

## Island Dog Winner Of Top Honors In Beagle Trials

An 18 month old beagle, owned by R. M. (Bob) MacDonald of Charlottetown won top honors recently against a field of 46 contestants in a series of beagle trials held at Mount Uniack, 28 miles outside Halifax, N. S.

In winning the coveted honor the MacDonald owned Beagle, named "Bob's Blackie" placed first in the 18 female class and later got the nod of the judges as being the best beagle at the trials.

Bob brought two dogs to Halifax to compete in the trials. His second entry placed third in the class which was won by "Bob's Blackie".

Tommy Benson and Earl Corish of Charlottetown both won fifth with their entries. Benson was fifth

in the 15 male class and Corish was fifth in the 13 female class.

To win the leader's award MacDonald's beagle defeated a field that included entries from the United States, Ontario, Halifax and Sydney.

Although Bob's Blackie won the honors, his owner did not receive the lovely Rose Bowl Trophy which is awarded to the best dog of the Atlantic Beagle Club. Mr. MacDonald was unable to claim the silverware due to the fact he is not a club member.

Bob, who works in the C. N. R. Investigation Department, is an ardent hunter and sports fan. In addition to his interest in shooting and dogs Bob closely follows hockey and baseball.

## SPORT ECHOES

### Big Race Coming Monday

The Kelly brothers are just about all set for their Victoria Day 10-mile bike race.

As in the past two years the race will start in Kensington and finish opposite the Victory Cleaner store in Summerside. The following officials have been appointed: Starter—C. R. Lively; Judges of the first line—Mayor W. A. Corish, "Bud" Mountain, Bob Schurman, John McNeill, Timers—Allie Harris and Norman MacDonald, Attending physician—Dr. Hubert McNeill, Announcer—Sonny Huestis.

The race will start from Kensington at 10:30 p.m. As yet there are only five entries, none from Summerside, but it is expected that there will be further entries in the last day or two.

Transportation for the boys and their bikes to Kensington will be supplied by R. T. Holman, Ltd. If any entrant plans to go to Kensington by some other means of transportation, the City of God or Russ know so that there will be no unnecessary waiting for them to show up.

and that they will dig down to help the financial problem when the man comes round with the hat. Only with their co-operation can the game survive, and if it falls in Summerside this year, we have to do it. It's a last ditch stand, folks, and we're counting on your assistance.

The ways and means committee are concentrating just now on the "Quartet Competition" that is being lined up for June 13. Some top-notch quartets have already entered, but entries from other parts are slow, and we realize that it's a pretty busy time for the farmers these days, so we may have to settle for few entries.

Other numbers will be interspersed between the Quartet selections, assuring the audience of a well-rounded program of singing, dancing, instrumental music and comedy.

This year the finish area of Central Street will be roped off and spectators are requested to keep behind the ropes when the cyclists are finishing. The surge of the crowd almost caused an accident last year.

Besides the main prizes for winners, there will be three prizes offered for the first cyclist to pass the several donors' places of business. Harois Mosaic at New Annan, Lorne Wright at Read's Corner and Jimmie McInnis at Summerside East.

Summerside baseball is to be launched on June 4. The leaders of the movement hope that Summerside baseball fans will rally to their support by their attendance.

Some two dozen presidents, vice-presidents and other executives of various pulp and paper companies are back at school in this atomic energy centre.

## DOWN THE BACK STRETCH

H. L. Monaghan, Sydney, was a visitor this week to the Charlottetown race track, where his horses Barbara Ann Queen 2:09 2/5, Lucky Logan 2:22 2/5, Joey Budlong and Long John are being trained in the stable of Cyril Smith. Barbara Ann Queen was 13 times first, 10 times second and 10 times third out of 37 starts last season. Mr. Monaghan has been a great addition to the racing ranks in the Maritime and has many friends who are glad to greet him here and elsewhere. Due to the rainy weather training has been curtailed at local tracks, but the horses are all getting jogging and slow work and will be better weathered ahead they should be in fairly good shape for the opening night at Charlottetown on June 16th.

George R. MacDonald, who always remembered us with newsy notes when he was the Sears-Robinson & Co., Boston, but who is now retired and living in Charlottetown, has presented us with a copy of The Horseman dated October 23, 1900. Harness racing papers in those days carried fewer summaries, but many stories from great writers. It is also interesting to look over the ads, one \$50, track harness for \$25. Another is a stop watch for \$8.00; a combination road and speed wagon, which was very popular, the guaranteed horse clipping machine hand power for \$8.75, steam \$35 and electric \$30 to \$65. In the editorial notes is the following: "Cresceus failed in his attempts last week at Terre Haute to lower his record of 2:04, but the formancee miles in 2:05 1/4 and 2:04 1/2 served to show the merit of the son of Robert McGregor. The miles were trotted on a raw day in early October and the wind had the sharpest of teeth. With those conditions in mind there is no one, but will agree that the mile trotted was in all respects a remarkable one." Later Cresceus trotted in 2:02 1/4 and was sold for \$50,000 to the Russian government.

And here's another item, special from New Orleans tells of a great shipment of horses and mules to South Africa. It took 56 voyages

to handle the movement. The aggregate value of the cargoes as stated in the manifests was \$6,190,255. That figure is, of course, inflated because the actual value which is no doubt close to the neighborhood of \$10 million. They were undoubtedly the heaviest shipments of live stock for army use ever made from any part in the world. The total number of mules was 42,169 and of horses 18,482. The mules were for pack trains and artillery and the horses for cavalry. Our readers will remember that was during the South African war and the British Government was the purchaser.

The Saratoga Horse Sales at Saratoga Springs, N.Y., completed another successful auction with 182 head being knocked down for \$108,635. Buyers were on hand from eleven eastern states and three Canadian provinces. The weather was sunny and the result was one of the largest crowds in the sales history. Top price went for Indian Drums 3, 2:05, the sensational green 3-year-old trotter trained at Pinehurst. He was sold to Alie Drinkwater of Hackensack, N.J., for \$4,900. Thirty head sold for \$1,000 or over. Mighty Pronto 2, 2:07 4/5 was knocked down to Joseph Broleau of Montreal, Que., for \$3,150. The Mighty H. gelding was in the Wendell W. athen a consignment. Watson's group of four sold for \$6,025. The second high of \$3,500 was for Orilla Hanover, a 2-year-old trotter by Nibble Hanover.

Maritimers were on hand and bought the following: Alivyp, a 3-year-old colt by Alemito, sold to Neil Campbell, Halifax; Countess Blondell 2:13 1/5, bay mare, 10, by Daniel Hanover, to T. L. Chambers, Halifax; Buddy C. Grattan 2:11 2/5, a 9-year-old gelding by Hal Grattan, bought by Neil Campbell, Halifax, \$1,000; Buddy was 5 times first, a times second and 3 times third with winnings of \$1,765 in 1955 and is eligible to the 2:16 pace; Crystal Maid 2, 2:25, roan mare, 3, bought by Eric W. Whobby, Dartmouth, for \$1,900.

## RETAINS MIDDLEWEIGHT TITLE

# Robinson Flattens Olson At 2:51 Of Fourth Round

By BOB MYERS  
LOS ANGELES (AP) — Sugar Ray Robinson of New York, with a magnificent display of precision punching, retained his world middleweight championship Friday night when he knocked out the champion, Carl (Bob) Olson of San Francisco with sensational sud denness in the fourth round of his scheduled 15-round fight.

The end came with a start and a jolt at two minutes and 51 seconds of the fourth when the Harlem dancing master lured Olson in with a short right and then unleashed one blow—a left hook that caught Bobo flush on the chin.

Olson almost flipped over backward in a somersault and landed flat on his back. As referee Mushy Callahan got to about the seven-count, Olson rolled over on his stomach and was trying to lift himself from the canvas.

The Bob man could not do it and Robinson had registered his fourth victory and third knockout over Olson in a series dating back to 1950 and really climaxed in Chicago last December when Sugar Ray knocked Olson out in two rounds to win back the title.

Robinson was still the master, despite his 35 years of age and 16 years in the ring, and the crowd gathered in perfect weather at Wrigley Field gave him a tremendous ovation as he left the scene.

**AHEAD ON POINTS**  
Robinson was ahead on points for the first three rounds in action that was fairly fast. But Olson opened the fourth in forceful fashion and seemed on his way toward winning the round and even giving the champion a rough go.

He made Robinson miss a looping right uppercut and he landed a good stiff left to the mouth midway in the round. Sugar Ray danced back in retreat for perhaps the first time during the fight and the Olson people began to show marked interest in their man.

Then came the dramatic left hook and the fight became almost a carbon copy at twice the distance of the last battle they had in Chicago.

The referee had Robinson in front by one point after three rounds under the 10-points-over-round scoring system. He gave Olson the third round. Judge Tommy Hart had Robinson 30-27, winning two and calling the third round even. Judge Frankie Van had Robinson winning all three rounds. The Associated Press called the third even and had Robinson two points ahead.

**GOOD CROWD**  
The crowd was estimated at 18,000 with gate receipts approximately \$200,000 or more.

Robinson set a fast pace as soon as the bell sounded. He shot a right that jolted Olson's head and followed with a left hook to the jaw.

Olson always is a slow man to get started and it was obvious that his battle plan was to either stay clear out of Robinson's longer reach or stick in close and tie Sugar up in clinches.

Bobo did connect with a good right to the stomach in the first round and another one in the second but Robinson kept a straight left and a right cross going in consistent manner.

Olson drew a few boos for clinching and one a loud one when he wrestled Robinson into the ropes

near his own corner.

Late in the third, Olson connected with a sneak right to the jaw. It did not seem to bother the champion, but it may have made Bobo grow bolder.

Olson opened the fatal fourth with a display of aggressiveness and Robinson even looked worried as the round progressed. He must have been pulling an act when he struck it was like lightning and almost as lethal.

## Connie Mack's Estate Valued At \$58,952

PHILADELPHIA (AP) — Connie Mack left an estate valued at \$58,952, an inventory showed Friday. Mack, former manager of the Philadelphia Athletics and "grand old man of baseball," died at the age of 93 last Feb. 8.

When his will was probated, his estate was estimated at \$30,000. The will gave one-third of his possessions to his wife, Katherine A. McGillicuddy; \$5,000 each to four persons, Robert and Cornelius McCambridge, sons of a deceased daughter, Marguerite, J. Channing Ellery, an attorney who represented Mack, and Stoughton Sterlings, an accountant who audited the books of the ball club.

The rest was given in equal shares to four daughters, Mrs. Mary Schurr, Mrs. Ruth Cunningham, Mrs. Rita Breedlove, and Mrs. Elizabeth Nolan.

## CURT SIMMONS HURLS 3-HITTER

By THE CANADIAN PRESS  
The Detroit Tigers, shut out on four hits for 1-3 innings by southpaw Don Ferrarese, exploded for three runs in the ninth Friday and gained a 3-2 triumph over the Baltimore Orioles.

The big blow was a two-run double by reserve first baseman Phil Phillips. The winning run came two plays later when Oriole first baseman Gus Triandos took pinch hitter Charlie Maxwell's roller and threw past second base. It went as a fielder's choice, an error and the ball game.

off Ray Narleski, Cleveland's third pitcher. It was Narleski's second loss against no wins.

Phillips had hit a double and two singles off starter Early Wynn, and a triple off Don Mossi. The Tigers snatched away an out in the first inning, when Wynn fanned him.

The victory went to Veston Stewart, who came on in the eighth inning.

Brooklyn (AP) — The free-swinging Cincinnati Redlegs got rid of Carl (No-Hit) Erskine early, but had to go 10 innings Friday night before wrecking Brooklyn's six-game winning streak 7-6 on Ray Jablonski's second home run of the game as unbeaten Brooks Lawrence

staggered to his fifth victory. Jabbo, who drove in four runs for Redlegs with a solo homer in the second and a bases-loaded single that chased Erskine in the third, teed off on reliever Ed Roebuck, for the winning shot with one out in the 10th. It was Jablonski's eighth of the season.

Roebuck, without a previous decision, was the fifth Dodger hurler to face the Redlegs, who belted 12 hits while climbing within a half game of the third place world champions.

Erskine, bidding for a second straight no-hitter after blanking the New York Giants 3-0 last Saturday, lasted only 2-1-3 innings, giving up six hits. He was charged with the first five Redlegs runs.

## ON OLSON-ROBINSON

LOS ANGELES (AP) — World Middleweight Champion Sugar Ray Robinson of New York and challenger Carl (Bobo) Olson of San Francisco both were faced with legal action to tie up their purses a few hours before their 15-round title fight here Friday night.

Olson's estranged wife, Helen V. Olson, in Redwood City filed a suit to freeze Bobo's purse, and later the United States court of appeals revenue slapped a lien for \$89,981.91 against Robinson in a back income tax wrangle.

Robert Riddell, district director of internal revenue here, said he took the action after a telephone call from the bureau in New York city earlier in the day.

Riddell said the income tax sum was an accumulation of taxes and penalties dating through the years 1944-49, plus 1953.

## Abbies Sponsor Baseball Films At Armouries Today

President Art Burns of the Abegweit Amateur Athletic Ass'n. last evening announced that as an opener to the current baseball season in Charlottetown the Abegweit Club is showing three outstanding films at the Armouries today. Films to be shown are "Circling the Bases", "Batting Stars of Baseball" and the "1955 World Series".

Owing to the continued chilly weather baseball enthusiasm and practices have been held up here in such as these will do a lot to awaken interest and stir our ball handlers into readiness to get under way when the weather changes.

All players and fans interested in ball are invited to see the showing at the Armouries. Through the kind co-operation and permission of the Officer Commanding the Armouries arrangements have been made for showings at 2:30 and 7:00 p.m. Little Leaguers, and younger fans are asked to take in the afternoon show and the Juniors, Intermediates, and older fans showing will be held in the evening.

In the event of an overflow crowd at either show the program will be rerun in order to avoid disappointment to anyone.

## Sugar Ray's Next Goal Is Light Heavyweight Ch'ship

LOS ANGELES (AP) — Minutes after retaining his middleweight boxing title, Sugar Ray Robinson indicated his next goal will be another shot at the light heavyweight crown.

Breathing normally in a dressing room filled with jubilation, Robinson nodded when one of his managers, Joe Glasser, told newspapermen they now wanted to go after the 175-pound title owned by Archie Moore.

Sugar Ray tried once before to go up a step and lost via a 14th round kayo to ex-champ Joey Maxim in 1952.

About Friday night's fight, Robinson said: "On orders from my corner I was holding back and trying to feel him out. Olson was just trying to stay. He wasn't trying to fight too much. I set him up with a right to the body and the knock-out punch was the left hook to the jaw. I hit him good."

The first tournament of the year will be held this weekend at the Belvedere Club. Participants may arrange to play their matches today, Sunday or Monday.

The tournament will be 9 holes. The holes that are ready for play are nos. 1, 2, 3, 10, 11, 12, 13, 17, and 18. All others are unfit for use as yet.

Many local golfers have gotten in a few swings during the week and it is expected that the tournament will have a good number of entrants.

Bobo said he thought he was getting stronger and Robinson was weakening as they went into the fourth round.

"I was trying harder, then-whoom," Bobo declared. "That guy has got a jinx on me, I guess."

Olson wouldn't comment on any future plans and Flaherty was also mum.

## Remember When

(By The Canadian Press)  
Jack Johnson, in his first title defence since winning the world heavyweight crown from Tommy Burns, was held to a draw in six rounds by Jack O'Brien at Philadelphia 47 years ago today. The big negro held on to the title another six years before he was defeated by Jess Willard at Havana in 1915.

When I knocked him out," the Harlem dandy laughed back.

OLSON STILL DAZED  
Olson still was dazed and dejected in his dressing room. He kept shaking his head and asking his manager Sid Flaherty: "How could it happen so fast?" Bobo said he never saw the

## Season's First Golf Tourney This Weekend
