

Bisley Trip Was Wonderful, Miss MacLennan Says

"It was simply wonderful and I enjoyed the trip immensely," was the brief remark made by Prince Edward Island's sharp-shooting school teacher, Lieut. Mary MacLennan of Alexandria, as she stepped off the late train at Charlottetown this morning at 12:40 a. m. in the van of returning marksmen from this Province who competed in the Dominion of Canada Rifle Association meet held at Ottawa last week.

"It was a wonderful year to be at Bisley and I am very proud to have been a part of it," continued Miss MacLennan as she smilingly made her way along the platform, "but it is nice to be home again."

Wearing her blue jacket and Bisley crest of the Canadian team, the lady marksman who has brought so much credit to this Province with her fine displays of shooting ability, was looking tanned and the picture of good health on her arrival here.

Other members of the Island team arrived on the late train, while still others were on their way home by car. Some had already returned home over the week-end.

Miss MacLennan, who distinguished herself and the Province by representing at Ottawa last summer by becoming the first woman to qualify as a shooting member of Canada's representative team to Bisley, added further laurels to her name last month in England during the classic holding of the British rifle classic by captaining an eight-man Canadian team to victory in the Rajah of Kalapora Imperial Challenge Cup, a competition for teams drawn from all parts of the Commonwealth. She was the first Canadian woman to compete in the Empire Shooting match, and posted commendable scores in many matches held during the competition.

On her arrival back in Canada she continued on to Ottawa where she joined the Prince Edward Island team to compete with them in the D. C. R. A. competitions held there all last week.

A member of a noted family of marksmen, her brother, Sgt. G. G. MacLennan was scheduled to strike home last night by car as a shooting member of the Provincial team at Ottawa.

Sergeant G. A. Coles of Summerside, another distinguished Island marksman who competed with the Canadian Bisley team in England this year and at Ottawa all last week with the Provincial team, arrived home during the week-end.

A loss in missing goods estimated at \$200 was suffered by Herb Campbell at his tobacco store. The larger business firms of F. R. Melaine, Horne Motors and Batt and McRae also suffered greatly from losses. All are maintaining staffs to check over supplies and try to reestablish themselves as soon as possible.

Horne Motors Ltd. is preparing to move into the old Government Garage on Fitzroy Street which they recently acquired from the Provincial Government. In the meantime they have established temporary office quarters immediately across the street from their former location.

A victim of the fire is a large moonshad, complete with widespread horns which remains balanced precariously in a window on the second floor of the B. I. S. building.

To most of the firms one of the important items is the loss of current revenue with their businesses inoperative. Generally they report an inability to give an accurate estimate of their losses.

Make Plans For Local Trade And Industries Fair

The Charlottetown Y's Men's Club had a special supper meeting last night at the Village Rendezvous, with the main business under discussion being the coming Trade and Industries Fair which is to be held at the Forum from Sept. 11 to 15.

Special guests were Mr. and Mrs. Tim Tyler, Mr. Douglas Agnew of Calgary, Alta., and Mr. Scott Darrach of Quincey, Mass.

The club's president, Dr. R. H. Barrett presided and called upon Mr. Roy Cudmore to express the regrets of the gathering on the coming departure of Mr. and Mrs. Tyler. Boys and girls work secretaries of the Y. M. C. A. Mr. and Mrs. Tyler leave shortly for Toronto where Mr. Tyler will further his studies in youth work. Mr. Cudmore stated that Mr. and Mrs. Tyler had done outstanding work with the young people of Charlottetown and their places would be difficult to fill.

Mr. Tyler responded fittingly. The president announced that the club's weekly bulletin "Offshore Breeze", edited by Mr. R. J. Rupert, had for the second time received an honorary award as one of the best ten bulletins among International Y's Men's Clubs. The award was made at the International convention held in Cleveland in June at which the local club was represented by Dr. Barrett.

Mr. Arthur Duvar, general chairman of the Trade and Industries Fair, outlined the general program of the fair, which will include exhibits of natural resources and manufacture and industrial products of many descriptions. The fair will feature also a zoo and a fiddling and step dancing contest.

Various committees were set up and the club will hold another general meeting prior to the big event.

Funeral In B. C. Of Island Woman

The following was taken from the August 19 issue of the Nelson Daily News, Nelson, B. C.: St. Saviour's Pro-Cathedral was filled Thursday afternoon as friends of Mrs. Azza Jeanette Rose, Nelson philanthropist and wife of the late Dr. W. O. Rose, pioneer city physician, paid her final tribute.

Very Rev. T. L. Leadbeater, Dean of Kootenay, officiated, and Rt. Rev. F. P. Clark, Bishop of Kootenay, also participated in the service.

Mrs. Rose was benefactor of numerous people during her 30 years in Nelson and several organizations received her active support and her patronage.

Among organizations represented at the funeral were Kokanee chapter, Imperial Order Daughters of the Empire of which Mrs. Rose was a past regent and life member; Scriptorist Club of Nelson which honored her with an honorary membership; Nelson Women's Institute, Mothers' Club and Mrs. Graham's Circle of St. Saviour's, and Nelson Women's Progressive Conservative Association.

Hymns sung were "Unto the Hills Around" and "Now the Day is Over."

Honorary pallbearers were W. P. Jarvis and W. E. Wasson, and active pallbearers, Harry Burns, John Dalgas, A. C. Emory, E. A. Mann, Glendon MacKay and George Russell.

At Nelson Memorial Park where burial took place in the family plot in the Masonic section, members of Kokanee chapter, I.O.O.F. formed a circle at the graveside.

There was a profusion of flowers in Thompson Funeral Home before the service.

(Mrs. Rose was a native of Prince Edward Island, an adopted daughter of the late Rev. Donald Crawford, formerly minister of the Church of Christ at New Glasgow, and Mrs. Crawford.)

1950 New Car Sales in Canada Set Record

OTTAWA, Aug. 20 — (CP)—Canadians bought more new cars in 1950 than in any previous year.

The Bureau of Statistics reported today that the sales totalled 324,933 new cars, compared with 292,318 in 1949. British cars accounted for about 20 per cent of the total.

Installation buying increased at a faster rate than sales during 1950. In 1949, 28.3 per cent of new passenger cars were financed. In 1950, the figure rose to 29.9.

The bureau said a downward tendency in the "financing-to-sales" ratio has developed in recent months following the introduction of credit-buying restrictions, which raised the down-payment to 50 per cent of the cash value.

However, sales records continued to be broken in the early months of 1951. Sales in the first three months totalled 97,210, up 34 per cent over the first quarter of 1950.

Dr. Notting Retires After Lengthy Service

After thirty-three years of service in the Health of Animals Division, Dominion Department of Agriculture, Major Errol S. Notting, V. S. B. V. Sc., D. V. M., senior officer in the Division for this Province, has retired due to ill health. At present no appointment to his position has been made.

Born in Dartmouth, N. S., a son of the late Thomas Notting, K. C., and the late Mrs. Notting, the well known Island veterinarian started his agricultural career at Nova Scotia Agricultural College, Truro, in 1911, going on to the Ontario Veterinary College in Toronto in 1913.

After graduation there, he proceeded overseas and served in the First World War with the Royal Army Veterinary Corps, with which Imperial unit he proceeded to France.

On his return, Dr. Notting took up post-graduate work in veterinary medicine at Toronto University, receiving his Bachelor's degree at that time. Later he received his Doctors' degree from that University.

In 1920, Dr. Notting joined the Health of Animals Service at Toronto and came to Prince Edward Island a year later as assistant to Dr. W. H. Pethick whom he succeeded on the latter's retirement in 1933.

Has Many Interests
Dr. Notting has taken a keen interest in the various associations connected with his profession and agriculture generally. At present he is secretary of the P. E. I. Veterinary Medical Association and resident secretary of the American Veterinary Association. He is a member of the Canadian Society of Technical Agriculturists and the Agricultural Institute of Canada.

A past vice-president of the Victoria Driving Club, Dr. Notting has served for a number of years with the Exhibition Association as veterinary in charge of animal health. He is also past president of the Charlottetown Kennel Club and the United Services Officers' Club, and a member of the Canadian Legion.

His hobbies include hunting and fishing, horse racing and dogs. In the latter connection he is well known as a breeder of Gordon Setters and Chow Chows.

A year after coming to Charlottetown, Dr. Notting married Helen Catherine MacLaren of Charlottetown and the family comprises one daughter and three sons; Miriam, now Mrs. George D. MacRae, Charlottetown; Thomas M., graduate of Mount Allison, in the Forestry Service, Department of Lands and Mines, New Brunswick; John H., student at Mount Allison Academy and Gordon S., the youngest at home.

Dr. Notting has taken over part of the equipment of Dr. O. S. Nordland. He is engaged in small animal practice, at his home 38 Mount Edward Road, Charlottetown.

Claims Adjustors Compile Reports On Fire Damage

Following last Saturday's serious fire it is understood that at least two local claims adjustors are compiling reports on the damage.

The adjustors are Mr. Arthur Campbell and Mr. H. B. Armstrong, of Armstrong Insurance Claims. They are independent adjustors having no connections with particular insurance companies.

It is considered possible that the various insurance companies involved may also bring other adjustors in order to obtain as comprehensive a series of reports as possible before settlements are effected with the claimants.

Living Quarters Damaged In Fire

Though perhaps not as hard hit by Saturday's fire as the business firms who suffered severe financial losses, the people who occupied apartments above those establishments have been seriously inconvenienced at the least.

Mr. and Mrs. Rankine McLaine, who had their home above the garage and office occupied by F. R. Melaine Ltd., lost practically all their personal possessions. The latter included the entire contents of their home which Mr. McLaine described as the collection of 35 years. He and Mrs. McLaine will continue to stay at their summer cottage on Brighton Shore.

Mr. Arthur Clinton, who had an apartment above the stand of the Checker Taxi Company was forced to move as his apartment was uninhabitable through fire and water damage. Mr. Jack Bradley, who has been living in an apartment above the Oyster Bar operated by Mr. Pictou Brown had to vacate at the time of the fire, but has since returned. Although there are holes in the roof they have been closed through the use of tarpaulins. The side of the house and the eaves were caught by the flames, but the damage is not irreparable and the apartment is habitable.

Electric power in the two apartments was restored late yesterday.
