The '63 Acadians are here; 11 models in 4 exciting series. Each boasts plenty of brand-new saving features: chassis lubrication improvements; 60 day or 6,000 mile oil changes; self-adjusting brakes—all designed to reduce maintenance costs to a minimum. Also standard, Acadian's well established way of holding gas bills down to a low, low level.

Acadian's clean, uncluttered beauty is extra attractive in '63 because of new styling features, a wide choice of colors and trims. That carefully planned size is perfect for a six-member family. Switch on your choice of a four or six cylinder engine, and GO!

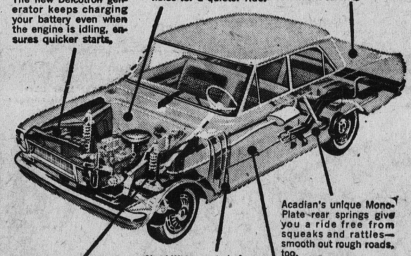

The ride is maple-syrup smooth. The parking, handling and manoeuvring are all effortless. Is it hard to beat? Yes. Where can you see it? Your Acadian-Pontiac-Buick dealer's.

Thrifty 4 or Lively 6 — with all these value features

The new Delcotron generator keeps charging your battery even when the engine is idling, ensures quicker starts.

Every Acadian features acoustically engineered soundproofing at key points—to soak up road noise for a quieter ride.

Acadian's modern unitized body construction is designed for freedom from rattles and squeaks. It's safer and adds extra miles to car life.

High mounted front coil springs give greater comfort, better handling, reduce driver fatigue on long trips.

New! Water and air from the cowl ventilating system flush and air-dry the inside of the rocker panels, reducing corrosion.

Acadian's unique Mono-Plate rear springs give you a ride free from squeaks and rattles—smooth out rough roads, too.

Zinco-Bond rust protection process coats all vulnerable areas where rust can start. You get extra protection that saves you money.

Whitewall tires optional at extra cost.

*And here's the new Canso—
 a new series for 1963*

Here's the 2-door Canso (it also comes in 4-door sedan). It's the newest addition to Acadian's success story. And it's where thrift and luxury are perfectly matched. This year also there are even sportier Beaumont Sport Deluxe models, a more elegantly appointed Beaumont series, and an economy-minded, family-size Invader Series in the line up.

ACADIAN CANSO 2-DOOR SEDAN
