

Warm Praise For Singing At Summerside Festival

Dr. Leslie Bell, director of the famous "Leslie Bell Singers" and one of the adjudicators of the Prince Edward Island Music Festival, had warm words of praise for the singing groups of Summerside High School and St. Mary's Academy, and for four girls who sang "Evening in Lilac Time" in class 80 at the Summerside Baptist Church hall yesterday afternoon.

The group singing was in comparison with similar groups I have heard, exceptionally good," the Doctor said. Of the four girls, Dr. Bell remarked: "to descend to slang, I am knocked out by the quality of talent displayed by these girls. They gave their hearts to every note. To Toronto, come to see me. I could use you."

He was referring to the Misses Myrna Hancock, Yvonne Gaudet, Lorraine Johnson and Elizabeth Blaquiere. He also included with these Miss Carol MacLean, Miss Margaret Murray for their excellent work in another class.

MANY NEW FISHING BOATS AT ALBERTON

Over the past few years the fishermen at Alberton South have, without exception, procured new and larger lobster boats, greater horse power engines and at the present time more in the Maritimes. Starting the season with new boats this year are Brydon Smith, Frank McNeil, James Gallant, Upton Fraser, Mont Hutt, Ralph Arsenault, Eldon Matthews, Silas Mathews. The new boats range from 35 to 40 feet in length. Crews of boats owned by Mont and Cecil Hutt are fishing this year in a degree of comfort perhaps never before enjoyed by local fishermen. Small compact cabins are located on the stern of each craft, heated by propane gas and with cooking facilities. Cabins are glassed in providing all around view and steering can be handled from inside. Cecil's boat (shown above) leaving the wharf on the opening day of the season) also has a radio and a depth recorder for use in locating the better lobster grounds, is being installed shortly.

P.E.I. Electrical Association Holds Monthly Meeting

The regular monthly meeting of the Electrical Contractors Association held Wednesday evening at the Mulberry Lodge, Summerside, with the vice-president, Mr. Earl Driscoll, presiding.

Mr. Jack Kirby and Mr. Murray Scott of the electrical inspection department were present and took part in an interesting discussion regarding the application of the Canadian Electrical Code and the proper methods of wiring installations.

The matter of having an advisory committee consisting of representatives from the Association, the Supply Companies, Communication (television and radio) and Journeyman electricians to cooperate with the Inspection Department, chiefly with regard to examinations and standards of workmanship were discussed. Satisfactory progress was made in having such a committee appointed in the near future.

A film was then shown entitled "The Atomic Age" and the evening ended with an enjoyable social hour.
