disease. I continued in this miserable condition for several months, until a brother-in-law, (Mr. Joseph Burrill, of East Boston,) sent me a bottle of the OXYGENATED BITTERS, with such strong assurances of its virtues that I was induced to give it a trial. I had not exhausted the contents before the effect was quite visible, and gave sufficient encouragement to persevere in its use; and I was in due season restored to a comfortable state of health. This remedy I have since recommended to some of my dyspeptic friends, and always with the most satisfactory results.

Yours, STEPHEN LEAVITT.

Timely Warning.

Every mother should be prepared to act in the capacity of both nurse and pysician to her children: she can, if she will discharge these duties much better than any one she can employ. If she does not, she ought to know that there is a medicine prepared by an old nurse and female physician, which has stood the test of MANY, MANY years, and is the most perfect thing on earth for children teething; it also cures Wind Colic, Dysentery, Diarrhœa, and is sure to regulate the bowels. We say to every mother, do not let your own prejudice, or the prejudices of others, stand in the way of the relief that will be sure—yes, absolutely sure—to follow the use of MRS. WINSLOW'S Soothing Syrup. It is sold everywhere, at 25 cents a bottle. Office, 13 Cedar-street, New-York.

THE TOILET COMPANION.—Is the name by which Messrs. Joseph Burnett & Co., at Boston, designate the neat and convenient case in which these famous chemists and perfumers put up their superior preparations for toilet use viz: "KALLISTON," "COCOAINE," "ORIENTAL TOOTH WASH" and "FLORIMEL." Burnett's Toilet Companion will be much in demand as it becomes generally known.—*Providence Press.*

AYER'S SARSAPARILLA

Is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the disease Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow citizens. How completely this compound will do it has been proved by experiment on many of the worst cases to be found in the following complaints:

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOLOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt people enjoy better health, and live longer, for cleansing the blood.—Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

During late years the public have been misled by large bottles, pretending to give a quart of *Extract of Sarsaparilla for one dollar.* Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure.

The Wonder of the Age!
Manny's Patent MOWING and REAPING Machine

ONE acre of Hay or Grain cut on rough or smooth land in an hour, for less than one shilling cost, with the assistance of four or five joined in the purchase of one of those ever renowned *labour-saving Manny's Patent Mowing and Reaping Machine combined.*

Now on Exhibition and Sale, with Whitcomb's Patent Horse Hay Rake, and Brown's Patent Horse Pitch Fork, at *Orwell Cheap Store*—cheaper than the cheapest Country Store on the Island, and with the greatest variety, from a Needle to an Anchor.

Three Gold, Six Silver Prize Medals, and $100 cash have been awarded at the Crystal Palace and State Fares of America, where Manny's Machine has been fully tested with several other Machines, and proved to be the best, safest, most durable and cheapest Machine of the kind ever offered to the public, for saving time, labor and expense to the Farmers, by which five weeks labor and cost can be saved over the old fashion mode of harvesting with hook and scythe, which will pay a fifth share of the entire Machine in one season. It can now be got if four or five in a Settlement join together, and for which time will be given for payment by the Subscriber, for all those ordered by the 20th of May, so as to have them ready in time for harvest, to enable the Farmers to ship their produce in good weather, and a month sooner, and not fear having too much grain ripe at once, when one of these money saving machines can be had on such favourable terms and easy payment, at Orwell Cheap Store.

This is an opportunity that cannot be got every day, to clear and make large farms, and have a month's work done by lads 16 or 18 years old, in one week. This is coming up to Telegraph operation, and will make the Farmers independent, and look out for better times and more produce.

These wonderful Machines are invaluable to Ship-builders and Sea-Captains, Mechanics, Teachers, Widows, and all those whose time is more valuable at other callings, and will be set up by the maker. A trial given of them, and warranted fully perfect, or taken back.

Annexed are a few testimonials from some of our most extensive Island Farmers, that can be depended on, and who are willing to give satisfactory reference, if called on.

N. B.—All parties wishing to use any of these Machines, would do well to roll the land in time for them—*this is important.* P. S.

Certificates.

We certify that each of us have purchased one of *Manny's Patent Two Horse Mowing and Reaping Machines*, the operation of which we are highly pleased with, and it has proved much more satisfactory than we expected, having performed all our work much better, and at less cost than hand labor, and having our hay and grain secured nearly five weeks sooner than our neighbours, with the old fashion scythe and hook.

We consider *Manny's Machine* the most valuable invention ever discovered, or seen on this Island, for the benefit of the Farmers, and strongly advise every one requiring such to secure them in time, if they can arrange in any way to have one in each settlement, when the benefit will be found to save money and time—so valuable to farm workers.

N. B.—Any one wishing to see our Machine, can call at any time, or to the agent, at Orwell Cheap Store, where one is on exhibition and sale

I certify that I had one of *Manny's Patent Two Horse Mower and Reaping Machines* at work on my Farm last season, and found it proved admirably well, and far superior to any one of the kind I ever saw in England, or on this Island; and had I not succeeded in getting the use of it, I should have lost a great quantity of my grain, it having got over ripe, and I could not get men to hire at any wages at the time. I found it much less expense, and the work better done than by hand. My opinion is, that when these Machines are a little better known, no Farmer that wants to save money, or time, will be without one.

Reaping and Mowing Machines!

AS there is only a limited number of these valuable and labour-saving Machines expected this season, farmers who wish to obtain them had better make early application to the subscriber, at the "AGRICULTURAL WAREHOUSE," Queen Square, where Manny's combined MACHINE for 2 horses, Wood's Patent REAPER and MOWER (which sheafs the grain itself), Wood's one horse MOWING MACHINE; also Whitcomb's Patent HORSE RAKE, which in the States is superceding every other Implement of the kind,—may all be seen in working order. One of Manny's Combined Machines and Whitcomb's Horse Rake may also be seen at the local agent's (Patrick Stephens, Esq.) Cheap Store, in Orwell, who has already published certificates relative to the value of these Machines.

The subscriber would beg to state that he last year sold Manny's Machines to the following gentlemen, viz:—Robert Haythorne, Esqr, Isaac Thompson, Esqr. Winter River Mills, Hon. Alex. Laird of New Glasgow, Dr. Jenkins, and John M. Holl, Esqr.; and any of these gentlemen will, he doubts not, certify to the complete and satisfactory way in which Manny's *Machine does its work.* Wood's Patent self-Reaper was tried last season on the farm of Henry Longworth, Esqr, and gave great satisfaction, cutting the grain with the utmost regularity, and leaving it in handsome sheaves, thus *saving the labor of one man.* The two horse Machines are warranted to cut one acre per hour. This preparation is perfectly harmless, being a mixture of Castor Oil and Tincture of Rosemary chemically combined, so that while the Castor Oil moistens and nourishes the roots of the hair, the Tincture of Rosemary rids the head of dandruff; and I will say that so long as a person continues to use this preparation, so long he may expect to preserve his hair in beauty and luxuriance even to old age.

FRESH AND RELIABLE TESTIMONY.

"*Wistar's Balsam of Wild Cherry.*—We call the attention of our readers to the advertisement of *Wistar's Balsam of Wild Cherry* in another column, and assure them they can find no better remedy for coughs, colds, asthma, bronchial affections, or any disease of the throat or lungs.

"In August, 1858, an estimable friend of ours returned from a visit in the country much emaciated, and laboring under a severe cough, which had made such rapid inroads upon her constitution, that we felt something must be done at once, or she would become a victim of consumption. Having known the beneficial results which have occurred from the use of *Wistar's Balsam*, we made purchase of some for her, and we are happy to say, that before she had taken the contents of one bottle, her cough had entirely left her, and she is now in the enjoyment of excellent health."—*Olive Branch, June 25, 1859.*

Letter from Elder H. L. Gilman, a Minister of the Gospel in Vermont.

GLOVER, Vt., June 20, 1859.

Messrs. S. W. FOWLE & CO.:—

Gents,—I hereby certify that I have been troubled for several years with a difficulty of the heart and lungs, and have applied to several physicians for help, and have tried almost every remedy of the numerous ones which have been recommended, without receiving any assistance, but had been growing weaker and weaker, until, hearing of *Wistar's Balsam of Wild Cherry* about a year since, I commenced using it with immediate relief. It has not only restored my lungs to a sound state, but I am entirely relieved of the difficulty or disease of the heart. I have no hesitation in saying that it is the best lung medicine before the public, and I most cheerfully and conscientiously recommend it to all persons suffering with pulmonary complaints.

H. L. GILMAN.

All who suffer with any disease of the Throat, Lungs, or Chest, can obtain like relief by using

SELF-PRESERVATION.

A Medical Treatise on Nervous Debility and Functional Weakness, more particularly in reference to the Infirmities and Disorders of the Generative System. With numerous Engravings and Descriptive Cases.

CONTENTS.

SECTION I—The Physiology of the Generative Organs.
SECTION II—Puberty—Manhood—The Morals of Generative Physiology—True and False Morality.
SECTION III—Marriage in its Social and Pahysical Relations—Happy and Unhappy Unions—How to secure Healthy Offspring
SECTION IV—Youthful Abuse—The Secret Cases of Nervous Debility, Impotence in Man, and Sterility in Man and Woman.
SECTION V—Spermatorrhœa, or Chronic Impotence—Its History, Causes, and Consequences—The Sterility of age.

The object of the Work is not to maintain any particular hypothesis, but to enable every one to understand for himself the structure and function of the organs concerned in the fulfilment of the Physical Obligations of the Married State; to acquaint him with the consequences arising from excesses; to prevent unnecessary misapprehension from unfounded fears, and to indicate when those fears are well founded the means of speedy relief. The Work is not crowded with the technicalities of ordinary professional books nor does it present the crudeness which characterises the so-called "popular works", on the subject.

"SELF-PRESERVATION" may be had in a sealed envelope, price One Shilling Sterling, of Messrs H. CHUBB and Co., St John, N. B.; E. G. Fuller, Express Agent, Halifax, N. S.; or the Author will forward it, post free on receipt of Colonial postage stamps to the amount of Eighteenpence sterling.
