

THE SOROPTIMIST FOUNDATIONS

Soroptimist International is the largest of the women's classified service clubs. Soroptimist International of the Americas, Inc. is one of four federations composing Soroptimist International. In order to provide service on a broader scale than is possible by individual clubs, two Foundations have been created.

In Canada, individual Soroptimists, the clubs and the Soroptimist regions have contributed to the Endowment Fund of the Soroptimist Foundation of Canada. Due to the growth of the Endowment Fund, it has become possible to adopt an additional project. At its Annual Meeting in July 1982, the Soroptimist Foundation of Canada determined to use a portion of its funds each year to make \$5000 grants to women either for graduate study of for a final year of a four-year undergraduate program in fields which will lead them to working directly with other women to improve the quality of life of those women.

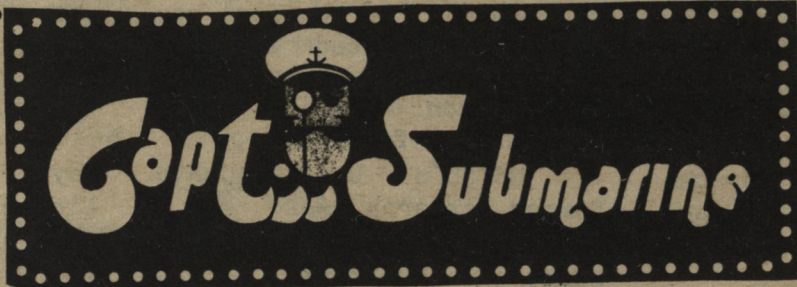

While this was adopted for grants to be given in 1983 and 1984, it is anticipated this program will be continued if it finds acceptance, as may be indicated by the number of applications which are received. Applications are available at Registrar's Office at U.P.E.I.
