Local and Other Items.

EXPECTED.—The Miramichi is expected here this evening.

POLICE COURT.—One drunk, Isaac Henderson, was fined $2 or 8 days.

THE GULNARE.—The surveying steamer Gulnare arrived here last night.

Have you a fever? Campbell's Quinine Wine will make you as cool as a cucumber.

MUSICAL.—The Citizen's Band will meet for practice this evening, at 8 o'clock, sharp. Important business. R. Galbraith, Conductor.

AQUATIC.—Hanlan has intimated his willingness to row Wallace Ross for £1000, over the Thames championship course. Ross has not yet been heard from.

Are you weak and pale? Use Campbell's Quinine Wine and you will blossom as the rose.

MORE SMUGGLING.—A Halifax despatch says that an Italian pedlar is reported to have smuggled $100 worth of jewelry from Boston on the last trip of the Halifax.

For restoring the color, thickening the growth, and beautifying the hair, and for preventing baldness, Hall's Hair Renewer is unsurpassed.

THEIR PAY INCREASED.—It is reported that the Halifax freight porters and laborers on the I. C. R. have been notified of an increase of fifteen cents per day, dating from the first inst.

ANOTHER "JACK THE RIPPER" CASE.—It is said that the body of a woman has been found on Murray canal, near Brighton, Ont., and that her arms and legs were cut off and her face disfigured beyond identification. The matter is being investigated.

WHEN the hair shows signs of failing, begin at once to use Ayer's Hair Vigor. This preparation strengthens the scalp, promotes the growth of new hair, restores the natural color of gray and faded hair, and renders it soft, pliant, and glossy.

APPLE BLOSSOMS IN OCTOBER.—Apple blossoms on the 18th of October are unusual. But Mr. Dockendorff, of North River, brought to THE EXAMINER to-day a sprig from an apple tree, broken off this morning, on which a blossom is just coming out.

FOR HALIFAX.—The steamer Princess Beatrice, Captain Kelly, sailed for Halifax, via intermediate ports, at five o'clock yesterday afternoon. She had a cargo of potatoes, oats, pork and canned meats. Mr. William O'Connell and Captain McPherson were among the passengers.

NELSON DEFEATED.—There was a large attendance at the trotting races at Lexington, Ky., on the 15th. The weather was cool and clear and the track good. The interest centred in the $5,000 stake for the 2.20 class. Nelson, the favorite, was badly beaten by the Chicago horse Jack, driven by Budd Doble, he winning the race in three straight heats.

VALUABLE COLT.—We are handed a letter from a gentleman at Quebec to Mr. Charles Dockendorff, of North River, stating that a colt purchased from Mr. Dockendoff four years since, can show better than 2.30, and cannot be bought for $5000. This colt was sired by Hernando, dam Fairmaid, and is a full brother to Fairmont, which took first prize in his class at our Provincial Exhibition recently held at Charlottetown.

A MODEL WAY.—In one of our Sabbath Schools last Sunday a teacher offered up the following prayer for the return of some books missing from the library:—

Heavenly Father,—There are two hundred books missing from our library; please, oh, Father, remind the scholars—each boy and girl—and next Lord's Day may they bring them back!

It is hoped that the result will be satisfactory.

INDICTED FOR MURDER.—The Boston papers reports that William Hennessey has been indicted in the Supreme Criminal Court in that city for the murder of his wife Catherine, in the South Boston District, on the 29th September. The indictment contains five counts, charging Hennessey with beating, kicking, and otherwise fatally assaulting his wife. Domestic troubles are at the bottom of the terrible affair. Hennessey will be arraigned for trial in the Supreme Court. Both he and the murdered woman formerly lived in this city.

BUSINESS NOTES.—Messrs. Connolly & Co. have secured the vacant store south of their present stand on Queen Street, and will open a second place of business there as soon as it is fitted up. The change is made necessary owing to their largely increased trade. Mr. A. E. McEachen, finding that the old premises on the east side of Queen street were too small for his large and ever-increasing dry goods trade, has removed across the street to newer and more commodious quarters, where he is at all times pleased to see his old customers as well as any number of new ones.

WEDDING AT CAPE TORMENTINE.—A Cape Tormentine special to the Moncton *Transcript* says: A very pretty home wedding took place Wednesday evening last at the residence of Wm. P. Dobson. The contracting parties were his daughter, Cassie and Mr. Fred. Rattray, of Charlottetown. The ceremony was performed by the Rev. A. D. McCully. The bride was dressed in white silk with orange blossoms. The presents were very numerous. Relatives and friends to the number of 150 were present to witness the ceremony. Mr. and Mrs. Rattray leave in a few days for Charlottetown, P. E. I. That their married life may be a long, prosperous and a happy one, is the wish of their many friends.

AN ISLANDER HURT.—An exchange says: Joseph A. Stewart, a man hailing from Prince Edward Island, was horribly cut on Monday afternoon at the boarding house of Joseph Gaffney, on Washington street, Bangor. He was drunk, and, becoming engaged in some altercation, struck at a man. Instead of hitting his intended victim, the hand went crushing though a window, and the glass cut deep into the arm at the wrist. The main artery was severed and the blood commenced spurting from the gaping wound in a perfect stream. Two of the man's friends immediately bound a cord around his arm, and while this reduced the flow of blood, it did not stop it. The wounded man was taken to the police station, where he almost fainted from loss of blood, and would have bled to death in a very few moments without medical aid. He was engaged to go into the woods, but it is not likely that he will be able to do anything in this line for some time to come.

SPECIAL DESPATCHES TO THE EXAMINER.

The Marine Conference.

WASHINGTON, Oct. 17.

The delegates to the International Marine Conference met at 11 o'clock this morning in the Wallack House. Lieut. Colegan, of the United States Navy, who is included in the States delegation, was elected Principal Secretary. Hon. C. A. Spring, chief of the English delegation, Charles Videre, of France, and Walter Blaess, of Germany, were appointed additional secretaries. Hall stated that Her Brittanic Majesty's Gvernment would not consider binding any regulations or conclusions adopted by the Conference. A resolution was adopted that each nation represented in the conference is entitled to one vote on every question. The Conference begun the consideration of rules to be followed in the navigation of all public and private vessels of the United States upon the high seas, and in all coasting seas of the United States, except within the harbors, lakes and inland waters, as a basis for the proposed international rules. The first rule defines sailing and steam ships; the second directs several lights described in subsequent articles to be carried from sunset until sunrise. The third article, defining the locations of lights to be carried by seagoing steamships, was under discussion when recess was taken.

The Candy Poisoning Case.

ST. JOHN, Oct. 17.

The inquest was resumed this afternoon. Alfred Langstroth swore that he had heard McDonald make remarks of a character that led him to believe that he was opposed to ministers in general. Mrs. Barker, sister of the prisoner, explained that the only way she could account for her young son saying she got a box of candy and threw it into the fire was that, a few nigths ago he was teasing her, and asking about candy and what she would do with candy sent to her, and she replied, "Why, I threw it into the fire." The whole afternoon was taken up with the examination of these two witnesses and the reading over of depositions. The inquest was adjourned until to-morrow afternoon, when the coroner will review the evidence and give the case to the jury.

The Behring Sea Trouble.

LONDON, Oct. 17.

The master of the British schooner Juanita, engaged in the seal fishery in the Behring Sea, has written a letter to the *Times* from Victoria, B. C., in which he appeals to the British public to move for what he regards as justice in the Behring Sea dispute, and he asserts that there is every probability if the policy of the past four years is continued that America will be able to make good her claim to the Eastern half of the Behring Sea. He thinks energetic action by the English is absolutely necessary to prevent Canadian fishermen from being completely driven out of it.

Ottawa News Nuggets.

OTTAWA, Oct. 17.

It is stated in Government circles that the chief reason why the Anderson fast Steamship Line failed, was because the Canadian Pacific Company insisted that the steamships should connect with their road and not with the Intercolonial.

It is stated to-day that the contract for the West India steamship service has been awarded to Pickford & Black, of Halifax.

The outbreak of smallpox at Peale Island, Ont., is said to be more serious than at first reported.
