

R.C.A.F. ENTERTAINS ARMY

On Wednesday, April 25th an informal luncheon was held in the Officers Mess, R.C.A.F. Station, Summerside. The luncheon was held in honor of Col. Wallis who later in the day inspected the Royal Canadian Air Force units on Prince Edward Island. Shown with Colonel Wallis is Squadron Leader C. N. Stanley, acting Commanding Officer of Station Summerside. From left to right Squadron Leader Howell, Major Charman, Squadron Leader Stanley, Colonel Wallis, Squadron Leader Lutes, Major Simonds and Major Monckley. (R.C.A.F. Photo.)

R.C.A.F. Summerside Has Big Plans For Air Force Day

Arrangements are now underway at RCAF Station Summerside preparing the exhibits and aerial displays which will go toward making Air Force Day, June 9, an interesting and thrilling display for young and old. The normally secure station gates will be wide open from 1:00 p.m. AST on Saturday 9th of June to all who care to attend this exciting event. A flying exhibition by many of Canada's fighting aircraft will highlight the show. An F86 Sabre jet the first line jet fighter of Canada's NATO Air Division will perform at near supersonic speeds and, if conditions permit, this sleek jet may actually break the sound barrier producing the now famous sonic boom. An Avro Canuck, the Canadian-made all weather twin jet fighter, featuring the famous Orenda jet engine has been requested and, if available, will give those in attendance an opportunity to see the aircraft that made headlines in Britain's press during the Farnborough Air Show. Other jet aircraft in the aerial display will likely include the T33 two seater jet trainer and the Navy's carrier borne fighter the Banshee. The RCAF's newest aircraft the P27V Neptune, a Maritime reconnaissance anti-submarine aircraft, a recent arrival to RCAF Station Summerside, will show how quickly it can get in the air and how little runway it requires to land. A lifesize model of an enemy submarine will be destroyed by bombs from a four engine Maritime Lancaster. (JET assisted take-off) will lift a clumsy Canada flying boat into the air at a surprising rate. In addition the air display will include helicopters and light aircraft. On the ground, guided tours will be given through and around some of the aircraft. The men who fly and service these aircraft will be available to answer questions and explain the intricacies of the equipment.

Fine Salt Water Trout Caught

A splendid three and a half pound salt water trout was caught by Joseph Blanchard on Wednesday evening at Blanchard's pond. The large fish was taken with bait and measured 20 inches in length and is the leading contender for a prize offered by Eugene Perry of Tignish for the largest trout caught in West Prince during the trout fishing season.

ate a decrease in sow breeding for March of fifteen percent. In the Maritimes, hog marketing for this first quarter was down about nine percent from that of 1955. Reports from boar owners indicate a further decrease of twenty-five percent in sow breeding during the past winter.

Another part of the picture which shows some encouragement is the demand for weaning pigs. This is evidence that the operators who feed pigs in large numbers have some confidence in the market outlook.

An additional factor contributing to this Maritime decrease was the poor grain crop of 1955. It would be reasonable to expect that the 1956 crop will place more grain in the bins of Maritime farmers.

While it would be hazardous to forecast any material increase in hog prices this year, we can expect that hog marketing will begin to show a noticeable decrease before the end of the year with the decline becoming more in evidence late next winter.

From this information we can gather an encouragement which should prompt some increase in sow breeding this spring.

ALBERTON

Mr. and Mrs. W.C. Lawson have returned to their home in Alberton after spending the winter months in Charlottetown.

Mr. Joseph McDougall, Alberton entered the Western Hospital on Thursday.

As on a number of previous occasions the generosity of Alberton merchants and business men is receiving commendation from the public. Throughout the year these men, who are interested in the good of the community, donate to community projects. It is just now becoming known that it was they who supplied lunch for the school children who presented the musical jamboree last Friday evening. Some two hundred sandwiches were made by the teachers and several others interested in the school. The assistance of all these kind folk was sincerely appreciated by the boys and girls, by their instructor, Mrs. Rogan, and by the parents.

CHURCHILL W.M.S.

The April meeting of the Churchill Presbyterian Women's Missionary Society was held at the home of Mrs. Harry Wheeler. The opening prayer was repeated in unison and Scripture was read responsively. The Bible exposition was read by Mrs. Sterling MacLeod. A hymn was then sung and prayer, followed by the Lords Prayer in unison. The roll call was answered by 11 members. Hymn 192 was then sung. The president repeated the offering sentence followed by the offering (amounting to \$2.70) and prayer of dedication. Minutes of last meeting were read and approved.

One member thanked the members for fruit received. Mrs. Ritchie MacPhee read from the study book. Readings were given by Mrs. Donald Nicholson and Mrs. Mervin MacPhail.

Roll call for next meeting is to be answered with a verse of Scripture containing the word Mother; meeting to be held at the home of Mrs. Garfield MacFadyen.

A hymn was then sung and prayer, followed by the Benediction in unison. A dainty lunch was served by hostess.

New Members Introduced At Club Meeting

Two new members, Edgar Ramsay and George MacLennan, were introduced to those present at the regular weekly meeting of the Summerside Y's Men's Club held last night in the Y Center.

The chairman of the meeting, Harry Bishop, welcomed them into the club and also extended greetings to Gordon Chase of the Saint John Y's Men's Club, who was present as a guest.

The chairman, then called upon Y's Menette Winnie Baker who informed the club that her husband Y's Man Don Baker appeared to be recovering well from his recent serious illness.

Ross MacKenzie reported on the world service supper held in Charlottetown last Monday night which he and president Jock Hopkirk attended.

Charles Linkletter asked that the Y's Men send in their registration for the Maritime convention as soon as possible.

Club president Jock Hopkirk appointed a committee to make convention arrangements for the club, this committee to be Don Adams, Horace MacFarlane, Malcolm Matheson, Jack Scott, Clarence Mercer, and Ken Walker.

Bill Warwick called for volunteers with cars to assist the H.I.Y. boys in distributing circulars as a money raising project.

It was suggested by George Clarke that a wire of congratulations be sent to the newly formed Y's Men's Club of Dartmouth, N.S.

Charles Ballem announced that there would be an induction service for new H.I.Y. members, Saturday at 8 p.m., in the Baptist Church, and invited the Y's Men and their wives to attend.

Tickets for the Y's Men's sponsored Dusty Owens show were passed out to the members.

As a feature of the evening's program members of the club were asked to serve on a panel for an impromptu discussion on a timely topic. Those called upon to speak were George Clarke, Art Holman, Harry Holman, Jim Murphy, Morley Bell and Ken Walker.

Harold Rodd asked that interested members be present at the Board of Trade sponsored meeting with railway officials at 2.15 p.m. today at the Legion home.

Song leader for the evening was Frank Cameron while Parker Crockett was finesmaster.

Miss Margaret Crafer, Baltic, has been a guest of Mr. and Mrs. Benjamin Burns, Kensington, during the past week.

The many friends of Mrs. Ernest McElvie of Hamilton, will be sorry to learn she is a patient in the Prince County Hospital Summerside.

Mr. and Mrs. Herbert Ramsay of Malpeque are recovering from their recent illness. Mrs. Arthur McKay of Dartmouth has been spending sometime with them during their illness.

Science Shrinks Piles New Way Without Surgery

Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

Toronto, Ont. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain. Thousands have been relieved—without resort to surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne)—the discovery of a famous scientific institute. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.
