

THE CAMPAIGN.

Prince County—The Liberal-Conservative Candidates.

CORNELIUS HOWATT, ESQ. EDWARD HACKETT, ESQ.

THE DAILY EXAMINER.

JULY 9, 1878.

Mr. Perry and the Patriot.

AFTER all the Patriot has done for Mr. Perry it was rather too bad of Mr. Perry to denounce it as he did at Tignish.

The Maritime Provinces.

Our Halifax correspondent, who has large sources of information, indicates splendid gains for the Opposition in both New Brunswick and Nova Scotia at the approaching General Election.

Mr. McKenzie must be aware that in the Maritime Provinces he is overweighted in the matter of men. He bases whatever hope he may indulge in, in the patronage of the Government and the assumed belief that the people of these Provinces are favorable to his fiscal policy.

PANORAMIC VIEW OF CHARLOTTETOWN.

One of the best things we have seen for some time in the way of pencil drawing is the panoramic view of Charlottetown sketched by Mr. Ruger.

Argus and Patriot.

What in the deuce does Heartz complain of now? What is the cause of this how-wow-wow? Ain't the wall of the Asylum firm and good?

Heartz. No! the work ain't done up as it should; You have patched up the face of the wall, 'tis true, But the centre is hollow, for the rats to run through.

Joint Editors of Ditto.

Why! my dear fellow, can't you see. We have hired inspectors, one, two, three. If you think we hadn't enough before, How easy to add one inspector more;

Heartz. Ah! that is the reason the public growl, To see such two schemers cheek-by-jowl.

Editors.

Come, now, don't you think that Richard Weeks Is a meddlesome fellow and full of cheek; We wished him asleep in the tents of Kedar, Before he blowed on our scheme of sawn cedar.

Editors.

Both Patriot and Argus are bitter pills, And have studied too long with Stewart-Mills.

Editors.

Old friend, you aint a bad kind of chap, Though over the knuckles you have given us a rap; Just shut up at once, and scribble no more, And we'll be better friends than ever before.

Editors.

Out of my sight, or have cause for sorrow, I despise your anger to-day, or your smiles to-morrow.

Editors.

Come let us go, for now we know That man can not be tempted; From this henceforth, from every job C. Heartz will be exempted.

Editors.

Your patronage ain't worth a snap; Begone! or your knuckles are sure of a rap. (Exeunt Argus and Patriot in a heat.)

City Council.

A special meeting of the City Council was held last evening. Present: the Mayor, Councillors Peake, Stumbles, Davy, Smith, Byrne, Morris, Hooper.

A letter was read from Messrs. Wright and McGowan, offering to supply the City with Acadian round coal for \$2.70 per ton of 2240 lbs., landed on Pownal Wharf. It was ordered to lie on the table.

A petition was read from Richard Mitchell—who is at present confined in the Queen's County Jail for selling liquor without license—asking that the Council would remit the fine, and allow him to come out. On motion of Councillor Stumbles, seconded by Councillor Byrne, it was resolved that the said Richard Mitchell be allowed to come out of prison provided he gives sufficient security for the payment of the fine and costs. Carried.

A letter was read from the Agent of J. H. Murray's circus, asking that permission be given him to hold the said circus at Rockford Square.

His Worship thought it particularly objectionable that any show should be held at that place, near the door of a Church where divine service is held morning and evening.

Councillor Stumbles was of opinion that showmen should not be allowed to pitch their tents on any public square within the City limits.

It was therefore moved by Councillor Stumbles, seconded by Councillor Peake, and carried unanimously—

"That permission be withheld from John H. Murray to hold a circus on any of the public squares of this City."

His Worship stated that Owen Connolly, Esq., would give a piece of land wherewith to open a street, 90x40 feet—from Dorchester to Haviland streets—in exchange for the Fire Engine House on Pownal Square, he agreeing to erect in its place a brick building facing the square—90x50 feet.

It was moved by Councillor Hooper, and seconded by Councillor Smith—

"That a Committee of three be appointed to consult with the Recorder in regard to the said offer of Mr. Connolly, and report at the next meeting of Council."

A letter was read from the Bazaar Committee of Zion Church, asking to refund half the amount which they paid for Market Hall for holding a bazaar, said amount being too high. The sum of \$15.00 was, on motion, refunded. Another motion was also carried, that no similar requests be entertained by the Council.

A letter, which was read from John Sinott and A. Callaghan, states that they would complete Pownal Wharf extension for \$5.50 cents per foot. It was ordered to lie on the table.

Read a bill from Mr. John Sinnott for building Pownal Wharf, amounting to \$6,700. This bill was, on motion, referred to the Wharf Committee.

It was moved by Councillor Morris, seconded by Councillor Byrne—

"That Whereas, William Potter was convicted of selling liquor without license, and sent to jail on the evidence of a person who has since been indicted, by the Grand Jury for perjury in the said case;

Therefore Resolved, That the Recorder of the city be requested to have the said Wm.

Potter released from prison as soon as possible.

A letter was read from the Keeper of Victoria Park relating to the breastwork and grounds, and a motion was passed requesting the Park Committee to report on the cost of completing the breastwork around Victoria Park.

Councillor Morris gave notice that, at the next meeting of the Council, he would bring in a by-law for the management and regulation of Victoria Park.

The meeting then adjourned.

Three Men Seriously Stabbed by a Negro.

INGERSOLL, Ont., July 2.—A fearful outrage was committed about 12.40 this morning by a negro named Neil, formerly of London, but working here now as a barber. He called at the McMurray House and was refused admission. He then took a dirk-knife out of his pocket and stabbed Mr. McMurray in a most frightful manner. Mr. Capron, the constable, and the McMurray House hostler, while trying to arrest the negro, were also cut in a shocking manner. The town bells are now being rung to arouse the citizens, for the purpose of scouring the country for the wretch, and if he is caught it is feared he may be lynched. The negro's house in town has been broken into and searched. He formerly kept a barber shop on King Street, London. Mr. McMurray, Mr. Capron and the hostler are all seriously injured.

At Ingersoll, July 3, a large mob, numbering about 150, were on the streets notifying all the colored people to leave town by Saturday noon. They have threatened to break into the Hook and Ladder Company's Hall and take their apparatus to pull down a rookery on King street and one on Thames street North, where Neil escaped from the mob last night. No further damage is reported, except the smashing of windows. The feeling here is intense. Constables Heaney and Capron are on the track of Neil. Mr. McMurray is in a very critical condition, and the McMurray House hostler is improving.—Toronto Leader.
