NEW YORK

NEW YORK (AP)—In a surprising persistence of strength, the stock market Tuesday recorded its sixth straight daily advance. Trading was moderately active.

Volume dipped to 3,650,000 shares from 3,890,000 Monday.

Solid investment demand for some of the blue chips was responsible for boosting the popular averages substantially into plus territory. Du Pont rose 5, Union Carbide (ex-dividend) 3⅛, Eastman Kodak 3⅛, Sears Roebuck and International Harvester a point each.

Adoption of a law to give Du Pont shareholders a tax break when the court-ordered distribution of that company's 63,000,000 shares of General Motors is made was a factor in the demand for Du Pont. Other chemicals, including Air Reduction, up 1¾, followed along.

TXL Oil was the most active stock, up 2½ at 30¼ on 176,900 shares. The plan for Texaco to acquire and liquidate TXL boosted the latter. A flood of buy orders delayed opening the stock until afternoon and then it was traded on an initial block of 60,000 shares. The proposal was to exchange seven shares of Texaco for 11 of TXL, giving TXL shareholders a large premium. Texaco retreated 2 points.

An estimated $1,800,000,000 was added to the quoted value of stocks listed on the New York Stock exchange, based on the rise in the Associated Press average, which rose 1.20 to 259.70 with industrials up 2.50, rails up .10 and utilities up .50.

McIntyre Porcupine led gainers on the Canadian list, up 1⅛. Distillers Seagrams was up ¾, International Nickel ⅜ and Canadian Pacific ¼. Dome Mines was off ½ and Granby Mining ⅛.

On a mixed American exchange, Scurry Rainbow Oil lost ⅝ while Brazilian Traction and Canadian Marconi were off ⅛ each. Preston added ⅛.
