Travellers Top Legion Juniors

Led by the two hit, fifteen strikeout pitching of Billy Weatherbir the United Commercial Travellers took a strangle hold on first place in the Charlottetown and District Junior Baseball League last evening as they downed the Royal Canadian Legion entry in the loop 4-2.

However he had a bit of luck along the way for the Legion got to him in the top of their seventh for three hits and two runs. These runs however were erased from the books when it became too dark for the Travellers to take their turn at bat in the seventh.

The Travellers struck early in the game and young southpaw John White lasted only two thirds of an inning before he was shelled by manager of the Legion Carl MacQuaid. However the damage had already been done and the Travellers sported a three run lead as they took the field in the second.

The Legion pushed across two runs in the fourth as they made the most of one of their two hits and a couple of walks. Glen Claybourn led of the bottom of the bottom of fourth with a tripled for the winners and he singled home by Ginger Breeden. Then came the two run splurge by the Legion in the seventh which was, as mentioned before, wiped out.

MacQuaid allowed only seven hits while on the mound and he recorded six strikeouts while walking one batter. He was not aided by five errors committed by his teamates. The Travellers left 12 batters stranded on the basepaths due to some good clutch hurling by MacQuaid while the Legion had only five die while running.

Corran Bann Drops Juniors

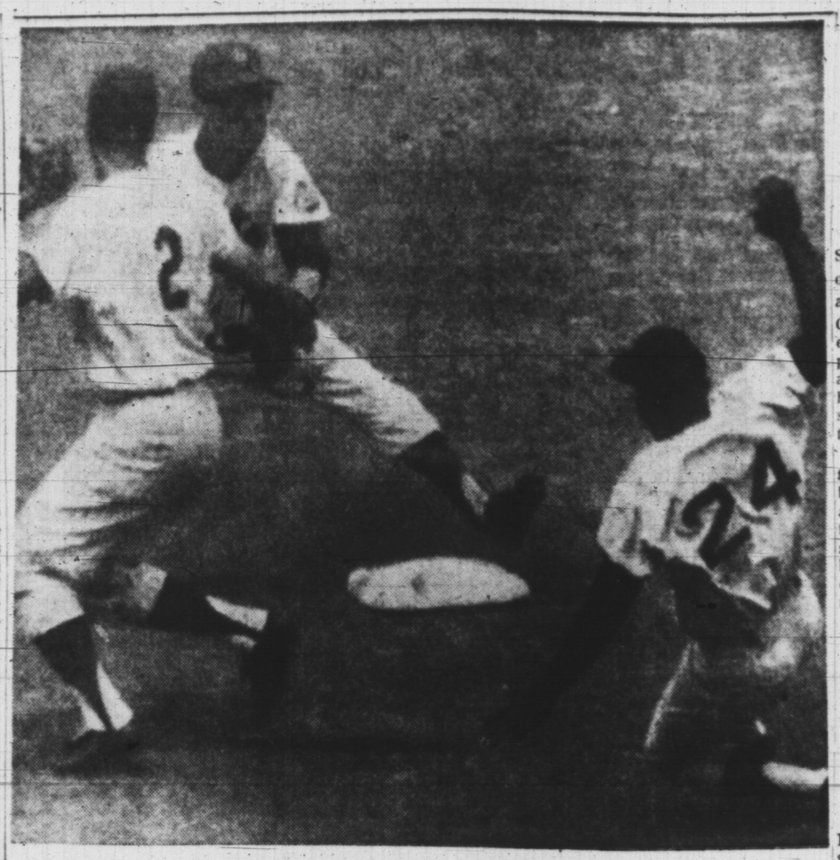
The Corran Ban CeeBees whipped the Juniors 6-4 last evening in a regularly scheduled game of the City Softball league. John Hughes toed the mound for the winners and he allowed only two hits, while walking five batters and striking out five players. Jake Gallant went the route for the losers allowing eleven hits one base on balls and had one strikeout.

Some haphazard play by the Juniors in the third inning led to a four run stanza for Corran Ban and that proved to be the winning margin. An error to an outfielder led to the four runs.

Leading at the plate for the winners were Norbie Hughes with a 2-3 mark and a homer while John Hughes had the same mark as he beat out two perfect bunts. Another big hitter was Kay Hughes who had three singles in four trips to the plate.

For the losers Jim Dowling shone as he had a homer for a 1-2 performance and he also scored another run after he had got on first on an error. Jim Petrie had the only other Junior hit, a double. The CeeBees had four errors in the game and the Juniors three.

In Junior action this evening the BIS Shamrocks will face the Dodgers.



WYNN CAUGHT STEALING

Houston center fielder Jimmy Wynn (24) slides toward waiting New York shortstop Roy McMillan on an ill-fated attempt to steal second base in fourth inning of the Astros-Mets first game of a doubleheader today at Shea Stadium. Mets second baseman Chuck Hiller (2) runs for cover. Wynn walked but was out on Mets catcher Hawk Taylor's throw. The Mets took the first game, 4-1, for three in a row over the Astros.

Canuck Claude Raymond Is One Of Best Relievers

By MURRAY CHASS

NEW YORK (AP) — As a hockey player, Claude Raymond wasn't fast enough and couldn't avoid getting hit.

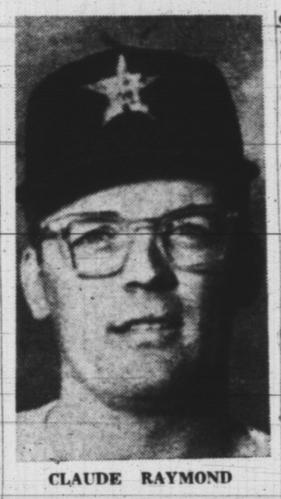
As a baseball player, he has enough speed and avoids getting hit just enough to be one of the best relief pitchers in the majors.

And as a baseball player, Raymond is a rarity.

The Houston Astro ace, a member of the National League squad in last week's All - Star game, is a French Canadian—the only one in the majors.

Raymond started out in hockey, but lack of ability detoured him.

"I got my first pair of skates when I was three years old," said the St. Jean, Que., resident, who was in New York for the Astros' three-game series with the Mets. "All the Canadian boys start when they are young.



CLAUDE RAYMOND

"But I was just an average skater. I never would have gone anywhere in hockey. They won't even look at you if you're not an extra fast skater. I tried goal, but I got hit in the face a few times so I quit that. Then I decided to play baseball."

BEST SEASON

After finishing the past three out of four seasons — two with Milwaukee and two with Houston—with earned run averages under 3.00, the 29-year-old righthander is working on his best season, compiling a 5-3 record and a 1.86 earned run average.

His clutch relief pitching is one of the major factors behind the Astros' rise to the first division.

Raymond started playing baseball several years after he started skating. When he was about 14, he switched from the outfield to pitching at the suggestion of Gordon Mulsberger, manager of the St. Jean team in the Quebec Provincial League.

Leaving his job as bat boy of the St. Jean team, Raymond played junior league ball in Montreal for two years, and in 1955 signed with the Milwaukee organization.

"I quit playing hockey when I signed my first contract," the bespectacled Raymond said.

NO PRO HOCKEY

"Now my contact says I can't play hockey professionally. During the winter, though, I play three or four times a week at the local rink in the afternoon just to stay in shape.

"There's always a dozen guys around, and we split up. It's just for fun. We don't have any body checking."

Minnesota's Tony Oliva Moves Into Second Spot

NEW YORK (AP) — Minnesota's Tony Oliva, who escaped serious injury in an automobile accident Sunday, has stepped up his hitting pace while seeking to win the American League batting championship for the third straight year.

The 25 - year - old outfielder moved into second place behind Baltimore's Russ Snyder by collecting nine hits in 19 times at bat last week. He boosted his average nine points to .323. Snyder is hitting .335.

Oliva suffered a bruised right hip and complained of whiplash in his neck following the car accident. X-rays were taken at a hospital, and he was released in time to play in the doubleheader against New York Yankees He had five hits in nine trips.

The Twins' star captured the 1964 title as a rookie with a .323 mark and won it last season with .321.

Snyder slumped 12 points, managing only four safeties in 19 at bats last week. Al Kaline of Detroit fell one place to third. He had only one hit in 10 attempts and is hitting .316, a drop of nine points from last week.

IS DOWN TWO POINTS

Frank Robinson of Baltimore, the runner - up a week ago, slipped two points to fourth at .308. He is followed by teammate Brooks Robinson, .297.

The figures include Sunday's games.

The leading Pittsburgh Pirates continue to dominate the National League batting race although their top men slumped a bit last week. Matty Alou is No. 1 with a .337 average followed by Willie Stargell with .336 and Roberto Clemente, .325.

Alou and Stargell each dropped one point, while Clemente slipped three points in last week's games.

Rico Carty of Atlanta and Joe Morgan of Houston are tied for fourth at .319. Morgan has been sidelined since June 24 with a broken kneecap.

Hank Aaron of Atlanta remains No. 1 in the NL in homers with 27 and runs batted in with 71. He had one homer and four RBI last week.

Joe Pepitone of New York Yankees slammed three homers and tied Frank Robinson for the AL lead. Each has 22. Brooks Robinson, who had three RBI, continues to lead in that category with 73.

MANTLE ON THE MEND

Mickey Mantle, New York outfielder receives a pair of hand made candles last night from Debra Shoper, 8. Debra representing a local mental retardation society, leans in to kiss the slugger. Mantle is in Dallas taking a rest after a recent injury. Mantle was on hand to present awards to little leaguers prior to the Dallas-Fort Worth - Albouquerque baseball game.

Cup Champion Brazil Faces Big Problems

LONDON (CP) — Brazil reaches its crisis stage tonight in the World Cup with injuries and old age threatening its eight-year reign as world soccer champions.

Coach Vicente Feola delayed until the last minute his team selection for the make-or-break match against unbeaten Portugal at Liverpool's Goodison Park stadium.

Only one thing is certain: Pele, Brazil's 26-year-old inside forward genius, is fit and will play. He didn't play against Hungary, and Brazil lost 3-1.

But the task facing the world champions looks mountain-high, even with Pele. Brazilian officials anxiously watched the Negro superstar go through a separate workout from the team Monday to test his damaged right knee. He came through the workout in good shape.

Sixteen countries play their last games of the preliminary stage in the three-week tournament tonight and Wednesday night, with eight advancing to the quarter-finals Saturday.

Portugal leads Group Three with two victories and four points. The Portuguese have scored six goals and allowed only one, the best record in the tournament.

Brazil is 3-3 and Hungary 4-4 in goals scored and allowed. Anything less than a win against Portugal by at least three goals will leave Brazil's fate resting on Hungary's score against Bulgaria Wednesday night.

The 16 countries are evenly divided into four groups. The top two in each group go into the quarter-finals. In case of a tie in points, the team with the best goal average will be the winner.

Tonight's Schedule
(Starting times EDT)

Mexico vs. Uruguay 11:30 a.m.
Argentina vs. Switzerland 2:30 p.m.
Portugal vs. Brazil 2:30 p.m.
Italy vs. North Korea 2:30 p.m.

Portuguese coach Otto Glorta, wingers in the competition plotting the downfall of his former countrymen—he moved to Portugal from Brazil 12 years ago—sticks with the same forward lines that whipped Hungary 3-1 and Bulgaria 3-0. But he has reshuffled his defence considerably.

PROMISE ATTACK

Gloria promised an attacking game with Portugal looking for goals — the decisive factor if Group Four should end in a three-way tie.

"We shan't retreat into a defensive shell," he said.

"It is possible, of course, with players of Brazil's calibre that they will score the three goals they need to beat our goal average, but it will be difficult for them."

A key man in the Portuguese strategy against Brazil will be defender Vicente, who, like inside forward Eusebio, learned his soccer barefoot in Mozambique.

His job: To keep Pele out of the play. He has shown before that he can do it.

Said Vincete: "Pele is the greatest player I've ever been up against. I've played five times against him and only been on the winning side once. But in those five matches, Pele scored only two goals."

GOALIE HURT

Brazil's goalkeeper Gylmar was limping heavily, and team physician Dr. Hilton Gosling said he was a doubtful starter against Portugal. Other players definitely out are linkman Zito and inside forward Alcindo.

One headache for the Brazilian selectors is whether veteran stars Djalmar Santos and Garrincha can hold their place against a Portuguese side that knows all the soccer answers.

Djalma Santos, 37, is in his fourth World Cup campaign. Against both Hungary and Bulgaria he was the rock of the Brazilian defence, calm under pressure and never caught out of position.

But against Portugal he has to face Simoes, one of the fastest and most menacing left

Honors Are Evenly Split In Charlottetown Racing

Chummy D with Clarkie Smith up on the bike was the only entry that managed to take a double dash win out of the Charlottetown Driving Park last evening but that did not disappoint many fans. The action in all races was as close as could have been seen and for the massed group of spectators and bettor things were just dandy.

Jim's Joy got the evening off the ground as expected as the big chestnut won the first dash and then Texas D romped to his first win of the evening in the second dash. However the combination was not entirely anticipated by the bettors as can be seen by the 13.20 pay on the first daily double. Wayne's Pride and Mighty Armstrong came home in that order in the third dash to pay $9.00 in the quinella and then fans got to see the feature event of the evening, the $1,000 Invitational Pace.

J Scotch Hal managed to lead the pack to the wire in the first half of it but oddly enough did not win top honors for the double dash win even with the time of 2.08.3. The old pro Walter Craig, up on Eloise Wick had a second the first time out and then Eloise Wick had the fastest time of the evening 2.07.4, and ran away with the second half of the feature event.

The second double on races seven and eight saw Lucky V romp to a win in the seventh to pay $22.70 for a win ticket and then Eloise Wick take the second half for a return of $64.00 on a double ticket.

The Exactor race was on the ninth and here the stable of Security Scott and Highland placed 2 and 1 in that order so the third place finish of Jo Anne Lynn was a factor in the feature. A ticket returned $18.40.

Mets Sweep Twin Bill; Phillies Defeat Dodgers

NEW YORK (AP) — Larry Elliot drove in four runs with a single double and homer as New York Mets completed their second straight doubleheader sweep Monday, beating Houston Astros 6-3.

The Mets, who beat the Astros twice Sunday, rallied with three runs in the eighth inning for a 4-1 victory in the opener.

Elliot, whose first inning error helped the Astros to a quick 2-0 lead, drive in one run in the Mets' first with a single. After Houston had moved ahead 3-1, Elliot homered in the sixth with the bases empty.

New York took the lead in the seventh. Roy McMillan, who has hit in 10 straight games, doubled with one out. John Stephenson, batting for winning pitcher Bob Shaw, was hit by a pitch. After Chuck Hiller was retired, Al Luplow singled McMillan home with the tying run.

The victory was the 100th of Shaw's major league career.

Billy Murphy's two-out single broke a 1-1 tie in the eighth inning of the opener. Then McMillan delivered a bases-loaded single for two more runs.

PHILADELPHIA (AP)

Larry Jackson reeled off his fifth straight victory and second successive shutout as he pitched Philadelphia Phillies to a 4-0 victory over Sandy Koufax and Los Angeles Dodgers Monday night.

The 34-year-old Jackson extended his string of scoreless innings to 18 as he checked the Dodgers on five hits for his ninth victory and eighth in his last 10 games. He has lost seven.

Koufax, who lost his fifth game against 16 victories, gave up three runs in the fifth as the Phillies sent nine men to bat and collected five hits, an intentional walk and a sacrifice fly. The Dodgers' brilliant lefthander left for a pinch hitter in the sixth.

Taylor started the Phillies winning rally with a booming double some 410 feet to centre. He moved to third on a bunt single by Jackson and scored on Cookie Rojas' single.

MINNEAPOLIS (AP)—Hector Lopez socked a three-run homer in the eighth inning and lifted New York Yankees to a 6-4 victory over Minnesota Twins Monday.

Lopez slammed reliever Al Worthington's pitch over the left field fence to wipe out a 4-3 Minnesota lead. Roy White who had singled and Clete Boyer, who walked, scored ahead of Lopez.

Blanked for six innings by Jim Grant and trailing 4-0, the Yankees knocked the Twins' right-hander out in the seventh with a five-hit rally that produced three runs. Pinch-hitters Mickey Mantle and Roger Maris each knocked in a run with a double and single, respectively. Bobby Richardson's single produced the third run.

Minnesota scored in the first on Zoilo Versalles' double and two outfield flies. Ted Uhlander hit his first major league homer in the second off Al Downing to give the Twins a 2-0 edge.

It was the Yankees eighth victory in nine games with the fifth-place Twins this season.

ATLANTA (AP)—Eddie Mathews' third hit of the game drove in pinch runner Felix Millan with the winning run in the eighth inning as Atlanta Braves edged Cincinnati 9-0 Monday.

Tony Cloninger, batting for Chi Chi Olivo, was hit by a pitch opening the eighth. Millan running for Cloninger, went to second as Felipe Alou beat out a bunt, and then scored on Mathews' single.

Two-run homers by Alou and Mack Jones helped Atlanta erase an early 4-0 Cincinnati lead.

The Reds had jumped ahead with four in the first inning against Don Schwall. Leo Cardenas drove in two of the runs with a single.

CLEVELAND (AP) — Gary Bell's four-hit pitching and two-run homers by Rocky Colavito and Larry Brown lifted Cleveland Indians to a 6-1 victory over California Angels Monday night.

The Indians scored four runs in the fourth when Colavito rapped his 19th homer scoring Chuck Hinton, who walked, and when Larry Brown hit his second homer scoring Chico Salmon, who singled and turned a first base pick-off play into a stolen base.

Jose Cardenal spoiled Bell's bid for a shutout in the sixth with his 10th homer, making the score 4-1.
