It's New! — "Power-Sealed" Dry Charge MOR-POWER HI-CAPACITY ARMOR GLASS

Delivers Zero Starting Power For Longer Than Any Other Battery

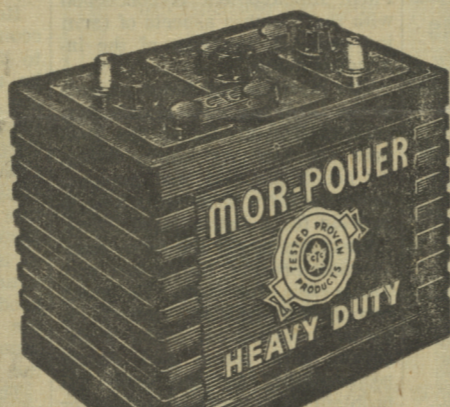

New, powered-process vacuum until "Locks In" all the power until the instant you need it —

Yes, the power is all there, right at your fingertips—with right off the assembly-line factory freshness. Only Canadian Tire has it—only Mor-Power can bring you engineering's hottest advance in boosting potential battery life and power. The new MOR-POWER DRY CHARGE "HI-CAPACITY" ARMOR-GLASS is the most power battery every built — Super-duty performance, up to 70% more power to start with, to super-zero cold engine faster, up to 20% longer. Ample reserve for all the accessories you'll ever need. 17 plates per cell, 51 plates loaded with 165 amp. capacity. Here's good news, too — Actually costs away less than original equipment new car battery. This winter — start right, with MOR-POWER HI-CAPACITY DRY CHARGE.

"POWER SEALED" DRY CHARGE

Reg. List \$27.50
SAVE \$12.55
14.95 And Your Old Battery
