CHILDREN'S TEETHING. MRS. WINSLOW, An experienced Nurse and Female Physician, presents to the attention of mothers the following

SOOTHING SYRUP, FOR CHILDREN'S TEETHING, which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is

USED TO REGULATE THE BOWELS, Depend upon it, mothers, it will give rest to yourselves, and RELIEF AND HEALTH TO YOUR INFANTS. We have put up and sold this article for over twenty years, and can say, in CONFIDENCE and TRUTH of it, what we have never been able to say of any other medicine—NEVER has it failed, in a SINGLE INSTANCE, to exert a CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of commendation of its singular effects and medical virtues. We speak in this manner "WHAT WE DO KNOW" after ten years' experience, and from TESTIMONY FOR THE PUBLICATION OF WHAT WE HAVE DECLARED, in almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most experienced and skillful nurses in New England, and has been used with the most successful results in all cases.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve GRIPING IN THE BOWELS, and WIND COLIC and overcome convulsions, which, if not speedily remedied, end in death. We believe it the best and surest remedy in the world, in all cases of SPASMODIC and DIARRHOIC AFFECTIONS, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT let your PREJUDICES, nor the PREJUDICES of OTHERS, stand between you and your suffering child, and the relief that will be so speedily and ABSOLUTELY sure—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CUTLER'S "TEETHING," New-York, is on the outside wrapper. Sold by Druggists throughout the world. Principal Office, 13 Cedar Street, N. Y. Price only 25 Cents per Bottle. W. E. WATSON, General Agent for the Island.
