# Inspection By Veteran's Land Act Director

This district was favored yesterday by a visit from Brigadier T. J. Rutherford, the director of the Veteran's Land Act from Ottawa. Brigadier Rutherford was escorted around the various veterans land act establishments by the local settlement officer, Mr. R. M. Martin and the district superintendent, Mr. C. H. Scott. Brigadier Rutherford was quite favourably impressed with his first visit to this area.

Two particular calls were the subject of high commendation from him as director. The first was the farming establishment of Mr. Chas. Kennedy of New Perth. Mr. Kennedy this year bought a forage harvester, and put his entire hay crop into a pit silo. The examination of the silage by Brig. Rutherford brought forth the remark that it was the highest quality silage he had ever seen in a pit silo. An unexpected coincidence occurred when it transpired that Mr. Kennedy had served under Brig. Rutherford during his army service.

Another call of great interest to the director was at the property of John E. Williams of Beach Point, who has established under the commercial fishing provisions of the Veterans Land Act, and who built his entire house under the veteran contractor regulations. Mr. Williams built the entire house himself from the basement to the saddleboard, inclusive of building the chimney, plastering, and laying floors. It is indeed a credit to his ingenuity.

Brigadier Rutherford left the district via Wood Islands en route to Sydney and Newfoundland.

# MONTAGUE UNITED W. M. S.

The regular monthly meeting of the W. M. S. of Montague United Church was held at the home of Mrs. Effie Bruce on Tuesday evening, October 18th. Devotional service was conducted by Mrs. Edgar McKinnon who gave a most inspiring talk on "The Development of The New Life" and stressed the fact that in nature when growth has ceased decay sets in and so it is in the spiritual life.

Hymns suitable to the subject were sung and scripture readings were given by several of the members. Mrs. Archie Hume closed with prayer.

Mrs. Leon Johnston gave a report on the clothing sent to Toronto for overseas. Three large boxes were packed, much of the credit going to Mrs. Johnston who did so much of this work.

Nineteen hospital and sixteen shut-in calls were made, eight Americans, was read by Mrs. Young.

The next meeting will be held at the home of Mrs. A. D. MacLure when the word for roll call will be "peace."

The meeting closed with the hymn "Saviour Sprinkle Many Nations" and the Mizpah Benediction.
