SALE

STARTS MONDAY, APRIL 25 - ENDS SATURDAY, APRIL 30

We are not JOKING, our Inventory is too heavy and we MUST turn STOCK into MONEY. Our suppliers are the "SALT OF THE EARTH", however, they too must eat, S.O. we should pay our good friends. In order to do this, we must reduce our stock. **OUR GOAL IS \$50,000 WITHIN ONE WEEK.** So as to encourage our customers to buy for CASH, we are extending a **SPECIAL 5% ADDITIONAL DISCOUNT FOR CASH, OVER AND ABOVE THE CRAZY DISCOUNTS ON A LOT OF ITEMS.**

With "Annual Inventory" having been completed, we have found many, many items which, when combined, represent a great amount of money and should be "cleared". Therefore, drastic reductions are justified to liquidate the "odds and ends", the damaged and soiled merchandise, and the plain "Dogs" in our stock. (Many "Dogs" have turned out to be simply wonderful assets in many a home).
