H.W. Clay, senior livestock fieldman for the Canada department of agriculture, is shown above as he explained to eager 4-H Calf Club members the reasons he has played these Holstein calves in his Judging of the class. Mr. Clay remarked that he wished the parents of the club members would care for their yearlings as well as the members had cared for their calves.

Solemn Farewell Bid To Duplessis

Party Secretary Attends Seminar

SUMMERSIDE — Mr. and Mrs. Kenneth MacInnis, Borden, have returned from a vacation visit to Montreal and Winnipeg. While in Winnipeg, Mrs. MacInnis, who is provincial C.C.F. secretary, represented the Prince Edward Island section of the C.C.F. party at the national seminar of the Canadian Labor Congress and the Co-operative Commonwealth Federation (C.C.F.) on the formation of a new Canadian political party.

The seminar was held in the spacious ball room of the Fort Gary Hotel, and was attended by over 300 delegates from every province from Newfoundland to British Columbia.

The co-chairman of the seminar was Roger Proven, national vice-president C.L.C., and Stanley Knowles, C.C.F. national vice-president.

The main addresses were given by Claude Jodan, national president, C.L.C.; David Lewis, national president, C.C.F.; Hon. T. C. Douglas, premier of Saskatchewan; Hazen Argue, C.C.F. parliamentary leader, and Gerard Picard, C.L.C.

Discussion groups chaired by prominent members of the C.C.F. and C.L.C. took up every phase of the set-up of the proposed new party and the findings of these groups were given lively, open discussion before the seminar.

HONORARY PALMBEARERS

The cabinet members served as honorary palmbearers as the coffin was carried to a waiting hearse for the one-quarter mile procession to the basilica. Among them was Hon. Paul Sauve, youth and welfare minister, believed to be the man who will be asked to succeed Mr. Duplessis as premier and head of the powerful Union Nationale party.

TO TROIS-RIVIERES

Following the service the body was transported to Trois-Rivieres, Mr. Duplessis' hometown, where the funeral will be held Thursday.

HOW YOUR LIVER BILE BREAKS DOWN FAT

Laboratory tests have now proved that liver bile emulsifies fat... actually breaks it down. It is an established medical fact that when liver bile is added to fatty solids, the fat is broken down and forms a smooth, easy-flowing mix.

In your body, precious liver bile helps break down fat the same way. Many foods reach the digestive tract as undigested fatty solids. Your golden liver bile helps break down this fat... unblocks it... for easier and more complete digestion.

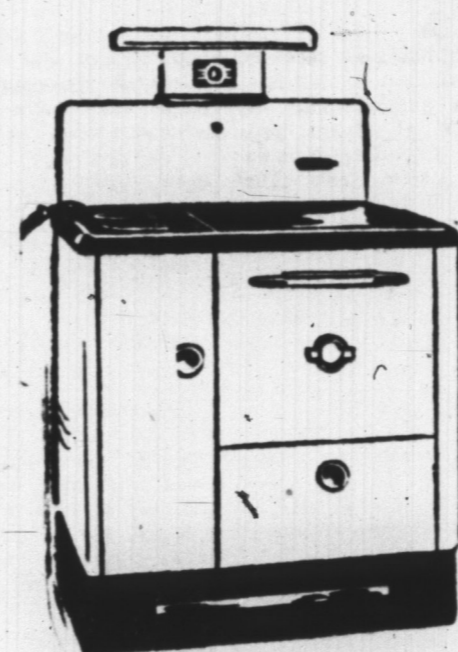

Cartier's Little Liver Pills exclusive formula of natural, vegetable ingredients relieves irregularity gently and effectively. At the same time, it actually improves the flow of liver bile needed to break down fat in your body.

So when you feel sluggish, headachy, nervous and need a laxative, get Cartier's Little Liver Pills. Remember, Cartier's not only relieves irregularity, but actually improves the flow of liver bile needed to break down fat.
