

FANCIFUL FLORAL PRINTS

Prints are at their prettiest this season, with emphasis on the fanciful floral motifs. Celi Chapman uses starched silk chiffon printed with bouquets of roses for an airy, informal evening dress that should carry its wearer through a happy season. The dress has a draped bodice, natural unbelted waistline and full, bias-cut skirt. A panel of the chiffon floats from one shoulder to be worn down or across the arm as a stole.

HAPPENINGS

The Centennial Y's Menettes are now in the midst of preparations for their third annual spring fashion show which will be held at the "Y" early in May. Everyone who has had the pleasure of seeing this show in previous years is looking forward to being present. Already many people have spoken for and are planning tables to entertain their friends in this very delightful way. Rumor has it that the clothes are to be especially smart this year and the models very lovely.

The following are the models: Mrs. Kenneth Jenkins, Mrs. Roy Vessey, Mrs. Ivo Cudmore, Mrs. Burton Howatt, Ms. George Shelton, Miss Agnes Arsenault, Mrs. Kenneth Judson Miss Frances Clark, Mrs. Leigh Donald, Mrs. Peter Brys, Mrs. Winston Smith, Mrs. William Coughlan, Mrs. Robert MacKinnon, Mrs. Gordon White, Mrs. Stewart Chandler.

Misses: Annie Laurie MacLean, Roberta MacPhee, Barbara Place, Brenda Large.

Mr. and Mrs. Benjamin Rogers leave Monday on a trip to the Southern States.

Miss Connie Rogers, who has been visiting her sister Mrs. H. P. Williams - Freeman and Lieutenant Williams - Freeman in Calgary, arrives home by plane this weekend. En route Miss Rogers will visit for two days in Montreal.

Following a meeting of the Kirk Auxiliary, Wednesday evening, in the St. James Hall, Mr. and Mrs. J. A. Lawson gave a most delightful account of their recent trip to the West Indies. Mrs. Harold Shaw, the president of the auxiliary, gave an unusually fine introduction, qualifying her remarks by saying that there was really no necessity "to introduce" the Lawsons.

The many views of the Barbara Belle Shaw, of Stanhope, who has been absent from the province since last October has returned home. Mrs. Shaw at first visited her daughter Mrs. John T. Bray in Indiana. Then in December she motored from Indiana to Florida where she visited Mr. and Mrs. Edward O'Donnell and Mrs. Georgia Dickie. Mrs. O'Donnell and Mrs. Dickie are sisters of Mrs. Shaw.

Mr. and Mrs. B. F. Daley are leaving this weekend to take up residence in Halifax. Mr. Daley has been appointed manager of the Trans Canada Credit Corporation, Halifax.

Alice Bagnall and Gordon Bagnall, students at the United Baptist Training School, Moncton, N. B., Catherine Calbeck and Ronald Dawson of Mt. Allison University, and Harold Leard, principal of Augustine Cove school, all

ELLEN'S DIARY

Alex Outfoxes Grandma - Grandpa Has Technique

"There, dear. Now lie still and rest" we said smiling down at Alex in a spell of baby-sitting this afternoon. We had removed small white boots, and arranged him comfortably in the old swing cot in a bedroom of the house across the lane. And now tucking a blanket about him, prepared to rock him to sleep.

Blue eyes regarded us soberly, a rosebud mouth clamped shut in a determined line. And with a dexterous twist and obviously well-practised, he was on his feet and smiling at us over the rail of the teetering cot.

"Oh this won't do at all" we said sternly.

"Sez you!" he gurgled in baby-talk, accompanied by an elfin grin.

"Come now, down you go again - you need a nap" we said patting the pillow.

It was a wasted gesture on our part because as his intimates know he is "as knowing as the pup."

His five teeth showed in the wide smile he offered us.

We lifted him from the cot, hugged him by way of kindly assurance and returning him to his pillow, reached for the blanket to cover him.

It was needless. He was again on his feet. "Ha, ha" he gurgled entertainingly. "See" he added, "what a smart fellow I am! I

spent their Easter holidays at their respective homes at Central Bedouque.

Mr. and Mrs. Fenton Simmons and two daughters Sheila and Nancy, Lower Freetown, are spending their Easter holidays in Boston with relatives.

Mrs. Dorothy Webster, Central Bedouque, is spending Easter week in Boston with Mr. and Mrs. Thomas Elliot.

Teddy Britten who is attending the Nova Scotia Agricultural College in Truro spent his Easter holidays at his home in Central Bedouque.

Mr. and Mrs. Hudson Bowley, Belvedere Ave., left recently to visit their sons Sheldon and Heath Bowley, Toronto. Traveling by way of Boston they visited their cousins, Mr. and Mrs. Edward Dingwell, Stoneham, Mass. Their many friends wish them a pleasant vacation and a safe return.

"See" James beamed "I can put him to sleep faster than any of you. It's my technique" he grinned arranging the cover deftly about the sleeping child.

A restless April day, this - with some blown snowfall. But not cold.

Until tomorrow - - - Diary - Goodnight. . . .

LET'S EAT

Good Cooking Requires Three Measurement Forms

By IDA BAILEY ALLEN
"Three forms of measurements are needed for good cooking insurance," I was saying to the chef.
"First come level measurements. Next, the use of the right size pan, casserole or other container, or the one nearest the size suggested in the recipe.
"Third comes measured heat, or temperature cooking with the right oven thermometer if the range is not equipped with adequate oven control."

NEWEST APPLIANCE
"For example, you need a meat thermometer to test the doneness of roasts as well as candy and frying thermometers. Also, the newest heat measurement of all, top of range heat control, is of immeasurable help.
"This appliance is phenomenal, Madame," added the chef. "It now comes one or more top burners of many makes of new gas ranges.
"Just set the control at the cooking temperature desired. Put the cream sauce, custard, stuffed apples or what-have-you in a frying or saucepan of the right diameter to cover the burner."

CONTROLS HEAT
"This presses down a centre 'sensing unit' which controls the heat so evenly and gently that foods do not stick, scorch, or need a double boiler. The 'senser' adjusts the temperature so that foods can be kept warm indefinitely without drying out."
Tomorrow's Dinner—New England corn chowder, escalloped oysters, green peas, lettuce-pineapple salad, simmered stuffed apples with sour cream, coffee, tea or milk.

All measurements are level; recipes proportioned to serve 4 to 6.
Simmered stuffed apples: Wash 6 good-sized cooking apples. Remove the cores to within 1/2-in. of the stem end. Pare a thin strip of skin from the top. Mix 4 tbsps. granulated or brown sugar, 1/2 tsp. ground cinnamon and 1/4 c. canned cranberry sauce, or diced figs, or small-cut tangerine sections. Place apples in a frying pan. Fill centers with sugar mixture. Pour in 1 1/2 c. hot water or use pineapple juice or cider.
Top apples with 2 extra tbsps. sugar. Dot each with g tsp. butter or margarine.
Simmer on top of range at moderate heat. Cover; cook until fork-tender.
Remove to a serving dish.
Boil liquid 1 min. Pour around apples.
Serve hot or cold, with or without sweet or dairy sour cream or whipped cream cheese.

HOUSEHOLD HINT
Sponges are a great help in cleaning, not only for the work they do, but for their suds-making capacity. By squishing a sponge in your hand several times you can convert thin suds into a heavy lather.
If you must make buttonholes in thin material, library past rubbed on the wrong side will make your task easier.

Worry of FALSE TEETH Slipping or Irritating?
Don't be embarrassed by loose false teeth slipping, dropping or wobbling when you eat, talk or laugh. Just sprinkle a little FASTEETH on your plates. This pleasant powder gives a remarkable sense of added comfort and security by holding plates more firmly. No gummy, soapy, pasty taste or feeling. It's alkaline (non-acid), Get FASTEETH at any drug counter.

THE COIN DOT
The Canadian chemist, interpreted in ease-of-care Arnel jersey, and splashed with over-size polka dots on dazzling white fabric. Wear it in fluid chemise styling or cinched at the waist with slim belt. The drip-dry Jersey fabric offers Arnel's crease-resistant, color-fast and cool crisp qualities.
