

Buddy O'Connor Turns Down Coaching Job

MONTREAL, (CP) — Buddy O'Connor, former National Hockey League player, said Wednesday he has been offered and declined the job as coach of Quebec Citadelles, junior team playing in the Ontario Hockey Association.

O'Connor said he was approached about a week ago by owner Frank Byrne of Citadelles and was given a couple of days to think about the matter. He said he didn't want to leave his present business position in mid-season.

He said Byrne didn't indicate one way or another what would be about Phil Watson, present coach. At the same time O'Connor said he is anxious to get back into hockey again and that if the offer should come up at the start of next season he would accept. Last season he coached Cincinnati Mohawks of the International Hockey League. He was forced to give up that position because of ill health.

Citadelles have won only six games in 22 starts in the Ontario junior circuit and are at the bottom of the nine-team standing.

Says Canada Can Win Olympic Track Medals

TORONTO, (CP) — Alex Wilson, one of Canada's great middle distance runners of 30 years ago, says luck and a lot of out of the book of United States track teams could put Canada in the gold medal class in the 1956 Olympic games.

Wilson, a native of Montreal and now track coach at Notre Dame University, said Wednesday there are several good track prospects for the games in Australia provided they keep on the run.

He was addressing a forum of Ontario high school coaches.

He said that athletes such as Rich Ferguson of Toronto and Don McEwen of Ottawa were the time away from their peak at the time of the 1952 games in Helsinki.

Wilson suggested that a team should be organized to tour Europe in the years between Olympics to give athletes something to shoot for and an idea of the kind of competition they will meet.

"Softer" Events

Also, he suggested that Canada should concentrate on what he described as the "softer" events such as the hurdles.

Turning to the British Empire games scheduled for Vancouver next August, Wilson said that Jackie Croll of Montreal, now at the University of Michigan, was Canada's best bet.

Wilson, who competed in the 1928 Olympics at Amsterdam and the 1932 games at Los Angeles, said he has several Canadians on his track team at Notre Dame, including Jim Westerman of Calgary, a good prospect for the quarter-mile.

FURNITURE CENTRE

More than one-third of Canada's 1,430 furniture factories in 1951 were located in southwestern Ontario.

Sewell To Manage Toronto Ball Team

ATLANTA, (AP)—Luke Sewell, former manager of St. Louis Browns and Cincinnati Reds, Wednesday was named manager of Toronto Maple Leafs of the International League.

Sewell, 53, was out of baseball in 1953 working for a rubber company. He left the Cincinnati post late in 1952.

As manager of the Browns, he won their only pennant in American League history in 1944.

No salary terms were announced for the one-year contract with the independently-operated Canadian club, owned by Jack Kent Cooke.

Sewell succeeds Buriel Grimes, whose contract was not renewed by the Leafs after they finished fifth last season.

Beliveau, Lach Doubtful Starters

MONTREAL, (CP) — Montreal's two starry centres, Jean Beliveau and veteran Elmer Lach, are doubtful starters for tonight's National Hockey League game here with Toronto Maple Leafs.

Beliveau, who suffered a cracked ankle six weeks ago, worked out with the Canadiens Tuesday for the first time since his injury.

Lach, plagued by injuries since graduating to the NHL, injured an ankle in Chicago last Thursday.

Truro Baseball Club Loses Money

TRURO, (CP) — Truro Bearcats of the Halifax District Senior Baseball League lost \$3,837 last season, the club said Wednesday in an audited statement. Gate receipts were at a record and salaries about the same but a drop in contributions accounted for the loss.

Redlegs - Cardinals In Player Trade

CINCINNATI, (AP) — Cincinnati Redlegs Wednesday traded shortstop Alex Grammas to St. Louis Cardinals for relief pitcher Jack Crumian and cash.

Grammas batted .307 for Kansas City in the American Association last season. Grammas had been Redleg baseball property for several seasons.

The 26-year-old righthander won 12 games and lost five in relief work with Rochester of the International League last summer.

BRACKLEY POINT W. I.

The seventh annual meeting of Brackley Point W. I. was held at the home of Mrs. Edward McCallum on Nov. 12.

Roll call was answered by fifteen members with the payment of annual fees. Five visitors were present, three of which were welcomed as new members.

Reports of various committees were heard and new ones appointed as follows: school, Mrs. K. Stewart; sick, Mrs. G. McCallum and Mrs. E. Skeffington.

The following officers were elected or the coming year: president, Mrs. Fenton McClure; vice-president, Mrs. Walter McClure; secre-

tary treasurer, Mrs. George Shaw; directors, Mrs. Gordon Shaw, Mrs. Edw. McCallum (re-elected), Mrs. E. Skeffington (re-elected), Mrs. Gregor McCallum, Mrs. Red Cross Conventer, Mrs. Howard McDermore (re-elected).

The following articles were completed for the Red Cross during the year: 1 layette, 3 prs. overalls, 2 tunics, 5 pullovers, 16 prs. ankle socks, 25 face cloths, 25 hand towels, 50 pillow cases.

It was decided to donate \$2 to the Provincial W. I. project of sending two power cultivators to India.

An assistant was appointed for the leader of the C. G. I. T. Group. Special donations totalling \$3.00 was received. Collection was \$4.10.

Place of next meeting was left open for invitation, roll call to

SOUTH WINSLOE Y. P. U.

The Young People of South Winsloe were entertained at the home of Davis and Erith Hughes on Nov. 29, with a good attendance.

This was "Christian Citizenship" night and the devotional period was based on the theme "Christians At Their Daily Work", which clearly pointed out not to forget God at daily work whether on the farm, in the office, or in business.

The vice-president, Doris Hughes, presided during the business period. Final arrangements were made for the Covehead Fashion Parade and concert to be staged at our hall in the near future. It was decided that \$15 be paid for a Christmas auction sale.

load of wood recently purchased for the church and \$10 be donated to the M. and M. Fund. A committee was appointed to either repair or if found necessary to purchase a new stove for the church.

It was decided that a Christmas candlelight service be held in the church, and the members agreed to decorate the church for the festive season.

The new song books were then welcomed and given the once over, after which a musical stunt was played on each member separately. After the blowing of a balloon contest, all did ample justice to refreshments.

The modern cricket ball is built up by hand over a small core of cork.

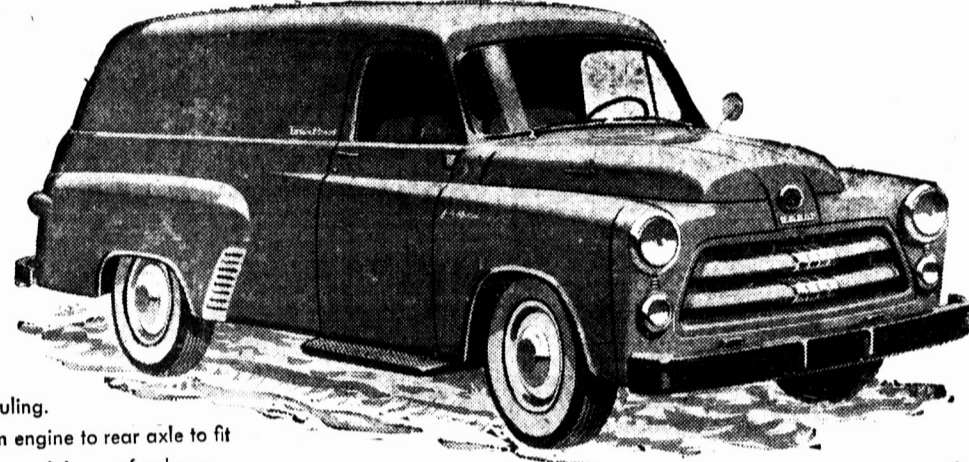

Cut Trucking Costs with a new 1954 DODGE

new handsome design new handling ease

You'll like the way these completely new, handsome-design, Dodge "Job-Rated" trucks cut your hauling and delivery costs. Their lower centre of gravity makes them easier to handle under all conditions, and they have the shortest attainable turning radius, right and left, to speed your hauling. Further, they cut costs because they are "Job-Rated" from engine to rear axle to fit your job . . . and truck-engineered to stay on the job with a minimum of upkeep.

In the wide range of Dodge truck models you'll find one that fits your job exactly — a truck that will save and make money for you.

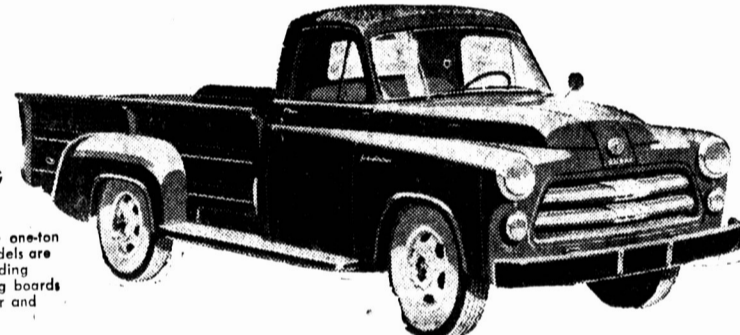

FOR FASTER DELIVERY

try the new, streamlined Dodge "Job-Rated" Town-Panel, shown above. It is easier to load and unload . . . easier to maneuver. It's so much lower that the driver can quickly slip in and out of the seat with passenger car ease.

ROOMY 3-MAN LUXURY CABS

New Dodge cabs have been designed to make driving safer and more comfortable . . . floors and running boards are lower, doors higher and wider. The big, one-piece windshield and high side windows with lower sills give safe, wide-angle vision. Extra roomy, 3-man seats are chair-high, with full luxury-type seat cushions.

LOWER BODIES MAKE LOADING EASIER

Body floors of both the one-ton and half-ton express models are much lower to make loading easier. Full-width running boards make side loading easier and safer.
