

PRESTIGIOUS HONORS

duty in Fredericton in a pair of important games against UNB. He responded with a fine performance and triggered the Panthers comeback, setting up two goals in less than a minute.

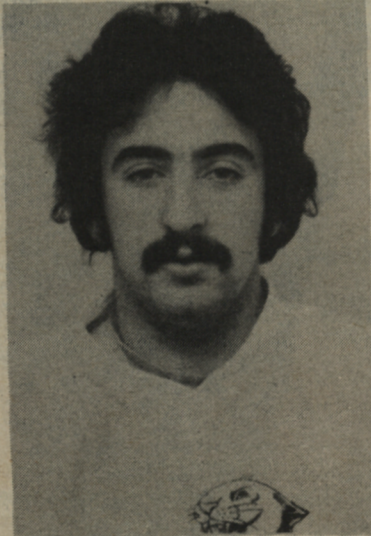

Mike Sellick

Dave Pineau was also in his first year with the Panthers. When camp opened he was not expected to gain a regular spot but his determination and desire left coach Hynes without any choice. He regularly played and played well. The highlight of his season came just before Christmas when he played two outstanding games against St. F.X. and Dalhousie. He was instrumental in the two wins that got the Panthers rolling.

Brian Cameron, in his second year with the club, enjoyed his finest year as a player. He steadily improved throughout the year and played sensational hockey for the Panthers last weekend in Halifax against the St. Mary's Huskies. He was a steady performer all year, at both ends of the rink and was one of those who picked up the slack when injuries crept up on the club.

Mike Selleck saw a three year career come to an end. He enjoyed his finest year this season and set a UPEI record with five assists in one game earlier in the season against UNB. He has been a leader on the ice for the Panthers for his entire

Dave Pineau

stay here at UPEI and will be sorely missed by all those connected with the hockey program.

Ken Burton, the ideal student athlete, saw his career come to an end as well. Over his career he averaged over a point a game and led the team in goals two of his three season. He was the assistant captain his final two years and was the real team leader coming down the stretch this season. A real class player who never gave up and made hard work the rule, not the exception.

Wilf MacDonald. What can anyone say? The corner-

stone of the program for the past four years. All-Conference three years in a row, team MVP, athlete of the Year and on and on. The greatest player ever to

Brian Cameron

wear the green and white and a void that won't be easily replaced.

Those are just capsule comments on six players who have meant so much to the hockey program at the University. They have been leaders in the program as well as excellent students. They are the type of individuals that we can all be proud of and quick to admit that they are one of the gang from UPEI.

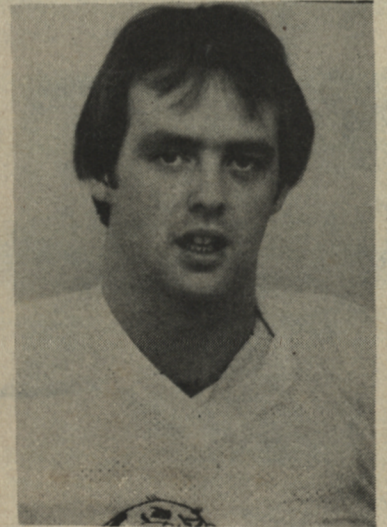

Following the ceremonies for the seniors there was a special presentation made to #18 of the Panthers, Wilf MacDonald, by the Lieut. Governor of the Province of Prince Edward Island, Gordon Bennett. The presentation was made on behalf of all the hockey fans of Prince Edward Island. The Lieut. Governor presented Wilf with a plaque that read as follows:

"TO WILFRED MACDONALD AN OUTSTANDING ATHLETE WHO EXEMPLIFIED TO THE HIGHEST DEGREE THE QUALITIES SPORTSMANSHIP, SKILL, LEADERSHIP, ACADEMIC

ACHIEVEMENT AND CLASS DURING HIS INTERCOLLEGIATE CAREER AT THE UNIVERSITY OF PRINCE EDWARD ISLAND."

Although much of the afternoon's fanfare went to MacDonald the entire group of seniors deserves terrific recognition.

They have combined an education with intense competition and training in intercollegiate athletics and have excelled at both. It is because of people like Larry Mayhew, Dave Pineau, Brian Cameron, Mike Selleck, Ken Burton and Wilfred MacDonald that intercollegiate sports has the image it has. They are all fine gentlemen and ones which everyone at UPEI is proud of. Although for many it was a sad occasion to say farewell, but in fact it was more of a happy event in that we honored six great people who have made many great moments for us all. More importantly it marks not the end but the beginning for these six seniors and all of UPEI wished them well. To LARRY, DAVE, BRIAN, MIKE, KEN AND WILFRED THANK YOU VERY MUCH AND BEST OF LUCK WHEREVER YOU GO.

Larry Mayhew

Learn French this Summer and enjoy Toronto too!

(BURSARIES AVAILABLE)

York University's Centre for Continuing Education offers a six-week immersion programme in Canada's official languages, French and English, from July 2 to August 10, 1979 in Toronto. Tuition and board will be paid through a Federal Government bursary.

Applicants must be Canadian citizens at least 16 years of age and presently enrolled in a secondary or post-secondary educational institution.

For more information about the Summer Language Bursary Programme call your provincial co-ordinator:

Mr. Ronald F. Rice 902-892-3504
