BYC And Wheelers Win As Lions And Dairy Play To Tie

The Parkdale Lions played the League leading Sunshine Island Dairy to a 5-5 draw while the Bike Shop Wheelers walloped Canada Packers 10-3 and the Basilica Youth Club defeated the Liguorian Youth Club 9-7 in City Softball League games yesterday evening.

The Wheelers by virtue of the win over Canada Packers moved into sole possession of second place in the League standings with 12 points while the B.Y.C. moved into third place with 11 points.

The Parkdale Lions held a 5-2 lead on the Sunshine Dairy going into the last of the seventh inning only to see the Dairymen beround and score three runs as the Lions committed two costly errors.

Spud Chandler pitched for the Lions and gave up six hits while Ced Ballem hurled for the Dairy and was touched for eight hits. Louis Gallant of the Lions led all batters with a triple and double. Sam Gregory Garth Crickett of the Dairy each hit a double.

The game was well played with each team committing only two errors. Joe Revell at second base for the Dairy made the most outstanding fielding play of the game.

The Wheelers unloaded a home run barrage on Canada Packers and shelved the Meatmen early in their tussle on the Old Diamond.

The game was only seconds old when lead-off batter Mert Monaghan of the Wheelers belted a home run. Minutes later playing coach Wally Shephard blasted a two run homer.

The four-master was the first of two for Shephard. He connected for another in the fifth inning after Duke MacCallum had blasted out a four base blow in the third.

Shephard made it quite an evening as he pitched and earned the victory, his fourth of the campaign. Jimmy Gauthier was the losing pitcher. He was relieved by Billy Wright in the fifth. Shephard allowed only five hits, two of them to George Bradley.

The B.Y.C. scored five runs in the third inning and two in both the second and fourth frames to defeat the L.Y.C. The L.Y.C. got back in the ball game in the sixth inning with a five run outburst but they failed to score in the seventh and final inning.

Joe Thistle pitched for the B.Y.C. and allowed ten hits in earning his second victory of the year. Danny MacCormack started on the mound for the L.Y.C. and was relieved by Blenis Nicholson at the start of the fourth inning. MacCormack gave up eight hits in the defeat while Nicholson was touched for four hits.

Charlie Weatherbie, Kenny Tulle, Gerard Burge and Des Burge each got two hits for the winners. Paddy Shephard led the losers with three hits and Cecil Martin with two. Wilf Shephard hit a bases empty trible in the sixth inning.

The umpires were Ebbie Devine, Henry Gauthier and Cliff Ready.

Halifax Cardinals In 12-2 Win Over Truro

HALIFAX (CP) — Bob Davies held Truro Bearcats to six hits Monday as Halifax Cardinals slugged out a 12-2 Halifax and District Senior Baseball League decision.

Cardinals had 12 hits off Don Kern and Bob Twaites and had three errors while the Cats had four. Jerry Kline and Billy Carter slammed homers for Cardinals, each with one aboard.

Davies held control all the way, striking out eight and giving up only one hit during the first four innings.

Bobby Avila Has Strong Lead In AL Batting Race

NEW YORK — (AP) — Cleveland Indians hold a comfortable four-game lead atop the American League standings Monday, but the edge enjoyed by their second baseman Bobby Avila, in the batting race appears even more secure.

Except for a single appearance as a pinch-hitter and one as a defensive replacement, Avila has been inactive because of an injured hand since June 6. However, his closest competitors have done little in the way of catching up.

The 28-year-old Mexican is batting .384. That's 39 points higher than teammate Al Rosen, in second place.

Nelli Fox of Chicago White Sox, despite a spurt which produced 11 hits in 30 trips last week, is a poor third at .328.

In the sizzling National League scramble, Brooklyn's Duke Snider regained the lead after relinquishing it to Philadelphia's Granny Hammer Saturday.

Snider collected three hits in eight times at bat in Sunday's twin-bill against Chicago while Hammer went one-for-nine in a double-header against Cincinnati and dropped to fourth place. Snider has a .373 mark and Hammer is at .363.

Jackie Robinson, also of the Dodgers, pulled into second place with a .365 average and Don Mueller of New York Giants is third with .364.

Stan Musial of St. Louis Cardinals, hitting .337, continues to lead in home runs with 22 and in runs batted in, 71.

Ray Boone of Detroit slammed two home runs last week to deadlock Rosen for the American League lead. Each has 13. Minnie Minoso of the White Sox is the loop's space-setter in runs batted in with 57.

Andy's Aces In 16-6 Softball Win Over J.P.'s

—Andy's Aces beat the Journal Pioneers in a regular ladies softball league game last evening at the Queen Elizabeth Park by the score of 16—6.

The winners collected 8 hits off Gillis, the starting pitcher for the Jerpettes who went five innings and two off Fitzpatrick who finished the final four frames. Woodside gave only three safe bingles in four frames for the winners, and Chappell allowed three hits in the remaining five innings.

J. Arsenault, M. A. Arsenault and Murphy each got two hits for the Aces, and McDougall and C. Gallant each had a brace of bingles for the Journal-Pioneer team. McDougall, Jean Arsenault and Teddie Cahill made fancy catches. Glenni DesRoches ejected three coaches and assistant coaches, and one lady ball player for objecting too strenuously to his decisions.

Ted Williams Has Short Workout

BOSTON — (AP) — Boston outfielder Ted Williams had another short workout Monday at Fenway Park and decided to leave to join his Red Sox teammates in Baltimore where they play a night game Tuesday.

Williams, recovering from a virus infection which threatened him with pneumonia, hasn't been in the Boston line-up since June 5.

Giants Defeat Cardinals 8-5

New York Giants defeated St. Louis Cardinals 8-5 Monday in the only game in the major leagues. The victory, in which Willie Mays slammed his 19th and 20th homers of the season and Alvin Dark hit a two-run triple, put the Giants a full game ahead of Brooklyn in the National League.

Jim Hearn, with the help of Marvin Grissom, posted his fourth victory although the Cards reached him for nine of their 13 hits before he retired after yielding a triple to pinch-hitter Peanuts Lowrey to open the seventh.

Gerry Staley started for the Redbirds and was tagged for all but one of the Giant runs to suffer his seventh setback against three victories. A five-run fourth inning hastened his departure for a pinch hitter in the next frame.

Each of Mays' homers came with nobody on base. The first was off Staley in the second inning and the second off reliever Royce Lint in the fifth.

Trailing 8-2 in the seventh, the Cards made a belated bid to pull the game out of the fire, banging out four hits against Hearn and southpaw John McCall that were good for three runs. Grissom came in, however, to put out the fire by retiring from Tom Alston with runners on first and second.

Mel Parnell Still On Injured List

BOSTON — (AP) — Boston Red Sox announced Monday that Lefty Mel Parnell, whose pitching arm was broken by a team-mate's pitch earlier in the season has a sprained muscle in his left forearm and won't be able to throw for another week.

Parnell was with the Sox on their present road trip and pitched one ball game in relief. He came home Sunday for another examination when his arm continued to bother him.

English Women's Team Named For Empire Games

LONDON (CP) — The English Women's Amateur Athletic Association named a 10-member squad Monday for the fifth empire games at Vancouver.

The men's track and field competitors will be named today.

Also named is Sheila Lerwill, London athlete whose world high jump record of five feet, 7⅝ inches is claimed by Russia to have been bettered.

World record holders are Shirley Hampton of London and Anne Johnson of Cambridge, who were together in the British team cracking the 880-relay run mark. Most of the athletes are doubling up.

Others are: 100 yards — Ann Pashly, Great Yarmouth, British champion; Heather Armitage, Yorkshire, Shirley Burgess, London.

80-metre hurdle—Pam Seaborne, Essex.

Shot and discus—S. Alliday, London.

Henry Hartinger of Canada Packers and Art Ballem of the Sunshine Island Dairy are leading the pitchers race in the run for the Sport Lodge Trophy in the City Softball League. At the end of the first section Hartinger had a 4-0 record followed closely by Ballem with a 3-0 record. Both pitchers made three starts but Hartinger got the extra game edge as he won a game in relief during the last week of the first section.

• • •

Ced Ballem of the Sunshine Dairy and Ralph Pineau of the B.Y.C. both have identical 2-0 records. However Pineau has departed the softball scene in favor of baseball so he can not be considered in the trophy race. Next comes playing coach Wally Shephard of the Bike Shop Wheelers with a 3-1 showing. Shephard won every game he started but he lost a relief effort to the City Slickers last Friday evening.

• • •

John Thistle of the Legion has four victories to his credit against two losses which is quite creditable showing. Sonny Stull of the City has won three and lost three while Walter Constable of the L.Y.C. has two wins against one loss. Elmer Mahar of the Wheelers and Ced Ballem of the Dairy both have two wins and a loss while Father Clarence Roche of the B.Y.C., Danny MacCormack of the L.Y.C. and Spud Chandler of the Lions have 1-1 records.

• • •

Wilf Shephard is leading the home-run parade for the second Sport Lodge Trophy with four round-trippers. Three players are tied for second place with two homers each. They are Father Clarence Roche and John Walsh of the B.Y.C. along with Len Arsenault of Canada Packers. Twenty players have one home run. They are Joe Coyle, Paddy Shephard, Ed Kays, Pete MacIntyre, Reggie Hughes, Joe Gallant, Duke MacCallum, Lester Taylor, Glen Matheson, Merlin MacKenzie, John Haughey, George Scantlebury, Billy Hughes, Gordie Coutts, George Schleyer, Harold Hennessey, Joey LeClair, Louis Gallant, Louis Gaudet and Leeman Murphy. The above statistics were supplied by Billy Gallant, official league scorer.

There were a number of exceptionally brilliant plays during Sunday afternoon's baseball game between the Juniors and Intermediates. There were also a number of poor ones and they figured prominently in the runs scored as the Juniors defeated the Intermediates 4-1. Several of the outstanding plays however as worthy of recall for we doubt if we will see any better throughout the summer.

Wee Willie Dunn came up with a spectactular running catch off Gus Flynn in the first inning of the game. Flynn fouled a pitch far off third. Dunn got away to a slow start on the ball and then went all out. He just got his glove under the ball and managed to hold on for the out. Malcolm MacFadyen came up with a shoe string catch in the outfield off Phil Murphy and Murphy got one at the grass tops off Duck MacLeod. He rolled over twice after making the catch and it was as close to a Big League as we hope to see.

The annual meeting of the Islanders Hockey Club is scheduled to be held this Friday evening at the City Hall. The meeting was called for last Friday but had to be postponed when only half a dozen people showed up and most of them were officials. Hockey appears to be a pretty dead issue now due partially to the fact that there doesn't appear to be a League for the Islanders next winter.

Murph Chamberlain, coach and General Manager of the Windsor Bulldogs, is telling the people of Ontario that he intends to pack his club with good, solid junior talent next season. "I've got my eye on a couple of strong kids who will put guts and fire into our club, Murph told Jack Dulmage of the Windsor Star in typical Chamberlain fashion last week "Chamberlain is not ready to reveal cases on the 1954-55 edition of the Bulldogs but he made it clear that the overhauling job will be pretty extensive," wrote Dulmage. "We've got some high priced players who have got to go and of course some deadwood which won't shock anybody," Said Murph.

Murph suffered a defeat in the ballyhoo department over the signing of the first Bulldog for the next season, Whites Dulmage: "On a recent visit to Stratford, a friend presented Chamberlain with a large pugnacious Bulldog—a fearsome canine, although somewhat aged and red-eyed. Delighted with this symbol of team ferocity and undoubted courage, Chamberlain transported the animal to Windsor and housed him in the Arena where possibly the scent of the enemy still lingered. However, several hours and mammoth portions of horsemeat later, it was discovered that the varnivorous wretch had flown. "He probably would have been too tough to sing anyway," quipped Murph.

About 400 or more outdoor sportsmen are expected to gather at Pictou Lodge this weekend for the summer meeting of the Maritime Wildlife Federation, a non-profit organization devoted to making this section of Canada more conversation minded. Conservation of human lives will be the most important matter to be dealt with on the busy two-day agenda. Discussion will centre around a hunter's safety program, by which it is hoped to curtail the mounting toll of human lives claimed every hunting season, and by a sportsman's insurance plan which would look after not only public liability in the event mishaps do occur, but also families of sportsmen and the sportsmen themselves, in the event something happened to him or his equipment.

Landy Runs Mile In 3.58 To Break Bannister's Record

TURKU, Finland (AP) — John Landy of Australia ran the mile in a phenomenal three minutes and 58 seconds Monday, clipping 1.4 seconds off Roger Bannister's world record of 3:59.4 and becoming the second man to crash the four-minute barrier.

The 24-year-old Melbourne flier also was timed in 3:41.8 for the 1500 metres, another world mark if approved by the International Amateur Athletic Federation. Both clockings must be recognized by the IAAF.

Landy, who has been knocking at the door of the four-minute mile for two years, was racing against five international foes, including Britain's Chris Chataway, who paced Bannister to his record 3:59.4 performance at Oxford May 6.

The combination cinder track at Turku stadium was lightning fast and the weather ideal. A blazing sun beat down on the track and an expectant crowd of 8,000. The temperature was 77 degrees.

Landy didn't follow his normal formula of setting the pace all the way. After a comparatively slow first quarter in which he lay back in second place, he shot to the front just before the half-mile mark and finished blazing.

The crowd, sensing a record performance, went wild. As Landy clipped off the final laps in short, lightning steps, the crowd spurred him on with the yells, "Landy, Landy, Landy."

As the lean, young Aussie shot across the finish line, wearing a broad smile and showing no signs of exhaustion, the spectators broke into a thunderous roar. Then they swarmed from the stands, broke down the fences and carried Landy from the stadium on their shoulders.

Landy, showing a tremendous finishing kick, was 35 yards ahead of Chataway as he breasted the tape. Chataway was timed in 4:04.0, followed by Finland's Olavi Vuosisalo in 4:07 and Denis Johanson, also of Finland, in 4:07.6. Two other Finns, Ilmari Taipale and A. Kallio, trailed.

TOO HAPPY TO SPEAK

"I'm too happy to be able to speak," the jubilant Aussie said. "If it hadn't been for Chris Chataway's chasing me around the track I would never have made it. I knew he was immediately behind me and that he would not hesitate to pass me if I slowed up the very least."

Landy is to run against Bannister at the British Empire Games in Vancouver this summer, but said: "I can do even better, but not this year."

(In London, Bannister said he looked forward to his Vancouver contest with Landy and added: "But I don't really expect that his time will be broken there. A race of that kind is not the type that permits record times. In Vancouver . . . the prime consideration will be winning rather than the time achieved.")

However, Chataway, who ran with both Bannister and Landy in their record-making races, predicted a "terrific race" between the two at Vancouver.

BRILLIANT ATTEMPTS

Landy has had two other brilliant performances on this Scandinavian tour—running the mile in 4:01.6 here May 31 and duplicating that time at Stockholm June 8.

Just before the half-mile Monday, Landy burst into the lead, carrying Chataway with him. The Englishman hung on doggedly and was breathing on Landy's neck when the two passed the 1,000 metres in 2:27.2.

As the bell sounded for the final lap, Landy began a tremendous spurt and gradually lengthened his lead over Chataway. The Australian hit the tape with a burst and, instead of collapsing, trotted around the finish line until he was picked up by admiring Finns.

Bedard Defeats Irish Player

WIMBLEDON, England (AP)—Australia dropped a gentle hint that it may have another brilliant young tennis star on the way soon today when 17-year-old Roy Emerson of the Aussie squad defeated Max Fox of Baltimore, 6-1, 6-3, 8-6 in the first round of the all-England championships.

In another first - round match, Bob Bedard of Sherbrooke, Que., defeated C. A. Kemp of Ireland 6-3, 6-1, 6-3.

Americans Vic Seixas, the defending champion, and Tony Trabert, the tourney favorite, easily won their matches. Seixas routed Geoffrey Cass, a club player, 6-1, 6-0, 6-1 and Trabert walloped Paul Wooller, another minor Briton, 6-0, 6-2, 6-2.

Stellarton Wins 12-2 From Liverpool

STELLARTON, N. S. (CP)—Stellarton Albions jumped on Liverpool starter Jim Cassidy for eight runs in the first inning Monday and went on to wallop the Larrupers 12-2 in a regular game of the Halifax and District Senior Baseball League.

Cassidy was lifted with two out in the opening inning and Tom McShara worked on the mound until the ninth when George Lewis finished the game.

Albions scored their eight runs on four hits in the first, but two of them were homers by Joe Fullum and Jim Edwards, each with two on.

Hall went the distance for Albions, giving up five hits.

Ed Furgol Wins U. S. Open Golf Championship Sat.

By WILL GRIMSLEY

SPRINGFIELD, N.J. (AP)—Ed Furgol won the 54th U.S. open golf championship with a 284 Saturday as the hopes of two young pros, Gene Littler and Dick Mayer, died on the 72nd hole.

Furgol had four steady rounds of 71, 70, 71 and 72 over Baltusrol's tough par-70 course to foil Ben Hogan's bid for a fifth championship.

The victory by the 37-year-old pro from Clayton, Mo., whose left arm is 10 inches shorter than his right, may well have signalled the end of the "Hogan era" in golf. Hogan, playing wretchedly, finished with final rounds of 76 and 72 for 289.

The 23-year-old Littler, a pro of less than six months after winning the national amateur title last summer, came to the 545-yard final hole, needing a birdie four to tie.

He pumped a beautiful tee shot down the middle of the fairway. But his bold second shot for the green veered into a trap on the left of the green.

He pitched within eight feet of the pin and, while the huge mob held its breath, made his bid. The putt rolled two feet past, without a chance, and he got a five there for a par 70 and 285.

This gave him second place, a stroke ahead of young Dick Mayer and Lloyd Mangrum, the leatherly old touring pro from Niles, Ill.

Mayer, 29-year-old St. Petersburg, Fla., pro with the matinee idol looks, came to the 72nd needing only a par five for a score of 284. Instead he took a heart-breaking seven.

Rudy Horvath of Windsor, Ont., finished in a tie for 13th place with Al Mengert of Mamaroneck, N.Y., Horvath had 75-72-71-73—291 to win $240 in prize money.

Sam Snead, who had been one of the favorites, shot a 72 and 73 on his final 36 holes to wind up with 290 and a tie with Cary Middlecoff for 11th place.

Furgol is 37 years old. As a boy of 12 in his native Utica, N.Y., he fell from some parallel bars and landed on his left elbow.

Doctors tried to save the arm with three operations but failed. Then he was advised to take up golf to exercise the limb or risk its amputation.

The arm is permanently cocked at the elbow, making Furgol one of the most unorthodox of all U.S. open champions. He is forced to stand close to the ball and chop into the ball viciously with his powerful right.

The pros regard him as one of the best swingers in the game despite his handicap.
