FINAL NOTICE.

WHEREAS many persons are still in the habit of throwing dirt and other nuisances from the yards into the gutters or watercourses, to the obstruction of the water, notwithstanding repeated notifications to the contrary; and also, of leaving carts, trucks, gigs and other vehicles, in the Streets and Squares, contrary to law; and complaints have been preferred to me every day in consequence thereof: Now, after this PUBLIC NOTICE, I am fully determined to prosecute all persons so offending to the full extent of the law. And I also give this last notice to persons in the Country, living in the Seventh District, that if all encroachments on the roads, and obstructions, are not immediately removed, and the roads thrown open to the width required by law, I shall enforce the law against offenders. And whereas many persons, in making new fences, have been in the habit of throwing stumps, stones and rubbish in the Highways, this is to give such persons notice, that they will be proceeded against unless they immediately remove such obstructions. And whereas Hogs have been allowed to run at large, without being ringed, and consequently have greatly injured the roads by rooting and turning them up, this is to inform the owners thereof that all such animals found at large after this notice will be taken up, and disposed of as the law directs.

THE AMERICAN FAMILY MEDICINE.

THAT MR. MOFFAT'S Life Pills and Phœnix Bitters have long since obtained the high and enviable distinction and a host of competitors, and that they acquired it solely by their invariable and almost unlimitedefficacy, without the usual aid of fulsome puffery and pretensions, are well known to the public, and cannot be denied.—While very little has been said concerning these astonishing Life Medicines by the proprietor himself, and not more than was necessary to call the attention of the afflicted to a sure and speedy means of relief, their renown has rapidly flown from one individual to another, and from family to family, until they have long since become known in almost every town and village in the Union, as a wonderful and inestimable blessing. Voluntary and unsolicited testimonials of their absolutely astonishing efficacy, in diseases of the most dreadful and obstinate character, as well as in others of prevalent and ordinary occurrence, have been received by the proprietor from the persons they have cured from every section of the country, and still continue to be received in increasing numbers. It is with pride and pleasure that the proprietor refers the public to his "MEDICAL MANUAL," where a widely various selection of these testimonials is published, with the names and residence of the writers, because he has no hesitation in saying that the annals of Medical Science do not contain a greater number or variety of cures effected by any medicine known to the profession, or cures of a more frightful kind or of longer standing, coming as these testimonials do from the cured persons themselves, who certainly know best, from their own happy experience, whether they are cured or not. The evidence they afford of the pre-eminent and unprecedented efficacy of these grand remedies is perfectly irresistible, and commands rather than solicits the respect of the public. In addition to those already published, the proprietor is in possession of a vast accumulation of these personal certificates, demonstrating that his *Life Pills and Phœnix Bitters* are promptly and uniformly efficacious in Scrofula in all its hydra headed forms. Dyspepsia whether chronic or occasional, Rheumatism both acute and chronic, Jaundice and bilious and liver complaints, however distressing or complicated, Fever and Ague in all their varieties, and when quinine and all other specifics fail; Habitual Costiveness, (especially when the Life Pills are used as dinner pills, immediately before or after that meal) Piles even in cases of thirty years standing, Dropsy, Gout and settled pains in the breast, back, or organs, disease of the bladder and kidneys, biles, tumours, and ulcers, Erysipelas, and all other eruptive diseases; Pleurisy, Asthma, Bronchitis, and other affections of the chest, lungs and mucous members; pimples, stains of the skin, and the foul unhealthy appearance of the complexion, arising from whatever cause, nervous or general debility, headaches, and giddiness, together with a vast variety of other maladies, in proof of the speedy and effectual cure of which by these medicine, alone, the proprietor has hundreds, nay thousands of certified testimonials. Both the Pills and Bitters are mild and delightful in their operation, producing none of even the temporary prostrations and nausea occasioned by nearly all other medicines; and they can be administered with safety to young children, and females in the most delicate health Prepared and sold by Dr. Wm. B. Moffat, 375 Broadway, New York For sale also by the agents.—NEW YORK, May 30.
