In the first game the Colts started out with runs in the initial frame and never looked back. Ronnie Fisher and Charles Sherry led the winners of a defensive attack with two hits each.

In the nightcap Fisher blasted a three run homer in the first frame to cop the game for the winners.

Popular Golf Tourney

ONE of the most popular golf tournaments of the season goes this weekend at Cavendish.

The 1963 Green Gables Labor Day Invitation Amateur tournament but there's a plenty more than Labor Day involved.

This tournament which started some ten years ago has grown to a field of 100 players. Entry list increases and this year's prize money to be bigger than ever.

There will be a championship division for men, in addition to first, second and third divisions. Juniors and seniors will also have special sections all to themselves.

The men's championship division will go 18 holes Sunday, 18 Monday and the top ten and ties will go an additional 9 on Monday. Men in the first and second divisions go 18 Sunday and 18 on Monday. Third division players get their first taste of action Saturday when they play 18 holes. They finish up with 18 more on Sunday.

The women golfers swing into action Sunday, playing 18 in 1-1/2 the championship and first divisions. They repeat the show on Monday. Second division women play 18 on Sunday and another 9 on Monday.

Junior 18 year olds will play 18 holes Saturday and their final 18 holes Monday. Those in the 12-13 year bracket have 9 holes Saturday and the same number Sunday. Seniors will play in four divisions according to handicap.

Plenty Of Prizes

THERE will be 50 prizes given to the winners and runnerup in the ten divisions. It shapes up like a tremendous weekend for golfers and camera owners alike.

The popularity of the tournament is indicated by the fact that it is being extended to three days. There is a strong possibility that a fourth will have to be added.

Last year it was Art MacKenzie who was a king through the crown. He will have to be there this weekend to try to successfully defend his crown.

If the weatherman gives his cooperation, this tournament surely should go well.

Ginger E Does It

WE'D like to take this opportunity of extending congratulations to driver Clark Smith and owner Allison Gillis on their great win at Ginger E last Tuesday night at the Charlottetown driving park.

This past Tuesday he wasn't to be denied. Clark came racing through the field with a dash and a drive to finish close on the last night when he was photoed out.

Simcoe's Magic Goes Fast Mile

SUMMERSIDE BUREAU OF THE GUARDIAN
A fairly large crowd was on hand to witness some fine racing at Simcoe's Magic on Tuesday night.

Simcoe's Magic in the Invitational Pace making the fastest mile in 2:13.8. The daily double featuring Mr. Dougan and Gliding Billy as winners paid \$120.00.

The winner of the Invitational Pace was \$400.00. The winner of the Invitational Pace was \$400.00. The winner of the Invitational Pace was \$400.00.

Greenhairs Win Contest

The big booming bat of Harry's (E. Robinson) was second, second when Doug Allen reached first on a fielder's choice.

Legendre and Moore got the other two RCAF bingles. For MacKenzie's team he had 3 singles, two of them beautiful bunts dragged down the first base line in three hits. Monday night a single, Devana a single, and Gillis a double.

Stars Need Equalizer

Buck Whitlock's Stars have their backs to the wall as they take the field tonight against Mackinnon's Stars in the second game of their City Baseball League final.

It's a best-of-three series and Dodgers jumped to an easy 1-0 decision in the opening Tuesday night. Another Dodger triumph tonight and they are into the league final.

Action is scheduled to commence at 6 o'clock sharp.

Combines Come On Strong

The West Prince Combines didn't look too good as they made their debut against Enman Drug at Queen Elizabeth Park Tuesday evening, but as the game advanced they kept improving and in the late inning held their own very well with the Summerside side.

Enman's grabbed an early 1-0 lead, and after that each club scored 4 runs. So the Combines could make it very interesting for Gray and his gang when they got them up in Alberton.

It was interesting that the Combines were missing three of their best players, and it was to find out the next five games to win the series.

Both Teams Miss Key Men

Both teams were missing key men on Monday evening. MacKenzie was without the services of Dunc Wheeler, and that subtracting a lot from both defence and offense.

Their ace pitcher Pete Devana was also missing as was Mort Onyl, second sacker extraordinary. Steve Phillips didn't show up for RCAF.

The reason for these players being out was that they hadn't got back from the island. The local Airforce, putting together a team from the RCAF club and the Armon or Mackenzie line-up with the Maritime Amateur Championship over the weekend heating Greenwood in the finals on Sunday.

Rala washed out Saturday's game, so the boys had to play at St. Hubert's in the local Airforce, putting together a team from the RCAF club and the Armon or Mackenzie line-up with the Maritime Amateur Championship over the weekend heating Greenwood in the finals on Sunday.

Devana pitched 21 innings ably and was not the rubber out for RCAF. The reason for these players being out was that they hadn't got back from the island.

CONFUSING ISN'T IT

It's plenty crowded along third base line in Yankee Stadium yesterday as the Boston Red Sox lost to an Yankee runner Hector Lopez (11). Already on third is Cleve Boyer of Yankees as Boston catcher Bob Tillman (10) guides Lopez toward base.

Guarding base in Boston shortstop Ed Broadus, with left fielder Ross Molas, rear backing him up. Lopez was trapped off by Yankee Phil Linz grounded to third baseman Frank Malone, right.

During running, involving five Boston players, Lopez made three slides back to third base being called out. Boyer was safe on advance from second, where Linz ended up.

Mariners, Shamrocks Play Tie Game; Finish Tonight

The final outcome of a 1-1 tie game of the City Storm final between the Main Bruce Mariners and the B.L.S. Shamrocks will remain in doubt until tonight.

The two powerful teams, each trying its best to come up with a victory in this crucial contest fought a 2-5 standoff before a large crowd of fans at Victoria Park's Old Diamond.

The game will be concluded tonight, starting at 8 p.m. and should the Irish come up with the win, then the two teams will square off again after a short rest period in the final game to decide the champion.

Mike O'Brien was on the mound for the Mariners and only gave up a total of four hits. The longest being a base-loaded triple by Sterling Simms. He struck out batter and issued four free passes.

Sterling Simms was the pitcher choice for the Shamrocks and he responded in great fashion, giving up seven hits. He walked three while striking out two batter.

GRAB EARLY LEAD
The Mariners jumped into an early lead as they picked up two runs in the first inning on just one hit. O'Brien was the first batter of the inning and he promptly lined a double off Simms' offerings.

Mark Ladouceur then reached on a fielder's choice play with O'Brien being called safe at third. The next batter, Will Shepherd walked to load the bases and it looked like the Mariners might just come up with a big inning.

Paddy Shepherd was then safe on an error with O'Brien crossing the plate. This left the stacks still loaded with none out.

CUTS OFF TIRRAZ
Simms got out of the inning however as he made first base man Merle Longmuir hit the ball to first base where it was easily fielded by George Bradley who threw home to force Lader at the plate.

After Arsenault then lifted a high fly to center field for the second out but Shepherd tagged out and scored after the catch for the second run of the inning. Simms then got LeClair grounded out to third base.

The score remained this way until the fifth inning with both teams tied.

Burke was in trouble in only one inning as he racked up five strikeouts while walking three batters.

Lloyd Doiron was on the mound for the losers and was touched for three bingles. He walked three batters and struck out one.

Caker Pineau was the top hitter for the winners as he picked up two singles in three trips to the plate. Len Bagdale had one bingle and a home run in five tries.

For the losers Cyril MacDonagh and Cloyd Doiron each had one hit in three trips.

Flyers Deadlock Series With Thrilling 4-2-2

The Flyers, behind the five hit pitching of Jack Poucher Burke overthrew the best of three series with the Flyers for the City Baseball League Crown when they came up with a 4-2 victory.
