The American People.

No people in the world suffer so much with Dyspepsia as Americans. Although years of experience in medicine had failed to accomplish a certain and sure remedy for this disease and its effects, such as Sour Stomach, Heart-burn, Water-brash, Sick Headache, Costiveness, palpitation of the Heart, Liver Complaint, coming up of the food, low spirits, general debility, etc., yet since the introduction of Green's August Flower we believe there is no case of Dyspepsia that cannot be immediately relieved. 50,000 dozen sold last year without one case of failure reported. Go to your Druggist and get a sample bottle for 10 cents and try it. Two doses will relieve you. Regular size 75 cents.

A Good Account.

"To sum it up, six long years of bed-ridden sickness and suffering, costing \$200 per year, total \$1,200—all which was stopped by three bottles of Hop Bitters taken by my wife, who has done her own housework for a year since, without the loss of a day, and I want everybody to know it for their benefit."
