

THE GENIUS OF LIBERTY.

THE EDITOR'S INSTRUCTIONS TO THE NEW REPORTER

"Now," said the editor of the Quoboth Genius of Liberty to his reporter, "in your work I shall look for a certain amount of originality. My paper is not to be a mere copy of other papers. It is to be a journal of its own kind. Do you understand that, my reporter?"

A Dangerous Joke.

A few months ago a person hardly dared say they had La Grippe for fear of ridicule. And now that one-half of our population have had it, the other half are in mortal terror for fear they too will have it.

It has been the relapses and after dangers from La Grippe that have been so appalling. The death rate in many larger cities has exceeded 100 a week from the "grip" alone; and the end is not yet. Physicians are learning to fear (much more than the epidemic itself,) the serious and fatal extension of the inflammation downwards to the throat and bronchial tubes, causing croup and catarrhal pneumonia, true sequelae of the malady, which terminate in death or produce severe laryngitis, bronchitis, asthma and a form of catarrh which contributes largely to chronic disease of the ear, nose and throat, causing loss of hearing, smell and taste.

Physicians who have been most successful with the epidemic say, the surest treatment has been with tonic and anodyne remedies. The medicine most relied upon have been Quinine, Atropine, Salicylate of Soda, Johnson's Anodyne Liniment, etc. A prominent Boston paper announced in January last that more persons had successfully used the last named medicine than all the others combined.

It seems reasonable for the effects from La Grippe, the fact that it is and can be used more internally than any other way. At any rate, it has no symptoms of the after dangers of the "grip" we advise them to get a bottle of the Anodyne at once, or send to the sole manufacturer, J. S. Johnson & Co., Boston, Mass., for full particulars which they send free, and which may save you a big dollar's bill.

Miss Highfly's dress is a perfect dream. Did you see it? Reporter—No; I searched through the magazines for half an hour and didn't find a person dressed to represent a minnie pie. I guess she's gone home.

The Children's Enemy. Scrofula often shows itself in early life and is characterized by swellings, abscesses, hip disease, etc. Consumption is scrofula of the lungs. In this class of disease Scott's Emulsion is unquestionably the most reliable medicine.

Briggs—I have never told you about the smart things my little boy says and does, have I? Briggs—You never have. Briggs—Then don't you think you can find it convenient to lend me \$25.

HAWKES' BALM OF TOLU AND WILD CHERRY is the safest, surest and best known remedy for the cure of coughs, colds, bronchitis and all throat and lung troubles. The children's favorite. Sold by all druggists and dealers.

"There goes old Lightfinger, that used to steal everything he could by his hands on. Has he improved any?" "Well, I should say he has. He's worth half a million now and is a way up kleptomaniac."

D. M. JOHNSON, Esq., M. D., Port Hawkesbury, writes: "I have used Putner's Emulsion with great satisfaction where Cod Liver Oil is called for. I recommend it as so dispensing the oil that patients never refuse to take it."

Harry—Darling! I love you. Darling—Yes, I know it, Harry; but I was in hopes you'd have a message to tell me tonight. I haven't seen a soul to-day, and I'm just dying for news.

HAVE YOU A COUGH?—Then use Everybody's Cough Syrup, a pleasant and effective remedy. Price 25 cents a bottle. A full line of the popular Cod Liver Oil Emulsions, Cough Syrups, Balsams, &c., guaranteed good and fresh, always in stock.—Johnson's Drug Store, Cor. Kent and Prince Streets.

Penelope—Heaven, Jack! Have you forgotten how to walk? You have stepped on my toe. Jack Dashing—Pardon me, Pen. Your feet are so small I could not see them.

USE SKODA'S DISCOVERY, the great blood and nerve remedy. "Johnson is very ambitious. He is always figuring to do something great in the future." "Yes, he does so much in the future that he doesn't have time to do anything in the present."

COD LIVER OIL has long been justly celebrated as a lung healer. Alone it is difficult to take, but combined with the Hypo phosphates in Putner's Emulsion, it is agreeable to the taste, and unequalled by any other medicine for weak lungs.

HAVE YOU BACK-ACHE DODD'S KIDNEY PILLS WILL CURE YOU

"Backache means the kidneys are in trouble. Dodd's Kidney Pills give prompt relief." "75 per cent. of disease is first caused by disordered kidneys." "Might as well try to have a healthy city without sewerage, as good health when the kidneys are clogged, they are."
