

Keen Competition At Interscholastic Track, Field Meet

The Queen Square School boys' team and the Prince Street School girls' were the high aggregate point winners of their respective divisions in the fourth annual Provincial Interscholastic Track and Field championships held at Memorial Field on Saturday afternoon.

Queen Square amassed a total of 61 points in the boys' division, while the Prince Street boys' team, the runners-up, won 37 points. West Kent was third with 13, Bedouque fourth with six, East Royalty fifth with four, Parkdale sixth with three and Summerside High with seven and two points. In winning the girls' division, Prince Street had a total of 39 points, with North Rustico in the runner-up position with 12 points and West Kent fourth with 1-2 points and West Kent fourth with half a point.

The meet was under the sponsorship of the Department of Physical Fitness.

With one of the largest entry lists in the history of the meet, 186, representing thirty individual schools, the program produced a wealth of excellent competition throughout the entire list of events, and proved a highly successful feature of sporting entertainment.

Among some of the top-notch events run off during the meet, the Class C boys 880 yard run produced about the keenest half-mile track battle that has been witnessed in interscholastic competition for some time. Turning on a terrific burst of speed in the last 100 yards, young Bryce Boswell of Prince Street won out over Billy Purcell of Queen Square in a stride for stride battle to the tape, to win out by the slimmest of margins. Boswell covered the distance in the excellent time of 2:27.3-5.

The boys quarter-mile relay also produced really keen competition, with Queen Square, Prince Street and Summerside finishing in a very tight race in that order. The members of the winning team were—Billy Purcell, Joseph Revell, Bernard McGuigan and Billy Leclair. The team trophy for this event was donated by Mr. Roy MacCallinver, to be competed for annually.

Lt. Col. D. A. MacKinnon, honorary referee, made the presentation of trophies and ribbons to the winning athletes.

With two and three qualifying heats being run off in nearly all of the 19 events on the program, the presiding officials made an excellent job of conducting the meet, completing the full program in the excellent time of three hours.

The following were the presiding officials:—

Patron—Hon. J. A. Bernard; honorary referees, Hon. J. Walter Jones, Lt. Col. D. A. MacKinnon, D.S.O.; starter, Major W. A. Smith; timers, Bill Bevin Sr., Arthur Campbell, Dick Purcell; chief track judge, W. A. Gaudet; track judges, W. E. Scantlebury, Geo. Walters, Gordon Kerr; meet director, Bill Reid; chief scorer, Lt. Ryan; clerk of course, Art Perry; chief field judge, James Coyle; field judges, Geo. Francis, Wm. Halpern; meet physician, Dr. J. H. Shaw.

Chamberlain Sees Local Big Four Hockey Team Really Good One

Manager-coach Murph Chamberlain, the man who piloted the Sydney Millionaires to the Maritime Senior Hockey championship last year, arrived back in Charlottetown by plane last evening to take up the job of whipping his team, the Islanders, together for their forthcoming battles in the Maritime Senior "Big Four" Hockey League this season.

"If the boys I have lined up turn out to be as good as I think they are, we'll have a really good team this year," was Chamberlain's reply when interviewed at his hotel room last night. He discussed the merits of many of the players who will perform on Charlottetown's Big Four entry this year and said "I like what I've got."

Although Chamberlain has still four or five players that he is still negotiating for, some of them outstanding players, those that have already signed cards, and will be arriving here this week and will report for training on Friday morning, October 6th.

James Dennis Mooney — Goal, age 20, was with Guelph Juniors last season; at New York Rangers training camp at present; home town is Quebec City.

Kevin Donald Conway — Defence, age 20, weight 175; is at Ranger training camp at present; with Montreal Junior Canadiens, Memorial Cup champions last year. Home town is Cornwall, Ont.

Larry Travis — Defence, age 22, weight 170; was with North Sydney of C.B.S.H.L. last season. Home town is Winnipeg.

George McLagan — Defence, age 22, height 6' 2", weight 185; was with Owen Sound of O.H.A. last year; now at Providence Reds training camp. Home town is Sarnia, Ont.

Murray Richardson — Centre, age 24, weight 170; re-instated pro; was two years with St. Louis Flyers of A.H.L., also a former member of Barrie Juniors. Home town is Barrie, Ont.

Howard Beaudry — Centre, age 22, weight 158; was with Owen Sound of O.H.A. last year. Home town is Sudbury, Ont.

Danny Horeck, left or right wing, age 24, weight 160, played in the International Hockey League last year. Home town is Detroit.

Johnny Horeck, left wing, age 27, weight 165, was with Shawinigan Falls of Q. S. H. L. last year. Both Danny and Johnny are brothers of Pete Horeck, the well-known N. H. L. star with Detroit Red Wings last season.

Bruno Favaro, right wing, age 23, weight 155; started last season with Owen Sound of O. H. A. but finished season with Toronto Marlboros, last year's Allan Cup champions. Is at Providence Reds training camp at present. Home town is Barrie, Ont.

Walter Pawlyshyn, left wing, age 20, weight 180, height 6' 2", played last two years with Brandon Wheat Kings Juniors.

Bringing to the list of imports to date is eleven, is last but not least, Charlottetown's own Wes "Bucko" Trainer. There is no need to go into Bucko's past history, every Island hockey fan knows it well. Suffice it to say that Chamberlain himself thinks that Wes will be "one of the outstanding players in the Maritime Senior Hockey League this year."

Speaking of the hockey school that he will hold here this week for all Island players who wish to try out for berths on the team, Chamberlain said last night that the school would last for four days commencing Tuesday night at eight o'clock at the Charlottetown Forum. He is interested in seeing all players who feel they have the ability to make the grade come up and take part in the school sessions, but requests that all players come fully equipped right down to their sticks. The school times for the other three days will be decided at the end of the first session, so that it will be convenient to the majority of the boys turning out.

Players selected out of the school "will turn out with the imports in the Club's regular training program which commences at ten o'clock Friday, October 6th," Chamberlain stated.

Special Game Oct. 12th

"We will also hold a special game, probably on Thursday night, Oct. 12th," Chamberlain stated. "It will be the final feature in the training programme to select the team which will swing into action against Halifax in the 'Big Four' opener on Friday, October 14th." It will be known as the "Garnet and Gold" game, representing the team colors, and will be a regular contest open to the hockey public at a set admission. The two teams will be made up of players from the existing club roster at that time, including those picked from the school imports etc.

Asked if he would play himself this season, Chamberlain said that he will play some, probably in a defence position, but "I am going to wait and see what kind of shape I'm in first before I commit myself too far." He also said that most of the imports who will be arriving this week are already in tip top shape, as most of them have been working out and playing with farm clubs since the first of the regular training season.

S'ide C. And B. Winners Of P.E.I. Junior Ball Title

A hard hitting band of junior ball tossers from Summerside are the new Prince Edward Island champions. The Charlie Hogan coached Curran and Briggs squad won the title yesterday afternoon at Memorial Field when they walloped the Knights of Columbus Juniors 11-7 for their second straight win in the Island finals. The construction now goes on to meet the winners of the Nova Scotia-New Brunswick series for the Maritime title.

In a slugfest encounter that was marred by nine errors, the Summerside team had too much power at the plate and took advantage of K. of C. errors and mental lapses to run up a big lead before the Knights finally got underway. The winners had an 8-1 lead at the end of two innings and added three more runs in the sixth and seventh frames while holding the Knights to six runs in their last eight frames.

Allen Stewart went the distance for the C and B crew and although hit hard by the locals in the last few frames he had enough to get by them for the all-important win. Jackie Burke started for the locals and lasted but one and a third innings before being relieved by Donnie MacLean in the second. Stewart allowed nine hits while walking six, hitting three and striking out nine. Burke was touched for five hits while issuing one free pass. He had no strike-outs. MacLean pitched a wonderful relief game for the losers but his mates could not rally behind him. He allowed five hits in seven and two-thirds innings, walking five, hitting one and striking out nine batters.

Phil Murphy, playing third base for the Knights, had three hits in four official trips to the plate to lead the batters during the game. Chuck Hulme, Jack Murphy, Allan Stewart, and Neil Walker each had a brace of hits for the winners. Hulme walloped out a triple and a double. Walker had a home run and a double. Red MacKenzie and Donnie MacLean each had two hits for the losers with MacLean stealing three bases during the game.
