

Dodgers Boost Lead To Six Games With Twin Victory As Giants Lose

(Associated Press)

Brooklyn Dodgers boosted their National Baseball League lead to six games today by sweeping two from Pittsburgh Pirates while New York Giants lost to Chicago. St. Louis polished off Boston 8-3, behind Venegar Bend Mizell to move within four games of the second-place Giants in the tightening race. Fourth-place Philadelphia and Cincinnati were idle.

Bobby Shantz's 19th win of the season was the big daytime news in the American where the Philadelphia Athletics swept a pair from Detroit, 2-1 and 3-2. Shantz won the first game with a four-bitter and the A's rallied with three in the ninth to take the second for Alex Kellner.

Cleveland shoved Boston Red Sox a little deeper into third place by scoring six in the eighth to win 8-2 for Bob Lemon's 12th win. That gave the Indians two out of the three from the Red Sox in the series. Joe Tipton's homer touched off the big rally in the eighth.

Joe Landrum, a rookie just recalled from Fort Worth where he had a 15-10 record, won his first big league start for Brooklyn in the second game 4-1, after the Dodgers took the first 7-6.

Relief pitcher Paul Lapalme walked George Shuba on four straight pitches to force Rocky Bridges across the plate with the run that meant the opening-game victory. Bridges' single, a sacrifice and passed ball and two intentional walks set it up.

Landrum gave the Pirates eight hits. Bobby Morgan's first-inning homer off Forrest Main started the Brooks on their way in the second game.

The Cubs scored nine in the seventh to whip the Giants, 11-8. Fifteen Cubs came to bat, connecting for eight hits including a three-run homer by Harry Chitt. The Giants made three errors and their pitchers walked two in the inning.

Although the spurge gave the Cubs an 11-1 lead, they were hard pressed to hold it as the Giants came back with three in the seventh and four in the eighth on Jim Rhoades' grand-slam homer.

The Cards led off on Vern Rickford for six runs in the fifth inning of another game decided by one big spurge. Ten Cards went to bat in the frame with Billy Johnson collecting two singles.

Baseball Game Breaks Up In Riot

ROSETOWN, Sask., July 31 — (CP) — A baseball game between the touring Cuban All-Stars and North Battleford, Sask., broke up in a riot Wednesday at the annual \$3,000 Rosetown tournament.

A Cuban player is in hospital with a two-stitch head cut and the North Battleford player who hit him was taken into custody. No charges have been laid against the latter.

The melee started in the ninth inning when the Cubans were leading 12-11. Louis Green, North Battleford catcher, went hard into second base during a force-out play and he and the Cuban second-sacker came up swinging.

Players of both teams ran onto the field, some taking bats as weapons. Play was resumed after order was restored and the Cubans went on to win 13-12 in 11 innings.

Large Crowd Attends Wrestling Card Here

Steve "Crusher" Casey of Boston, Mass., a cauliflower-eared veteran of many a wrestling match last night added another victory by routing when he pinned the well-built Paul Sweeney's shoulders to the mat at the five minute and 20 second mark of the third and final fall.

Casey won the first fall with a leg lock and lost the second fall when referee Al Guire of Montreal disqualified him.

A large crowd of fans sat in on the season's first wrestling match at the Forum. The match featured the women wrestlers, Miss Paddy Page of Seagus, Mass., and Miss Terry Shannon of Boston, with Miss Page winning after her opponent was disqualified.

240-lb. Charlie Roache of Halifax was awarded the preliminary match after his opponent 265 lb. Stan Stasiak was disqualified for attacking the referee. Stasiak had kicked Roache out of the ring and had the match won when he interfered with the referee's duties.

The two met again on the way to the dressing room as Roache attempted to get even. Following a slugfest which brought the crowd to its feet, the referee separated the two men.

Ralph Morris of Halifax defeated Billy Taylor of Armdale, N. S., in a crowd pleasing curtain raiser. Taylor weighing 173 against 179 for Morris was the pick of the crowd and Morris's win was an unpopular one.

Miss Terry Shannon lost her match after she had battered her opponent, Miss Page, around the ring for the best part of 20 minutes.

Following a series of hair pulling, kicking and blocking tactics Miss Shannon downed Miss Page in mid-ring. She had the lighter girl's shoulders on the mat but lost out as she began kicking the referee at the same time yelling charges of bias. She was disqualified and Miss Shannon's victory was warmly applauded.

"Crusher" Casey and Paul Sweeney presented athletic looking frames as they entered the ring for the main bout. Casey, the older man, is a popular wrestler.

Dairymen Tie Angels; Bombers Win By Default

Ray Stull pitched the Guardian Angels back into sole possession of third place in the City Softball League standings yesterday evening by hurling a two-hitter as the Angels and the Sunshine Island Dairy played to a 4-4 draw on the Parkdale Diamond.

The Bowery Bombers advanced to a third place tie with Bruce Stewart's as the Bombers won by default from Horn Motors. The latter's loss eliminates them from any chance of catching a play-off berth.

Stull allowed only two singles in the Guardian-Dairymen's game. He struck out five men and gave up seven walks. The four runs which were scored on him were unearned.

Cedric Ballem on the mound for the Sunshine Island Dairy was touched for nine hits, eight of them singles. He struck out three batters and walked two.

The Angels second baseman Harry Poulton led all batters with three hits in four trips to the plate and he drove in two of the Angels' runs.

The Dairymen came from behind in the last of the seventh to earn a draw as Willie Dunn scored the tying run. Ced Ballem fled out to John Scotk at short to end the game and leave two milkmen on the base-paths.

The umpire was Wendall Gillis with "Sonny" Stull, on first and Charlie Ready on third.

British Blame Lack of Meat For Poor Showing

LONDON, July 31 — (CP) — Britons, in a lively national post-mortem, are blaming their Olympic snatching on a lack of meat.

The meat ration now is little more than a shelling's worth per person weekly.

Coaches, sports columnists, folks who write letters to the editor, and pub philosophers join in lambasting the meat shortage for Britain's inability to get a gold medal at Helsinki. So far, the U. S. has 30 and Russia 22.

Supplementing a flood of letters to editors calling for "more good red meat" for Britain's athletes, one columnist quoted the British rowing coach, Jack Breesford, as saying: "You can't train athletes on tea and toast. Until we get more meat we can't expect more international victories."

The British canoe competitor, Francis Pratt, counselled his fellow Olympic athletes to tackle plenty of horse meat—unrationed in Britain.

"He's been eating it every day," he said.

The cross-country coach, Johnnie Johnston, told his crest-fallen compatriots "Shortage of a full and regular meat diet is one of the main causes of our deficiencies."

Cracked a columnist: "Harry Champion, the old-time comedian, gave us the song 'Boiled Beef and Carrots.' But now it seems we need boiled beef and carrots to give us a champion."

Said one letter to an editor: "Lack of adequate meal-like foods for athletes in training is a contributory cause for persisting humiliating international eclipses, one of which we have just undergone. One gets tired of reading interminably of how good we were in defeat."

No Early Canadian Bid For Olympics

By Jack Sullivan
HELSINKI, July 31 — (CP) — Canada will not bid for the summer Olympic Games until the Dominion becomes much more sports-minded, A. Sidney Dawes of Montreal, president of the Canadian Olympic Association said today.

"I don't feel we would be justified in making such a request and it would be very unwise to do so unless much greater interest in amateur sport is shown by the Canadian public," he said in an interview.

No city in the country has the facilities to organize a summer Olympics, he added.

"In Toronto the Canadian National Exhibition park could be increased to a capacity of 100,000, but the grounds are wanted during the summer. They would not give up the exhibition to hold the games, and Montreal has nothing."

He revealed that he had requested the 1960 winter games for Montreal but the city lacked sufficient good downhill skiing facilities. The games were awarded to Cortina, Italy.

He said Canada's sports advisory council had recommended to the Federal Government last January the establishment of a sports training college. To date, nothing had been done, to date, said he understands the government is "sympathetic to the idea."
