S' side Town Council Holds Monthly Meeting

At the regular monthly meeting of the Summerside Town Council held for 5:15 P.M. last evening all councillors were present and Mayor Henry W. Wedge presided.

Three letters were received from the Summerside branch of the Canadian Legion. The first of these letters requested information regarding plans of the Town Council on the observance of Coronation Day, and offered to co-operate in any way possible.

Mayor Wedge stated that the town's Coronation Day program would be handled by a committee with Councillor Clark as chairman. It was also suggested that the Community Planning Association would be co-operating in the arrangements.

A resolution was passed by the council resolving that a suitable program be arranged for the celebration, and that "Coronation Day" be proclaimed a civic holiday in the Town of Summerside.

Letter Carrier Service

The second letter from the Canadian Legion was a copy of a letter sent to the Postmaster-General regarding letter carrier service for the town of Summerside.

The letter stated that it was the understanding of the Legion that if there were more than 2,000 eligible calls, and if the local post office had a revenue of over \$50,000 per annum, then the town was eligible to have letter carrier service.

The Legion letter stated that a complete survey indicated that all of these conditions existed in the town of Summerside and requested the Postal Department to investigate the feasibility of instituting letter carrier service in the town of Summerside.

A resolution was passed by the council favoring and supporting the request of the Summerside branch of the Canadian Legion to the Postal Department for the establishment of a letter carrier service in Summerside.

As a result of the third letter permission was granted to the Canadian Legion to sponsor three shows in Summerside this summer. The three shows named in the Legion letter were:

The Congress of Hollywood Daredevils, for two days; the King Brothers and Christaini 3-ring circus for one day; and the Frank Elliott show, for one week.

A letter from the Summerside Board of Trade reported 8,000 persons had registered at the Tourist Information Bureau at Read's corner near Summerside and the letter requested the usual grant towards the operation of the bureau again this summer. They also suggested the erection of a "Summerside" sign on the new highway.

A resolution passed by the council approving the regular annual grant of \$500 to assist in the operation of the Tourist Information Bureau. Councillor Lidstone was named to meet with a Board of Trade committee regarding the construction of a suitable sign to be erected at the intersection of the Summerside - Charlottetown roads near Albany.

In response to a letter from the Summerside Athletic Association regarding the painting of the bleachers at the baseball diamond, a grant of \$100 was authorized for this purpose.

Tender Accepted

A resolution was passed accepting the tender of Willard MacDonald Limited for \$1,929.80 for a one-ton, 1953 Dodge truck.

Permission was given to the Electric Light Committee to run an 1800 foot extension to Ed Miller's on the Lot 16 power line.

In order to make this at the established rate of six customers per mile Mr. Miller is to pay 20 cents per running foot for approximately 900 feet.

Permission was granted to the Summerside air cadets to hold a tag day on Saturday, April 18th.

In accordance with a suggestion made by the Chief of Police in his report, a resolution was passed to the effect that the Town Recorder be requested to prepare a by-law whereby any and all persons contemplating the opening of a junk yard in the town must first obtain permission from the Town Council, and that if and when such permission is granted, the junk yard must be enclosed by a board fence before such place can be operated as a junk yard. It was stated by council members that the existing junk yards will also be subject to this by-law.

S' side Air Cadet Sqdn. Father And Son Banquet

The first annual Air Cadet Squadron No. 53 "father and son" banquet was held last night in the composite mess at RCAF Station, Summerside.

Sponsored by the RCAF Wing Association Branch No. 200, the banquet was presided over by Roy Johnston, past president of the association, and was attended by a large number of air cadets and their dads.

The highlight of the occasion was the presentation of the Group Captain Lewis trophy for general efficiency, an honor which the squadron has won for the past two years.

In presenting this trophy Wing Commander Grant said that "this first annual banquet leaves us with something to look forward to next year. We hope that most of you will be back again next year. That is what the air squadron training means, a building for the future."

The trophy was officially presented by Wing Commander Grant to Squadron Leader Murray Shanks, commanding officer of the squadron.

Another highlight of this splendid banquet was the presentation of wings to two air cadets who have passed their flying-training qualifications.

They were Cadet Hillard MacLennan and Cadet Garth Jenkins. In addressing the gathering Mayor Henry Wedge expressed his great pleasure at being present and said that he thought it was a good idea to have such get-togethers once in awhile.

He said that such gatherings gives the parents an insight into what is going on during the training of the air cadets.

Greg Mulholland, provincial chairman of RCAF Association Air Cadets, in an outstanding address to the fathers and sons present said that he believed these cadets received a splendid type of training.

Squadron Leader, Murray Shanks, commanding officer of the squadron, expressed his pleasure in seeing so many fathers present.

He extended an invitation to the parents to come to the drill hall on Friday evenings and see for themselves what is being done for the boys.

Others who delivered brief but appropriate addresses were Squadron Leader Barrett, who spoke of the deep interest of Group Captain A. G. Kenyon in the air.

TRINITY AFTERNON AUXILIARY

The Thankoffering meeting of the Summerside Trinity Afternoon Auxiliary was held in the church parlor on Tuesday afternoon, April 7th with the president, Mrs. Hammond Johnson in the chair and Mrs. B. R. Sharpe at the organ.

Following the singing of the doxology, one minute's silence was observed in honor of the late Mrs. W. E. Brooks.

A letter from the Temperance secretary was read and a reading on Christian Citizenship was given by Mrs. Vernon Melherell.

A special feature of the meeting was the Affiliation Service of the C.G.I.T. under their leaders, Mrs. James Peach and Mrs. Ross Armstrong, with the Afternoon Auxiliary, closing with the singing of "In Christ there is no East nor West."

Mrs. John Stirling conducted the worship service on the theme "He is Risen." A portion of St. Mark 16 was read by Mrs. Edwin Taylor, who offered prayer. Another part of the same chapter was read by Mrs. Walter Lidstone, after which Mrs. William Stevenson was heard in a vocal solo "Jesus is dearer than all." An Easter message was given by Mrs. Clarence Harris and the hymn "Hail thou once-deceased Jesus" was sung. Following Bible reading by Mrs. Everett Clark, Mrs. I. M. Calbeck sang "Is It Nothing to You?" Mrs. Melherell gave the meditation entitled "Very Early in the Morning," and Mrs. Stirling read the poem "The Captains of the Years." After the singing of "Crown Him with many crowns" and benediction was pronounced.

Card Of Thanks

The family of J. Ernest McGregor wish to express their sincere thanks to Reverend J. N. Trainor, Reverend William Monaghan, Doctor Dewar, the sisters, doctors and nurses of the Western Hospital, also to Father LeClair, Doctor Grant, Doctor Morse and the nurses of Prince County Hospital and to kind friends and neighbors who gave Masses, Spiritual Bouquets and flowers, sent messages of sympathy or who helped in any way during their sad bereavement.

S' side Y's Men's Club Meeting

Mr. Laurence Burr was the outstanding speaker at the regular weekly meeting of the Summerside Y's Men's Club held last evening at 6:00 p.m. at the Y Centre.

In a gripping half hour address Mr. Burr described the work of the Y.M.C.A. in India. Born and educated in the United States he has just returned from 5 1/2 years of work in India as international world service secretary of the Y.M.C.A. He described the project "Boys Town" in Madras, India, which was started by the Y.M.C.A. largely through Mr. Burr's efforts.

Destitute boys ranging in age from 8 to 14 years are taken in off the streets, fed, clothed, taught elementary schooling and some sort of trade and at the age of 16 released to society equipped to make a way for themselves in the world.

The project was started with \$7000 and a lot of faith. Today over 100 boys are handled at once and the project is 65 percent self-supporting. Mr. Burr is returning to India in May for another 5 1/2 year appointment. The speaker was introduced by president Y's Harold Rodd, and fittingly thanked by Y's Charles Linkletter.

Y's Ross MacKenzie was chairman of the meeting and introduced Mr. Robert J. Eddy, international representative for Community Concerts, from New York City.

Guests included Dr. Archie MacMurdo, L. R. Allen, Edgar Clarke, all of Summerside; Gordon Coates, and Hugh Spinney of Saint John, N. B.

Two R.A.F. pilot officers were introduced as the club's Nats guests for the evening.

IN MEMORIAM

JOHN ERNEST MCGREGOR

There passed peacefully away at Prince County Hospital, on Saturday evening March 28th John Ernest McGregor, a highly respected resident of Burton, Lot 7.

The deceased who was born in Cacajumpo in 1872, had always enjoyed good health until a month before his death. During that time he was visited by his pastor, Reverend J. N. Trainor. Reverend William Monaghan of Alberton, and by Reverend Father LeClair of Summerside, who ministered the last rites of the Roman Catholic Church of which he was always a devoted member.

His funeral to St. Mark's Church was largely attended. Requiem Mass was celebrated by his beloved pastor, Reverend J. N. Trainor, who also conducted the services at the grave as his mortal remains were tenderly laid to rest in the adjoining cemetery.

The pall-bearers were Messrs Edward S. Griffin, Vernon Doyle, Henry Dalton, Edward Collicutt, Peter Dalton and Coleridge Rogers.

There are left to mourn, besides his sorrowing widow, the following sons and daughters: Harold of Halifax; Melvin of Burton, Lot 7; (Mae) Mrs. James Riely of Stamford, Conn.; Bernice; Mrs. Peter Rogers of Glenagry, Lot 7; Mrs. Ethel Lacey of Boston; (Eva) Mrs. Joseph Ryan of Boston; also fourteen grandchildren and seven great-grandchildren. Also surviving are one brother and three sisters: namely: Charles of Boston; Sister Mary Clement of St. Joseph's Convent, Portland, Me.; Mrs. Joseph P.
