

**"The Wreath Refused."**

Under this heading Mr. Tracy Turnerelli, who originated and carried out a penny subscription for a "People's Tribute" to Lord Beaconsfield, has published a correspondence upon the proposed presentation of a gold laurel-wreath to the Premier. This wreath, "to procure which the people have subscribed 52,800 pennies," was exhibited lately at the Crystal Palace. The following letter explains Lord Beaconsfield's reasons for declining the gift:—

"10, DOWNING STREET, WHITEHALL, June 16, 1879.

"SIR,—Lord Beaconsfield desires me to inform you that he has received and carefully considered your letter of the 8th inst., in which you ask him to name a day for the presentation of a laurel wreath procured by the contributions of upwards of 50,000 of the people, which have been collected, according to your statement, with 'immense labor and never-yet-exampled efforts.'

"His Lordship has, moreover, had before him the correspondence which, during the last five years, you have addressed to him, and he notices especially your complaints that your services have received no recognition at the hands of the leaders of the Conservative party, and the expression of your hope that 'sooner or later they will meet with reward.'

"Although Lord Beaconsfield would fully appreciate and value a spontaneous gift from his fellow subjects belonging to a class in which he has ever taken the warmest interest, he cannot but feel that being himself intimately connected with honors and rewards, he is precluded by the spirit in which you have previously addressed him, from accepting a gift thus originated, and proffered in a manner which he cannot deem satisfactory.

"I have the honor to be, Sir, your obedient servant," ALGERNON TURNER.

"Tracy Turnerelli, Esq."

TRADE OF NEW YORK.—The imports at the port of New York for the year ending June 30th, 1879, compared with the two previous years, show a great improvement in business. The *Journal of Commerce* gives the figures as follows:—

1876-7	\$77,330,636
1877-8	74,717,031
1878-9	79,606,048

THE First Lord of the Admiralty, Sir Cooper Key, and Lord Charles Scott have met and decided the course to be taken by the Bacchante in her forthcoming cruise with the sons of the Prince of Wales, and the officers to be appointed to her. The young Princes will visit in the course of their voyage most of the British colonial possessions.

A suicide under circumstances of peculiar desperation has taken place at Salford, England, where a man shot himself on the high road. Missing a vital part, he cut his throat. As this also proved ineffectual, he lay face downward in a shallow pool of dirty water. Here he was found dead.

**Liver is King.**

The liver is the imperial organ of the whole human system, as it controls the life, health and happiness of man. When it is disturbed in its proper action, all kinds of ailments are the natural result. The digestion of food, the movements of the heart and blood, the action of the brain and nervous system, are all immediately connected with the workings of the liver. It has been successfully proved that Green's August Flower is unequalled in curing all persons afflicted with dyspepsia or liver complaint, and all the numerous symptoms that result from an unhealthy condition of the liver and stomach. Sample bottles to try, 10 cents. Positively sold in all towns on the Western Continent. Three doses will prove that it is just what you want.

**CATARRH. Constitutional Catarrh Remedy CURES CATARRH.**

Hear what a Reverend Gentleman says of the Constitutional Remedy.

T. J. B. HARDING, Esq., Brockville, Ont.—"DEAR SIR—It is now two years since your 'Constitutional Catarrh Remedy' was introduced to me. I have waited this long to see if the cure would remain permanent before doing this, my duty, to you, as at first the happy effects seemed to me to be 'too good to be true.'"

I was afflicted in my head for years before I suspected it to be Catarrh. In reading in your Circular I saw my case described in many particulars. The inward "drop" from the head had become very disagreeable, and a choking sensation often preventing me from lying long. I would feel like smothering and be compelled to sit up in the bed. My health and spirits were seriously affected. When your agent came to Walkertown in August, 1876, I secured three bottles. Before I had used a quarter of the contents of one bottle I found decided relief, and when I had used two bottles and a third, I quit taking it, feeling quite cured of that ailment, and have not used any since until of late I have taken some for a cold in my head. A sense of duty to sufferers from that loathsome disease, Catarrh, prompts me to send you this Certificate, unsolicited, with leave to make what use of it you may see proper. Yours truly,

W. TINDALL, Methodist Minister. Port Elgin, Ont., Aug. 24, 1878.
