Big Week Nears

ONE week from today and the 1963 Old Home Week celebration will be at the midway mark.

Preparations are going ahead at a fast clip and the fair grounds and exhibition office on Great George Street in Charlottetown are about the two busiest locations on Prince Edward Island. However, there's a satisfaction in all the rushing because things are beginning to really jell for this great annual celebration.

IT'S the first year as president of Charlottetown Driving Park and Provincial Exhibition association, for Allison Profit of Freetown.

Allison was chosen by the directors following the death of Cecil Stewart who had held that office since the retirement of Dr. J.P. Lantz. He realizes the tremendous amount of energy that must be expended during the next ten days but he willingly accepted the responsibility that goes with such honour.

Mr Profitt, his vice-president Dr. H.H. Pierce and all other members of the board of directors are desirous of making this year's Old Home Week festivities the greatest in the long history of the association. They are working hard toward this end with the weatherman giving his co-operation, the 1963 show should surely eclipse anything yet offered.

Quite The Celebration

NO summer would be complete without the Old Home Week attraction.

Started by Lt. Col. Dan MacKinnon during the war years, it has grown by leaps and bounds and now attracts customers from all parts of Canada and the United States. It has fun for everyone but to the kiddies the big week is most eagerly looked forward to each August. Already they are talking about the things they will see and do next week at the fair grounds. They are busy asking questions about all the goings-on and parents are fully occupied informing them about what to expect during the 1963 August celebration.

It's indeed a family time as parents take the afternoon or evening off to go to the exhibition with their children. It's a must for all families to take this week of fun. It has become a custom, the thing to do and parents see to it that their boys and girls get to the exhibition.

It's a sacrifice for many but they make the sacrifice without a whimper because they consider it one of the biggest events in the lives of their offspring.

Great Harness Racing

OF course, there'll be no busier person than race secretary and classifier, E. Frank 'Duck' Acorn. 'Duck' has a mammoth job on his hands lining up eleven race programs for the big week. That means racing every night of the week and every afternoon with the sole exception of next Monday.

Clerk of the course, Ida Yeo, will surely not have many idle moments until Old Home Week is concluded. Hers is a rugged chore but Ida does it each August in a most efficient manner.

About 50 horses from Nova Scotia and New Brunswick will come over to the show hoping to get the better of the Island-owned speed. This year that should be quite an assignment because we think we have the best race horses in the Maritimes right here on Prince Edward Island. But the invaders will be tough—make no mistake about that. They are not coming over merely for the trip. They have their eyes on those purses and Island pacers and trotters had better be on their best behaviour.

OF course, the two main attractions will be the two big free-for-alls. The Evening Patriot Invitational and The Gold Cup and Saucer. We will have much more to say about these later. The Invitational goes on Monday night and the 'daddy of them all', the Gold Cup and Saucer classic will be raced Friday night. The driving park will be jammed for these two features.

Before we sign off for the day, we hasten to add that no show can be a success without a competent office staff. There's no worry on that score in this case because that staff, under the supervision of Mrs. Reg Kemp, has things in apple pie order.

A great time awaits you. Make it a point to take in as many of the programs as possible. You'll have the time of your lives.

MAKES TRY FOR THE BALL

Edmonton Eskimos halfback John White leaps to receive a pass during Monday's game against the Saskatchewan Rough Riders. An unidentified Rider player tries to knock the ball down. Also in the play are Tommy Coffey (77) and Don Vassas (32) both of Edmonton. The Rough Riders won the game 19-16.

National Park All-Stars Win To Grab Series Lead

The National Park All- Stars took a big step towards winning their semi-finals series with the Main Brace Mariners last night by coming up with a 5-1 victory. This gave the Park team a 2- 1 edge in the series. They could end it tonight when the third game is scheduled to be played.

Frank Bradley was on the mound for the winners and only gave up a total of six hits over the seven inning route. He issued two free passes to first while not striking anybody out.

Lloyd Gregory pitched the entire game for the losers and was touched for five hits. He walked three while fanning two.

The game was close until the third inning when the winners picked up their first run. C. Morrison walked to start this frame and later scored as K. Hughes and L. Miesiner hit back to back singles.

The Mariners tied the game in the fourth inning when Paddy Shepherd smashed a long home run.

The score remained deadlocked until the fifth when the All-Stars broke the game wide open with four big markers.

Hughes and Miesiner reached base on errors to start things off and then Mitchell doubled. After Caswell and K. FitzPatrick were retired H. Morrison put the game on ice with a crushing homer.

The Mariners fought back and got two more hits in the last three frames but Bradley kept things under control the rest of the way.

The two teams will fight it out tonight at 6.15 in what looks like the most important game of the series for both teams.

Announce New Healing Substance... Shrinks Piles, Checks Itch

Exclusive healing substance proven to shrink hemorrhoids... and repair damaged tissue.

A renowned research institute has found a unique healing substance with the ability to shrink hemorrhoids painlessly. It relieves itching and discomfort in minutes and speeds up healing of the injured, inflamed tissues.

One hemorrhoidal case history after another reported "very striking improvement." Pain was promptly and gently relieved . . . actual reduction or retraction (shrinking) took place.

Among these case histories were a variety of hemorrhoidal conditions. Relief was occurred in cases of long standing, and most important of all, results were so thorough that this improvement was maintained over a period of many months.

This was accomplished with a new healing substance (Bio-Dyne) which quickly helps heal injured cells and stimulates growth of new tissue. Bio-Dyne is offered in ointment and suppository form called Preparation H.

In addition to actually shrinking hemorrhoids, Preparation H lubricates and makes elimination less painful. It helps prevent infection which is a principal cause of hemorrhoids.

Just ask your druggist for Preparation H Suppositories or Preparation H ointment (with a special applicator).

Satisfaction guaranteed or your money refunded.

Rovers And Stars Battle To Nine Inning Deadlock

The Rovers and Stars fought tanned six. Weatherbie was hit to a nine-inning tie in baseball action last evening.

Billy Weatherbie awaas on the mound for the Rovers while George Power pitched for the Stars. Both pitchers went all the way with Power turning in the better performance. He gave up only four hits, walked five and triple and scored when Allen Connelley singled. Connelly later crossed the plate as the result of two errors by the Rovers left fielder and a single by Jamie Kennedy.

The Rovers held on to this lead until the eighth inning when the Stars pushed two counters across to tie up the contest. Ian MacDonald and Harry Callaghan hit back to back singles to open the frame and after the next two hitters were retired, John Arsenault smashed another single to account for both runs.

Both teams tried hard in the remaining inning to break the tie but Weatherbie and Power both shut the door.

The next game takes place tonight when the Dodgers meet the Flyers. This game should be a thriller and fans should see some top notch baseball. Game time is 6.15 p.m.

Bob Brook Wins Walter Dale Pace

FREDERICTON (CP) — Bob Brook, a five- year-old pacer owned by Donald R. MacKenzie of Glace Bay, N.S., Tuesday night took both ends of the $2,500 Walter Dale Memorial Pace here, to become the first horse ever to win it two years in a row.

The Cape Breton sidewheeler, a pre-race favorite after winning a $2,500 Invitational at Sackville Downs, near Halifax, July 31, took the first heat in 2:06 and bettered this with a 2:05 mark in the second half.

The pacer beat six of the best harness horses in the Maritimes to win the Walter Dale - June Byrd, Dominion Byrd and Tarhmany Hall, from Charlottetown, Bob Lee Boy from Dartmouth, N.S., and Lord Dalzell and Peter On Top, owned in Moncton.

June Byrd placed second in the first heat and Tammany Hall held that position in the second half. Dominion Byrd raced to third place in both ends.

Bob Lee Boy, a Dartmouth, N.S., horse finished fourth in the second heat, one notch above his first half position. June Byrd was fifth in the second dash. Moncton's Peter On Top and Lord Dalzell trailed in the last two spots in both halves.

Gerry B and Dee's Lady were double-dash winners on the eight dash card. Other wins went to J.P. Brooks and Tribune.
