

Notice-Removal.

THE EXAMINER is now issued from its new office in the LONDON HOUSE, where we shall be pleased to see its patrons.

Local and Other Items.

IN PORT.—The M. A. Starr, with freight and passengers, arrived here to-day.

POLICE COURT.—Norman Valley, drunk and incapable, \$2 or 8 days; W. Flynn, do., \$1 or 4 days.

CROWDED OUT.—The hotels are so crowded with guests to-day that we are unable to find room for our usual list of arrivals.

BUSH FIRES.—Bush fires in Frontenac Ont., have been quenched by the heavy rains, after causing a large amount of damage.

BUSINESS RUSHING.—The hurdy-gurdy and toy balloon men and the "hop beer" vendors are doing a rushing business to-day.

L. O. F.—Wildy Lodge meets this evening at 8 o'clock. The first degree will be conferred. Visiting brethren cordially welcomed.

ELECTRIC LIGHTS.—The posts for the electric lights on Queen Square, have been erected, and the lamps will shortly be placed there, etc.

TO BE REPEATED.—We are pleased to learn that the Alberton Tea party is to be repeated on Monday next, when, we hope there will be a large attendance.

THE NEW RINK.—A meeting of the stockholders of the new skating rink will be held this (Thursday) evening, at 8 o'clock p. m., in the Board of Trade Rooms, McEachern's Building.

TO THE DEAR.—A person cured of Deafness and noises in the head of 22 years' standing by a simple remedy will send a description of it FREE to any person who applies to NICHOL, 407, 20 St. John Street, Montreal. 4m—m14

THE ZELICA WRECKED.—A despatch reports that the brig Zelica, Captain Murchison, from Bahia for New York, has been wrecked at Natal, Brazil. The crew have been saved. The Zelica was owned by Messrs. Peake Bros. & Co.

CALEDONIAN DAY.—The Scottish games are in progress on Longworth's field to-day, and the city is thronged with visitors. The members of the Club, with visiting clansmen, preceded by the pipers and the Band of the 82nd Battalion marched from their room to the grounds, shortly after ten o'clock, presenting a splendid appearance.

PROGRESSIVE TRURO.—Truro is another town that is making good progress. The aggregate export and import trade of the past five years has been more than double as great as in the five years previous to the introduction of the National policy, and in the past twelve years the value of assessable property in the town has increased from \$800,000 to \$1,300,000.

AQUATIC.—A Boston despatch of the 13th inst. says: "James Keenan, of this city, is expected at San Francisco early next week, and it is thought that Wallace Ross will be with him when he reaches there. It is true that Mr. Keenan has expressed a wish to back Ross against Peterson, the California sculler, and it is just possible that the two men will come together before the season closes."

SALVATION ARMY.—Referring to the Salvation Army meeting in the Mechanics Institute St. John, on Wednesday evening, the Telegraph says: "The waving of handkerchiefs, the loud prolonged cheers the beating of the drums, the tooting of the instruments and the dancing of Happy Bill and Devil Teaser Beattie made a scene at once pleasing and amusing." The Devil Teaser has been promoted to the rank of adjutant.

GRIPSACK.—This interesting monthly for August is to hand. Friend Joe Knowles takes a general view of the situation as regards hotels, travellers, etc. Speaking of Charlottetown, Gripsack remarks "Travel has been much larger than usual. The Hotel Davies and the Osborne are filled to the roof." Big John J. Davies makes his many patrons comfortable. May his corpulent form increase in ponderosity, and his good heart still remain large."

MACKENZIE SEISING IN CARDIGAN RIVER.—We regret to inform our Annapolis correspondent that according to the reading of the Inspector of Fisheries, the Nova Scotian referred to has a right to net or seine in Cardigan River. The only check might be under section 12, sub-section 2, of the Fisheries Act, which provides that seines and nets shall not be set in such a manner or in such places as to obstruct boat navigation, which includes boat fishing. The schooner may be used for any actual damage done to boats at anchor or otherwise.

SERIOUS ACCIDENTS.—Fred, the six year old son of A. A. Tuttle, undertaker, met with a serious and perhaps fatal accident yesterday morning. Mr. Tuttle's horse was frightened by a shunting engine and ran away, knocking the young lad down and inflicting two cuts required 14 or 15 stitches. Mr. Tuttle's hired man, Clarence Chandler, went for Dr. Teed on horseback, and while returning was thrown from the horse, while turning the corner of Lutes street, injuring his hips and receiving internal injuries.—Moncton Times.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind. [April 1 '88]

HALIFAX, N. S., Aug. 15. Archibald's majority in Colchester will be nearly 600. Fulton polled 260 votes, with four places to hear from. TRURO, N. S., Aug. 15. Colchester is again true to herself and the Conservative party, having elected Sir Adams Archibald to Parliament to-day by an overwhelming majority. All but four places have been heard from, and Sir Adams' majority is in the vicinity of 500. The vote cast is much smaller than usual, the farmers being too busy to go to the polls. When the League was founded in 1883 there were 52 branches; this year 595 branches. The financial condition now is seven fold better than it was in 1883. The Parnellites deny that the object of the action of Parnell and other members of the party against the London Times is to obtain tactical advantages.
