NEW YORK

NEW YORK (AP)—A helping hand from the tobacco section enabled the stock market to an unevenly higher performance Monday.

There was no clear cut movement from start to finish.

However, the market averages finished higher with the Associated Press 60-stock indicator reaching an all-time peak.

At the same time more issues declined than advanced. Key issues posted small changes although some were ahead by a point or so.

The trading pace was average, totalling 4,280,000 shares compared with 4,300,000 Friday.

Affecting the tobacco stocks was a business publication prediction that government officials will not rush to pass remedial legislation when a Public Health Service report on smoking is issued next month.

Lorillard gained 1¼, American Tobacco was up ⅝, Reynolds gained ¾, Liggett and Myers picked up ½ and Philip Morris jumped 2¼.

Helping tobaccos carry the load were steels, chemicals, oils and rails. Key issues were motors, aircrafts, electronics and airlines.

The Associated Press average reached 285.2, up .8. The Dow Jones industrial average gained 1.47 at 761.64.

Sperry Rand, most active stock for the fourth consecutive session, declined ⅜ at 19⅝ on 88,800 shares.

Fairbanks Whitney gained ⅜ at 5⅞ on 69,000 shares. Brunswick lost ¼ at 10¾ on 53,400 shares.

W. R. Grace gained ⅛ and Dubois Chemical was unchanged as a decision on their merger proposal was delayed.

TORONTO

TORONTO (CP) — Marked gains by chartered bank issues, led by Toronto-Dominion Bank, tended to overshadow activity in the speculative section as the volume on the stock market reached its highest point Monday since June 14.

The industrial index rose .43 on the day—a gain of approximately 11 points on the old index. The exchange index advanced .40 while the turnover topped 5,500,000 shares.

Toronto - Dominion Bank surged ahead 3⅝ to 66¾ after reaching a high for the year of 67½ during the afternoon. There were several rumors floating around Bay Street as to the reason for the advance, but bank officials refused to comment until a press conference slated for today.

Other bank issues made healthy gains, Nova Scotia ahead 1¼ to 71⅜, Royal one point to 73½, Montreal ½ and Imperial Bank of Commerce ⅜.

Elsewhere on the industrial board, Canada Packers A was up 1⅛ to 63¼ and Trans-Canada Pipe Lines ⅜. BA Oil rose ⅛ to 27⅞ on 7,939 shares, including a special size transaction of 6,000 shares at $27.50 a share.

Nisto Mines was the major attraction among speculative issues, up 10 cents to 18 cents on 1,521,600 shares. The stock started to move following reports that the company is negotiating the purchase of land adjoining Transterre Exploration in the Senneterre region of Quebec. Last week Transterre announced a gold strike in the area.

In speculative oils, Devon-Palmer jumped 41 cents to $1.26 on 53,076 shares following news that Triad Oil intends to make an offer of $1.35 a share for the company's outstanding common shares. Triad was ahead 10 cents to $1.65.

Hudson Bay Oil and Gas rose ¼ in senior western oils.

On index, the exchange index advanced .40 to 126.15, industrials .43 to 135.06, western oils .70 to 80.56, base metals .03 to 57.32 and golds dipped .16 to 124.89. Volume for the day was 5,687,000 shares compared with 4,674,000 Friday.

WHAT SHOULD BE KNOWN ABOUT TUBERCULOSIS CONTROL

The fight against tuberculosis is by no means won, but actually becomes more difficult as improving death rates and new case rates engender a degree of apathy.

The P. E. I. Tuberculosis League continues to play an important supportive role in the control of the disease.

The most important fact to realize is that Tuberculosis which is regressing in Europe and North America is becoming public enemy No. 1 in Africa, Asia and Latin America.

There are 3,000,000 deaths throughout the world every year from tuberculosis.

Help prevention and research.
