HELLO! DYSPEPTICS!

Read the Words That Tell How to Cure Dyspepsia.

The Cure is Simple, Easy and Sure—It is Effected by Dodd's Dyspepsia Tablets, Which Cure by Removing the Cause.

"Oh! he's dyspeptic! There's no use talking to him." How often we hear such expressions used with regard to some poor, suffering victim of a disordered stomach or an imperfect digestion.

His misfortune is viewed as a wilful fault, and he is called a crank, or a disagreeable toor, and is avoided and mistrusted by those who once were his friends and companions.

His physical sufferings are very great and very hard to bear, but when mental torture is added, his lot becomes unbearable.

Very frequently suicide is the result. There is a way to escape all these tortures—all the physical and mental agonies that Dyspepsia brings. It is a very simple and easy way.

To get rid of dyspepsia, we must remove the cause. Dyspepsia is caused by imperfect digestion. Therefore, to get rid of dyspepsia, we must make the digestion perfect.

Dodd's Dyspepsia Tablets do this. They digest the food themselves.

Thus they remove, thoroughly and absolutely, the cause of disease. Therefore the disease itself and all its effects must go too.

Two or three weeks' use of Dodd's Dyspepsia Tablets rests the stomach sufficiently to allow it to regain its strength.

The Tablets act on the stomach itself, imparting to it strength and vigor. Dodd's Dyspepsia Tablets quickly and permanently cure indigestion, biliousness, sick headache and all other stomach troubles.

Dodd's Dyspepsia Tablets are sold by all druggists at fifty cents a box, six boxes \$2.50, or sent, on receipt of price, by the Dodd's Medicine Co., Limited, Toronto, Ont.

Many persons cannot take plain cod-liver oil.

They cannot digest it. It upsets the stomach.

Knowing these things, we have digested the oil in Scott's Emulsion of Cod-liver Oil with Hypophosphites; that is, we have broken it up into little globules, or droplets.

We use machinery to do the work of the digestive organs, and you obtain the good effects of the digested oil at once. That is why you can take Scott's Emulsion.

See, and \$1.00, all druggists. SCOTT & BOWNE, Chemists, Toronto.

Alva, Wegler's Predecessor.
 Crossing the Flemish borders, Alva laid siege to all the chief towns, and every triumph he gained was sullied by the most vindictive cruelty. In capitulating the garrisons were shown no mercy, and "every atrocity which greed of rapine, wantonness of lust and blood-thirsty love of slaughter could devise was perpetrated by his express direction." In spite of these horrors the war of liberation among the Dutch went on, and the beacon fires of freedom were everywhere lighted.

Unfortunately at the time Queen Elizabeth of England had re-established friendly relations with Spain, and the trading merchants and hardy mariners of the Netherlands were excluded from the kingdom. These "beggars of the sea," as they styled themselves, driven back by necessity upon their own country, sought to establish a base for their patriotic operations and fell upon the Spanish garrisons in the Dutch seaports of Brill and Flushing, and, expelling them, raised the banner of their Orange deliverer.

Alva was in time succeeded by his son, Don Frederic, but affairs took no brighter hue for the Dutch. Towns were taken by assault, and in spite of Spanish promises to spare life and property Alva could boastfully write to King Philip that they had cut the throats of the burghers and all the garrison (of Naarden) and had not left a mother's son alive.—Self Culture.

He Did Not Recognize Whey.

The special correspondent of a well known trades paper furnished a most satisfactory laugh awhile ago for a friend of his who lives up in northern New York state, and he does not know it yet. He had gone up the state to visit some mill or other, and the before mentioned friend volunteered to drive him over to his destination. Now, while the special correspondent has a wonderfully general fund of information he knows little about the country, and when they were passing a large cheese factory he exclaimed: "Why, there's a creamery! Just wait a minute while I go in and get a drink of buttermilk."

With this he jumped out of the carriage and entered the building. My country friend says that whey is not pleasant to take and that even the pigs won't eat it. But when the special correspondent asked for buttermilk the people in the factory gave him a big glass of thin, acidulous liquid, which he swallowed down at a draft. The drive was then continued. The special correspondent seemed to be very thoughtful. He finally exclaimed in his explosive fashion:

"Well, Smith, I don't know what breed of cows you raise up here, but that was the darndest buttermilk I ever tasted."—Paper Mill.

Two Steps at a Time.

One evidence of the ever hustling characteristics of the average New Yorker is shown on the stairways of the up town station of the elevated railroad at Park place and Church street. The steps of these stairways are covered with rubber, but every other step has large iron rings imbedded in the rubber.

This was caused by the fact that the New Yorker is never content to wait even one minute for a train, and that when he hears one approaching as he is at the foot of the stairs he will rush up the stairs two steps at a time hoping to catch the train.

As a result the elevated railroad officials noticed that the rubber matting on every other step was wearing out twice as quickly as the rest. For a long time they pondered as to the cause, and one day Manager Francioli solved the problem. To know was to act in his case, and the steel re-enforced rubber now lasts if anything longer than the ordinary mats on the other steps.

SAVED A FORESTER.

John J. Burns Cured of Kidney Disease by Dodd's Kidney Pills.

His Doctors Could do Him no Good—He Suffered Terrible Agony—But Blessed Relief and Complete Cure Followed His Use of Dodd's Kidney Pills.

GRANVILLE, P. E. I., July 15.—Among the members of the Independent Order of Foresters in this district Bro. John J. Burns, of Darley, is both prominent and popular.

Bro. Burns' experience with Kidney Disease has taught his fellow Foresters a lesson that will long be remembered.

Briefly, Bro. Burns' case was this: He suffered for some years with inflammation of the kidneys. Several physicians attended him, but they failed to help him. His sufferings were terribly severe. For some time he was utterly unable to move. He could not sleep. Agony was his constant guest, recovery seemed beyond reach.

He read one day of Dodd's Kidney Pills having cured a supposedly hopeless case of kidney disease.

He bought and used a box. The first few doses did him marked good. He improved steadily, and six boxes of Dodd's Kidney Pills cured him completely.

This is only one of the thousand cases of Kidney Disease cured by Dodd's Kidney Pills. They have proved that they are man's only cure for Bright's Disease, Diabetes, Dropsy, Lumbago, Rheumatism, Gout, Gravel, Stone in the Bladder, Liver and Urinary Complaints, Female Trouble, Jaundice, Asthma, Consumption, Paralysis, Nervous Debility, Fainting Fits, and Heart Failure.

These are all caused by weak or diseased kidneys which allow Uric Acid and other poisonous matter to remain in the blood, and cause one or other of the above complaints.

Dodd's Kidney Pills heal the kidneys. They thus ensure a full supply of pure rich blood, cutting away the roots of the disease.

Dodd's Kidney Pills are sold by all druggists at fifty cents a box, six boxes \$2.50, or sent, on receipt of price, by The Dodd's Medicine Co., Limited, Toronto, Ont.

Weak and Run Down, With Heart and Kidneys in Bad Condition—Restored by Hood's Sarsaparilla.

"I was very much run down, having been sick for several months. I had been trying different remedies which did me no good. I would have severe spells of coughing that would leave me prostrate. I was told that my lungs were affected, and my heart and kidneys were in a bad condition. In fact, it seemed as though every organ was out of order. I felt that something must be done and my brother advised me to try Hood's Sarsaparilla. I procured a bottle and began taking it. Before it was half gone I felt that it was helping me. I continued its use and it has made me a new woman. I cannot praise it too highly." MRS. SUMMERVILLE, 217 Ossington Avenue, Toronto, Ontario. Get only Hood's, because
